2. CLIENT CATEGORISATION

2.1 J.P. Morgan shall treat you, for the purposes of all services which we provide to you (execution related services or otherwise) as a "per se professional client" or an "elective professional client" as defined by the FCA's Conduct of Business Rules ("**Rules**"). A Professional Client is deemed to possess the experience and knowledge to make its own investment decisions and assess the risks arising, and hence is not entitled to certain regulatory protections available to a "retail client" (as defined by the Rules). You should notify us immediately if, at any point in time, you consider that you would no longer fall within the definition of a per se professional client or an elective professional client.

2.2 Under the Rules you should be aware that you may be entitled to request to opt to a different client categorisation in accordance with the procedures set out in the Rules, generally or in respect of one or more investment services or a transaction or type of transaction or product. If you are seeking to opt to a client categorisation with a lesser degree of protection, you will need to, among other things, provide us with a statement in writing confirming that you wish to be categorised differently, and that you are aware of the consequences of such re-categorisation. However, we would also advise you that, to the extent you request re-categorisation so that you are given retail client status or if we are required to reclassify you as a retail client due to a change in your status, we regret that we will not be

able to continue to provide you with services hereunder, but, if appropriate, we may refer you to our private banking Affiliate(s) for further assistance. A summary of the limitations on the available protections to which you are entitled based on your client categorisation as a Professional Client is set out in the enclosed Schedule of Protections Owed to Different Client Types.

2.3 Unless otherwise agreed in writing between us, if you are acting on behalf of any principal or principals when transacting business with us under these Terms, J.P. Morgan will treat you alone (rather than any such principal or principals) as its client for all purposes in relation to the Rules. Therefore, you will be responsible for fulfilling any regulatory obligations to your principal(s). This applies even if you act on behalf of any principal or principals whom you have identified to us, and no such principal or principals will be a client of J.P. Morgan for the purposes of the Rules. In certain circumstances in the event that we provide you with investment advice, we may nevertheless consider the financial situation and investment objectives of your principal or principals when assessing the suitability of investment services or financial instruments.

2.4 Where you are an Investment Manager acting as agent on behalf of one or more principals in relation to business conducted pursuant to these Terms, you shall not be liable as principal to perform any term of any transaction under these Terms and the relevant principal or principals on whose behalf you are acting shall be liable in respect of all obligations and liabilities to be performed in respect of any transaction you have entered into on their behalf under these Terms, save as otherwise provided in these Terms and save where by your conduct or otherwise you have held yourself out as acting as principal in respect of a transaction under these Terms (in which cases you shall be jointly and severally liable with the relevant principal in respect of all obligations and liabilities to be performed in respect of that transaction).

2.5 If you are not an Investment Manager, but are acting as agent on behalf of one or more principals in relation to business conducted pursuant to these Terms, you and each of your principals shall be jointly and severally liable in respect of all obligations and liabilities to be performed in respect of any transaction you have entered into on the relevant principal's behalf under these Terms, and references under these Terms to any principal on whose behalf you are acting as agent other than as an Investment Manager shall be construed as a reference to both you and your principal jointly and severally.

"Investment Manager" under these Terms means a firm or an overseas financial services institution acting as an investment manager, as these terms are used under the FCA Handbook and PRA Rulebook, as applicable.

2.6 For the avoidance of doubt, any principal can only act hereunder through you.

5. RISK WARNING

5.1 This notice is provided to you in compliance with the Rules and Regulations. Please be aware that there are certain risks involved in entering into transactions in financial instruments. You should not deal in these products unless you understand their nature and the extent of exposure to risk that you (or, where applicable, your principal or principals) will incur.

All financial products carry a certain degree of risk, and even low risk investment strategies contain an element of uncertainty. Different instruments involve different levels of exposure to risk and in deciding whether to trade in such instruments you should be aware of the risks associated with each of these instruments. We refer you to the Schedule of Product and Service Risk Disclosures at <http://www.jpmorgan.com/disclosures> which describes both the risks of specific products, as well as generic types of risk, including, inter alia: liquidity risk, credit risk, market risk, currency risk, interest rate risk, legal/regulatory risk and operational risk.

5.2 The information contained in the Schedule of Product and Service Risk Disclosures cannot disclose the nature of all risks of all specific products or services or disclose everything about generic types of risk. The information contained in the Schedule of Product and Service Risk Disclosures is a general description of the risks associated with the specific products or services which we may provide

to you. You should not rely on the highlighted risks as being the only risks in relation to the product or service. You should always satisfy yourself that a product or service is suitable for you in light of your (or, where applicable, your principal's or principals') financial circumstances and that you fully understand the nature and risk associated with that product or service. Any risks highlighted are not to be relied upon as investment advice or a personal recommendation.

6. TELEPHONE TAPING AND ELECTRONIC COMMUNICATIONS

6.1 To the extent permitted by Applicable Law, by virtue of accepting services hereunder, you agree that J.P. Morgan may in its sole discretion record, monitor and retain all communications (including email, instant messaging, facsimile, telephone conversations and other electronic communications) including those held between you and/or your agent and employees of J.P. Morgan including trading, sales or settlements for the purposes of ensuring compliance with J.P. Morgan's legal and regulatory obligations and internal policies, and in connection with the services and/or transactions contemplated by these Terms. J.P. Morgan may record such telephone conversations without use of a warning tone. Such records will be our sole property. Our voice records will be accepted by you as conclusive evidence of the orders, instructions or conversations recorded.

6.2 J.P. Morgan may retain such records for whatever period may be required as a matter of its internal policies and/or Applicable Law, provided that records in respect of investment services and activities relating to the reception, transmission and execution of orders will be kept for a period of five years and, where requested by the FCA, for a period of up to seven years. The records in respect of investment services and activities relating to the reception, transmission and execution of orders will be available to you upon request during that period, subject to any reasonable charge J.P. Morgan may in its sole discretion impose for such access.

6.3 You agree that your use of electronic communications will be for the purposes of your business, trade or profession. You agree that the requirements of the Electronic Commerce (EC Directive) Regulations 2002, are excluded to the fullest extent permissible by law.

7. AUTHORISED INSTRUCTIONS

7.1 You authorise J.P. Morgan to act on any instruction received (by whatever means transmitted, whether or not in writing) which purports, and which we believe in good faith, to come from you or to have been given on your behalf regardless of whether you have provided us with notice of a list of persons (including any individual or entity) authorised to act on your behalf and, where you have provided us with such a list, regardless of whether the person in question is named or not named on that list. If we enter into any transaction(s) upon any such instruction, and securities or funds are not delivered to us as and when due, you will fully indemnify us and each of our Affiliates against all costs, expenses, liabilities and losses which we and/or any of our Affiliates may incur and against all claims which may be made against us and/or any Affiliate as a result of such failure.

7.2 Neither J.P. Morgan nor any Affiliate, nor any director, officer or employee of J.P. Morgan or an Affiliate, shall be responsible for any delays, inaccuracies or omissions in the receipt of your instructions or in the transmission of orders or other information to J.P. Morgan or an Affiliate by you except to the extent such delays, inaccuracies or omissions are caused by its own gross negligence, fraud or wilful default.

7.3 Notwithstanding our general willingness to enter into transactions with you or on your behalf, we shall not, unless otherwise obliged under the Rules, be under any obligation to enter into any particular transaction, or to accept and act in accordance with any instruction.

8. ORDER HANDLING AND OTHER REGULATORY REQUIREMENTS

8.1 Execution

When executing orders on your behalf and when placing orders with, or passing orders to, other entities (including Affiliates) for execution, we will do this in accordance with our Execution Policy as amended from time to time, and you agree to your orders being executed in accordance with that policy. For information on J.P. Morgan's Execution Policy for Professional Clients (our "Execution Policy"), see our webpage at the following address: <http://www.jpmorgan.com/disclosures>.

8.2 Aggregation and Priority of Orders

J.P. Morgan handles client and own account orders promptly, fairly and in due turn subject to market conditions. J.P. Morgan may aggregate your order with (i) its own orders; (ii) orders of Affiliates; or (iii) orders of other persons, in a manner that J.P. Morgan believes is fair in accordance with Applicable Law. Such aggregation may on some occasions operate to your (or, where applicable, your principal's or principals') disadvantage and on other occasions to your (or, where applicable, your principal's or principals') advantage. Market conditions may not permit your aggregated order to be executed at once or in a single transaction. We may therefore execute it over such period as we deem appropriate and we may (unless otherwise agreed with you) report to you a volume weighted average price for a series of transactions so executed instead of the actual price of each transaction.

8.3 Open Orders

Unless otherwise agreed, open orders are specific and will remain in effect until executed or cancelled (including where cancelled by an Exchange). An open order will not be cancelled automatically by an identical or different order or transaction otherwise executed for your (or, where applicable, your principal's or principals') account in the securities concerned. It is your responsibility to cancel an open order where a substitute order has been entered. A transaction resulting from the execution of any such order which you have not cancelled will be entered in your (or, where applicable, your principal's or principals') account.

Sometimes your order may be partially completed on a particular trading day, to be completed on a subsequent trading day or days, and you may request that we delay sending you a confirmation until we are able to send you a confirmation covering the whole executed order. We are not obliged to accept such a request, but if we do accept it this does not affect the fact that you (or, where applicable, your principal or principals) are contractually obliged under these Terms to purchase (or sell, as applicable) the securities to which any partial execution relates. You (and, where applicable, your principal or principals) are responsible for obtaining your (and their) own legal advice as to when any obligation(s) you (or, where applicable, your principal or principals) have to disclose your (and/or, where applicable, your principal's or principals') transaction or resultant position may arise under Applicable Law.

8.4 Limit Orders

You hereby instruct J.P. Morgan and its Affiliates not to immediately make public (where we would otherwise be required to do so by Applicable Law) any limit order you place with us in respect of shares admitted to trading or traded on a Trading Venue where that order cannot immediately be executed.

8.5 Inducements

In the course of providing services to our clients, we may pay or receive fees, commissions, rebates or non-monetary benefits to or from third parties (including any Affiliate(s)), provided that the payment or benefit:

8.5.1 is designed to enhance the quality of the services that we provide to you; and

8.5.2 does not impair compliance with our duty to act honestly, fairly and professionally in accordance with your best interests.

Where we pay or receive such amounts, we will disclose the existence, nature and amount of the payment or benefit, or where the amount cannot be ascertained, the method for calculating that amount, separately to you in accordance with Applicable Law. Where we receive on-going inducements in relation to a service provided to you, we will inform you at least annually about the actual amount of payments or benefits received or paid. Such fees, commissions and rebates we directly receive from third parties from time to time will not be held on your behalf as client money under the FCA's Client Money Rules.

Minor non-monetary benefits that we may provide or receive may be described in a generic way and those minor non-monetary benefits classified as acceptable minor non-monetary benefits under the Rules are listed at <http://www.jpmorgan.com/disclosures>.

8.6 Margined Transactions

In the event J.P. Morgan enters into or arranges transactions with or for you (or, where applicable, your principal or principals) under which you (or, where applicable, your principal or principals) may be liable to make further payments, we may require that you (or, where applicable, your principal or principals) provide us with initial and/or additional margin in a form acceptable to us. You (or, where applicable, your principal or principals) represent and warrant to us that any initial or additional margin you (or, where applicable, your principal or principals) post with us shall be fully transferable and that no option, lien, charge, security or encumbrance exists or will, due to any act or omission by you (or, where applicable, your principal or principals), exist over the margin. Without prejudice to Clause 13, if you (or, where applicable, your principal or principals) fail to provide us with such margin by no later than the close of business on the business day as defined under the Rules ("**Business Day**") after we have notified you of such requirements, we may suspend any payment or delivery of securities required to be made to you (or, where applicable, your principal or principals) and may close out your (or, where applicable, your principal's or principals') account by purchasing from, or selling to, a third party in a commercially reasonable manner the relevant financial instrument, underlying securities or collateral (or comparable financial instruments or securities). You (or, where applicable, your principal or principals) shall reimburse us for all reasonable costs incurred by us in respect of any such purchase or sale.

8.7 Short Positions

Unless you inform us otherwise, all instructions to sell investments are accepted by J.P. Morgan on the understanding that you (or, where applicable, your principal or principals) own the relevant investments. At the time of providing an instruction to J.P. Morgan to enter into transactions on your (or, where applicable, your principal's or principals') behalf, you must inform J.P. Morgan if the instruction requires J.P. Morgan to sell on your (or, where applicable, your principal's or principals') behalf investments which you do not own at the time, and (without prejudice to Clause 7.3)

J.P. Morgan shall have the right in its sole discretion to refuse to accept any such instruction.

We may establish short positions on your (or, where applicable, your principal's or principals') behalf, that is to say sell on your (or, where applicable, your principal's or principals') behalf investments which you (or, where applicable, your principal or principals) do not own at the time, leaving you (or, where applicable, your principal or principals) with an open exposure related to any increase in the price of those investments before settlement. We may cover your (or, where applicable, your principal's or principals') settlement obligations by borrowing for you (or, where applicable, your principal or principals) the relevant investments. We may require you to sign appropriate documentation covering such borrowing.

You (or, where applicable, your principal or principals) acknowledge that restrictions or disclosure obligations may exist or be imposed from time to time under Applicable Law in relation to transactions in investments that J.P. Morgan enters into on your (or, where applicable,

your principal's or principals') behalf. J.P. Morgan (without prejudice to Clause 7.3) reserves the right to refuse to accept any instruction where it considers in its sole discretion that accepting such instruction may cause it to breach Applicable Law (whether or not you have informed us as to whether or not you (or, where applicable, your principal or principals) own the investments in question).

8.8 Stocklending

Any stocklending between you (or, where applicable, your principal or principals) and J.P. Morgan will be documented separately on our standard terms.

8.9 Programme Trading

Where we accept an order to effect a programme trade we will act as riskless principal unless otherwise agreed at the time.

Subject to Clauses 8.1 and 11, we and/or our Affiliate(s) may execute own account transactions in any investment and/or traded product included in a programme trade.

8.10 Contract Notes and Confirmations

Where J.P. Morgan carries out an order on your (or, where applicable, your principal's or principals') behalf under these Terms, J.P. Morgan will in respect of that order (i) promptly confirm essential details concerning the execution of that transaction with you or any agent nominated by you in a durable medium and (ii) provide you or such agent with a notice confirming execution as soon as possible and no later than the first business day following execution, except where the confirmation is received by J.P. Morgan from a third party in which case the confirmation and essential details will be provided no later than the first business day following receipt of the confirmation from the third party. Point (ii) shall not apply where the confirmation would contain the same information as a confirmation that is to be promptly dispatched to you by another person. Points (i) and (ii) shall not apply where orders executed on your behalf relate to bonds funding mortgage loan agreements with you, in which case the report on the transaction shall be made at the same time as the terms of the mortgage loan are communicated, but no later than one month after the execution of the order. Where your order relates to units or shares in a collective investment undertaking which are executed periodically, we will either provide you with a notice confirming execution as soon as possible and no later than the first business day following execution, or we will provide you with, at least once every six months, the essential information concerning the execution of the transaction. Confirmations or contract notes may be dispatched by, inter alia, SWIFT, facsimile or in electronic form (including notice via a website), which shall have the same effect as if provided to you in hard copy. Confirmations or contract notes override any oral or informal trade summary or information that may be provided to you. You (and, where applicable, your principal or principals) agree that for trades introduced or arranged by J.P. Morgan to or for an Affiliate, the Affiliate's confirmation shall be sufficient for this purpose.

All contract notes or confirmations issued by J.P. Morgan or its Affiliates (as agent for J.P. Morgan) shall bind you (or, where applicable, your principal or principals) unless a detailed objection is received in writing by the J.P. Morgan contact stated on the applicable contract note or confirmation (or if no contact is stated, your usual J.P. Morgan representative) within one Business Day of dispatch of the contract note or confirmation by J.P. Morgan or applicable Affiliate (as agent for J.P. Morgan). A party shall not be bound by a contract note or confirmation which it issues in manifest error.

You may request information on the status of your order at any time.

8.11 Custody of your Investments

J.P. Morgan may provide safe custody services for your (or, where applicable, your principal's or principals') investments, which will be the subject of a separate agreement. In addition, we may hold collateral in

connection with financial instruments , which may also be subject to a Product Contract.

Investments and/or traded products purchased by you (or, where applicable, your principal or principals) which are not custodied by J.P. Morgan, which are registrable, will be registered by us in accordance with your instructions. Certificates will be forwarded to you in accordance with your instructions. We will not accept responsibility for the safe custody obligations of any third parties to hold your (or, where applicable, your principal's or principals') investments.

8.12 Corporate Actions

We shall not be responsible for the following corporate actions, unless you have specifically instructed us and we have agreed in writing to comply with such instruction, on such matters:

8.12.1 taking up any rights;

8.12.2 exercising conversion or subscription rights;

8.12.3 dealing with take-overs, other offers or capital reorganisations; and

8.12.4 exercising voting rights.

J.P. Morgan shall have no obligation to notify you of any corporate action.

8.13 No Reliance / No Advice

Neither J.P. Morgan nor any of its Affiliates shall owe you (or, where applicable, your principal or principals) any duty to advise on the merits or suitability of any investment or series of investments or trading decisions or traded products entered into or contemplated by you (or, where applicable, your principal or principals) unless specifically agreed otherwise in writing.

Without limitation to the generalities of the foregoing, we shall not give you (or, where applicable, your principal or principals) legal, regulatory, accounting, taxation, financial or any other advice in relation to any investment or series of investments or trading decisions or traded products and you (or, where applicable, your principal or principals) are solely responsible for seeking and obtaining your (or their) own advice and taking your (or, where applicable, your principal's or principals') own trading decisions. You (and/or, where applicable, your principal or principals) agree that you and/or they will rely on your or their own judgement for all trading decisions and investments or series of investments and that you or they are not in any way acting in reliance on us.

Furthermore, any research, investment research, trading recommendation, trade idea, marketing communication, information about investment and investment strategy, market commentary, generic advisory material or other information communicated to you (or, where applicable, your principal or principals) is not personalised to, tailored to or based on a consideration of your (or, where applicable, your principal's or principals') individual circumstance, is incidental to the provision of services by J.P. Morgan under these Terms and should not be relied upon. Neither J.P. Morgan nor any of its Affiliates gives any representation, warranty or guarantee as to the accuracy or completeness of any such information or as to the regulatory, legal, accounting, taxation or other consequences of any investment or traded products.

In the event that we specifically agree with you in writing to provide you with investment advice, we will take reasonable steps to ensure that any recommendation we make is suitable for you. Suitability is designed to ensure that any such advice meets your requirements and circumstances from time to time and is therefore in your best interest. We shall determine suitability based on information that we require from you or that you have provided to us. You agree to provide complete and accurate information to enable us to carry out an

appropriate suitability assessment. If, in our reasonable opinion, you have not provided us with the necessary information, we may be unable to provide you with any recommendations. You agree to notify us promptly in writing of any information that may be relevant to your risk profile, in particular any material changes in your circumstances, financial condition, dependents, financial objectives or any other matter that you believe may be relevant to enable us to carry out an appropriate suitability assessment. We shall have no obligation to conduct a periodic assessment of suitability, including making any recommendations once you have purchased any assets.

8.14 Financial Services Compensation Scheme

J.P. Morgan is a participant in the UK Financial Services Compensation Scheme ("Scheme"). The Scheme can pay compensation to claimants if an institution is unable to meet its financial obligations. The Scheme is only available to certain types of claimants and claims. Payments to eligible claimants under the Scheme will vary depending on the type of protected claim (e.g. deposits or investments) the claimants hold with respect to the relevant institution. Payments under the Scheme in respect of protected deposits are subject to a limit on the maximum compensation that any eligible depositor is entitled to claim. Payments under the Scheme in respect of Designated Investment Business (as defined under the Scheme) are subject to a maximum payment per eligible investor. Details of these deposit and investment limits can be found at www.fscs.org.uk. The compensation limits relate to the combined amount in all the eligible claimant's accounts with the relevant J.P. Morgan firm. Further details of the Scheme are available at the Scheme's official website at <http://www.fscs.org.uk>.

8.15 Settlement

J.P. Morgan's obligation to settle any transaction or to deliver any securities purchased by you (or, where applicable, your principal or principals) is conditional upon receipt by J.P. Morgan or J.P. Morgan's settlement agent of all necessary documents or funds due to be delivered by you (or, where applicable, your principal or principals) or on your (or, where applicable, your principal's or principals') behalf on or before the due date for settlement.

Unless otherwise agreed in writing, you (or, where applicable, your principal or principals) are responsible for the due performance of every transaction which we enter into with or for you (or, where applicable, your principal or principals). Where permitted to do so by Applicable Law, we may effect a net settlement with or for you (or, where applicable, your principal or principals) or on your (or, where applicable, your principal's or principals') behalf. Where we have acted as agent for you (or, where applicable, your principal or principals), it is the other party to the transaction who is responsible for settlement of the transaction and delivery or payment will be at your (or, where applicable, your principal's or principals') entire risk.

J.P. Morgan shall effect settlement of any transaction in accordance with Applicable Law and market practice in the jurisdiction or market in which the transaction is settled. You (and, where applicable, your principal or principals) acknowledge that settlement of securities in some jurisdictions or markets does not occur on a delivery against payment basis.

Where you are acting under these Terms as agent on behalf of a principal or principals, and at the time a transaction is agreed under these Terms you have not notified us of the allocation of such transaction to your principal or amongst your principals as applicable, then: (i) you undertake to fully allocate the transaction, and notify us of such allocation, promptly to your principal or amongst your principals as applicable, each of whom will be liable as principal in respect of the part of the order allocated to it; and (ii) where you are an Investment Manager, until you have fully allocated the transaction and notified us of such allocation, without prejudice to any concurrent liability of your principal(s), you shall be liable as principal in respect of all obligations and liabilities to be performed in respect of any unallocated portion of that order.

You (or, where applicable, your principal or principals) are responsible for all taxes, duties and levies payable with respect to any transaction executed by J.P. Morgan with you or on your (or, where applicable, your principal's or principals') behalf. Where the applicable tax authority looks to J.P. Morgan to account for any such tax, duty or levy on your (or, where applicable, your principal's or principals') behalf, we shall be entitled to deduct, charge and account for any such amount and you (or, where applicable, your principal or principals) shall be obligated to pay to J.P. Morgan the relevant amount in addition to the funds required to settle the transaction. If you (or, where applicable, your principal or principals) are entitled to an exemption from any such tax, duty or levy,

J.P. Morgan shall be entitled nonetheless to deduct, charge and account for the amount you (or, where applicable, your principal or principals) would have been required to pay absent the exemption unless you supply all documentation and explanations required or requested by J.P. Morgan in order to be satisfied, in its sole discretion, that the exemption is available.

8.16 Settlement – CSDR

This Clause 8.16 sets out terms that relate to the settlement discipline provisions of CSDR. To the extent that CSDR is amended or modified, or it is supplemented with regulatory guidance, and any provision in this Clause 8.16, as determined by us, is as a result contrary to, or duplicative of, amended or supplemented CSDR (as the case may be), such relevant provision shall cease to have effect from the effective date of the CSDR amendment or supplement.

8.16.1 Messaging protocols

This Clause 8.16.1 applies only to Transactions.

Following us notifying you of the execution of a Transaction, you agree to provide us a written allocation with all the information referred to in Article 2 of the Settlement Discipline RTS, each within the timeframes stipulated in that Article. You agree that where you send us written allocations under this Clause 8.16.1, this also constitutes written confirmation of your acceptance of the terms of the Transaction in accordance with the requirements of the Settlement Discipline RTS.

You may provide the written allocation and written confirmation referred to above by any communication procedure agreed between you and us.

We shall confirm receipt of the written allocation and written confirmation referred to above within the timeframe required under Article 2 of the Settlement Discipline RTS.

You shall not be required to provide the written allocation and written confirmation referred to above upon execution of a Transaction where you grant us access to, or otherwise make available to us, on an ongoing basis, the information referred to in Article 2 of the Settlement Discipline RTS.

8.16.2 Definitions

Capitalised terms used in this Clause 8.16 have the meanings set out below:

"CSDR" means Regulation (EU) No 909/2014 and the Settlement Discipline RTS as they may be modified from time to time;

"Effective Date" shall mean the date given in Article 42 of the Settlement Discipline RTS, as modified from time to time, or such other date notified by us to you in writing (which may be by email);

"Settlement Discipline RTS" means Commission Delegated Regulation (EU) 2018/1229 as it may be modified from time to time; and

"Transaction" means any transaction which you undertake with or through us which is within the scope of Article 5(1) CSDR, except where an exemption under Article 2 of the Settlement Discipline RTS applies.

8.17 Execution of Orders

When executing an order on your behalf, J.P. Morgan or its Affiliate, as the case may be, may execute that order outside a Trading Venue or on a Trading Venue operating under the Applicable Law of any jurisdiction outside the United Kingdom where J.P. Morgan or its Affiliate reasonably believes that this is necessary to achieve best execution. You consent to J.P. Morgan (or an Affiliate as the case may be) executing an order outside a Trading Venue or on a Trading Venue operating under the Applicable Law of any jurisdiction outside the United Kingdom where J.P. Morgan (or the relevant Affiliate as the case may be) reasonably believes it is in your best interest to so execute an order.

Any order placed by you shall be subject to J.P. Morgan's (or any relevant Affiliates') pre-trade and post-trade controls in addition to your trading controls all of which may be set or modified in J.P. Morgan's (or the relevant Affiliate's) sole discretion. Any controls imposed by J.P. Morgan (or any relevant Affiliates) may result from factors including J.P. Morgan's (or any relevant Affiliates') internal policies, guidelines, procedures and/or regulatory requirements or restrictions to which it is subject, or be provided by a third party or as part of the controls required by an Exchange. Neither J.P. Morgan nor any Affiliate shall be responsible for any losses which may arise under the circumstances described in this Clause 8.17.

8.18 Systematic Internalisation

To the extent that J.P. Morgan may, subject to the pre-trade transparency obligations set out under Applicable Law, act as a Systematic Internaliser, and J.P. Morgan grants access to quotes provided by it, J.P. Morgan will be entitled pursuant to Applicable Law to execute transactions on terms other than its quoted price in certain circumstances, including:

8.18.1 J.P. Morgan may limit, in a non-discriminatory way, the number of transactions that it undertakes with you (or, where applicable, your principal or principals) and/or the total number of transactions it may enter into in aggregate with clients on the basis of such published quote;

8.18.2 J.P. Morgan may, in justified cases, execute orders at a better price provided that the price falls within a public range close to market conditions;

8.18.3 in relation to equities and equity-like instruments, where J.P. Morgan is executing orders in respect of several securities as part of one transaction or executing orders that are subject to conditions other than the current market price, J.P. Morgan may execute such orders at prices different than its quoted ones without having to comply with the requirements in Clause 8.18.2;

8.18.4 J.P. Morgan will not be subject to the pre-trade transparency requirements where it deals in sizes above standard market size for equities and equity-like instruments or above a size specific to the financial instrument when dealing in non-equities;

8.18.5 J.P. Morgan may pursuant to Applicable Law decide on the basis of its commercial policy and in an objective and non-discriminatory way not to give you access to its quotes; and

8.18.6 J.P. Morgan may pursuant to Applicable Law update its quotes at any time and, under exceptional market conditions, withdraw its quotes altogether.

8.19 Trade Reporting

Where J.P. Morgan executes a transaction in respect of financial instruments on own account or on behalf of clients, J.P. Morgan will (if so required by Applicable Law) make the relevant transaction information (including volume, price and the time that the transaction was concluded) public as required in accordance with Applicable Law through a Data Information Services Provider.

Subject to Clause 8.5, J.P. Morgan may receive fees or commissions in connection with such third party arrangements. Fees or commissions owed by you (or where applicable your principal or principals) to J.P. Morgan in connection with any such transaction shall not be affected by any fees or commissions received by J.P. Morgan from any third party in respect of such transaction.

You consent to us disclosing to third party Data Reporting Service Providers and Trading Venues and making public relevant details of quotes provided to you and transactions executed for you (or where applicable your principal or principals) in accordance with Applicable Law.

For more information on our client assisted trade reporting services for MiFIR, please contact your usual J.P. Morgan representative.

8.20 Transaction Reporting

J.P. Morgan will comply with its transaction reporting obligations under Applicable Law in relation to transactions executed with you (or, where applicable, your principal or principals) or on your (or, where applicable, your principal's or principals') behalf.

To enable J.P. Morgan to comply with its obligations under Applicable Law, you agree to promptly deliver to us transaction data and any other information that we may from time to time request to enable us to complete and submit transaction reports to the relevant competent authority, which shall include a notification of any transaction that is a short sale and, in respect of transactions in commodity derivatives where you are or are acting on behalf of a non-financial entity, a notification as to whether the transaction reduces risk in an objectively measurable way in accordance with Applicable Law. Without such notification in respect of commodity derivatives transactions, we shall assume that the relevant transaction(s) does not reduce your risk in an objectively measurable way in accordance with Applicable Law.

You consent to us providing information about you (or, where applicable, your principal or principals) and transactions executed with or for you (or, where applicable, your principal or principals) to Data Information Services Providers, Exchanges and competent authorities in the course of submitting transaction reports in accordance with Applicable Law.

For more information on our client assisted transaction reporting services for MiFIR, please contact your usual J.P. Morgan representative.

8.21 Duties and Charges

J.P. Morgan may charge transaction duties and charges owing from you (or where applicable your principal or principals) on a trade at fund manager level, or at a level different from that payable by J.P. Morgan as execution broker. Any difference in such duties and/or charges may be retained or absorbed by J.P. Morgan.

8.22 ICMA Rules and Recommendations

All transactions under these Terms in "international securities" as that term is defined in the Rules and Recommendations of the International Capital Market Association or any successor entity ("ICMA") shall be subject to ICMA Rules and Recommendations.

8.23 Market Conduct

You will not take any action or fail to take any action in circumstances where taking such action or failing to take such action would amount to market abuse, nor fail to observe the proper standards of market conduct in relation to any relevant Exchange and not knowingly take any step or omit to take any step that would cause J.P. Morgan to commit market abuse or fail to observe such proper standards.

8.24 Additional market requirements

Specific additional provisions which apply when trading on certain markets (including Exchanges, Clearing Systems or order matching systems) may be included on our webpage at the following address <http://www.jp.morgan.com/pages/disclosures/markets> from time to time.

8.25 Commodity derivatives

You acknowledge and agree that it is your responsibility to monitor and ensure your compliance with any applicable limits on the size of a net position a person can hold in commodity derivatives traded on Trading Venues and economically equivalent OTC contracts, as that term is used in Applicable Law ("**Position Limits**"). You warrant that in providing us with any instruction to carry out orders on your behalf, you will not be in breach of a Position Limit. You agree to notify us when you suspect or become aware that any Position Limit would be crossed if we were to execute an order for you. You acknowledge that we may be unable to carry out orders in accordance with your instructions in order to ensure that such Position Limits are not crossed. For the avoidance of doubt, you acknowledge and agree that we will not be responsible for calculating Position Limits on your behalf or determining if Position Limits would be breached if we were to carry out orders in accordance with your instructions.

To enable J.P. Morgan to comply with its obligations under Applicable Law, you agree to promptly deliver to us such information on your positions in commodity derivatives as we may require to enable us to complete and submit reports to the relevant Trading Venue or competent authority. You consent to us providing information about you (or, where applicable, your principal or principals) and transactions executed with or for you (or, where applicable, your principal or principals) to Trading Venues and competent authorities in the course of submitting such reports in accordance with Applicable Law. Where you act on behalf of an underlying client, you undertake to provide, or procure that there is provided to us, such information as we may require on your client's positions in commodity derivatives and the positions of the clients of that client until the end client is reached, to enable us to complete and submit reports to the relevant Trading Venue or competent authority if required. You undertake to ensure that all such clients have given their consent to us providing information about the positions that they hold to Trading Venues and competent authorities.

In some circumstances it may be necessary for us to unwind positions, including where this would lead to a breach of a Position Limit (including a breach by one of our counterparties). You consent to a transaction in a commodity derivative that we entered into on your behalf being unwound, in whole or in part, in such circumstances when we view this as necessary in order to avoid breaching a Position Limit.

8.26 Service Reports

J.P. Morgan shall provide you periodically with reports on the services we provide in a durable medium taking into account the type and complexity of the products involved and the nature of those services.

9 CLIENT MONEY AND CUSTODY

9.1 The application of the rules governing client money is dependent on the legal entity within J.P. Morgan with which you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) transact and specifically whether such entity is or is not a CRD credit institution or an approved bank, as such

terms are defined under the FCA Handbook. Each entity within J.P. Morgan that is a CRD credit institution or an approved bank shall be referred to as a "J.P. Morgan Credit Institution". A list of which entities within J.P. Morgan are J.P. Morgan Credit Institutions

Can be found at <http://www.jpmorgan.com/disclosures>. We will notify you from time to time, including by way of posting on the above webpage, if any entities within J.P. Morgan become or cease to be a J.P. Morgan Credit Institution.

9.2 Unless specifically agreed in writing and subject to Clause 9.5, any money which a J.P. Morgan Credit Institution receives from you (or, where applicable, your principal or principals), or holds on your (or, where applicable, your principal's or principals') behalf in the course of carrying on designated investment business in the United Kingdom, will be held as banker, not as trustee, and will therefore not be subject to the protections conferred by the FCA's Client Money Rules as set out in CASS 7 of the FCA Handbook ("**Client Money Rules**"), and such funds will not be segregated from the money of such J.P. Morgan Credit Institution, and may be used by it in the course of its business. As a result, if such J.P. Morgan Credit Institution fails, the FCA's Client Money Distribution and Transfer Rules as set out in CASS 7A of the FCA Handbook ("**Client Money Distribution and Transfer Rules**") will not apply to these sums and you will not be entitled to share in any distribution under the Client Money Distribution and Transfer Rules. You (or, where applicable, your principal or principals) will therefore rank only as a general creditor of such J.P. Morgan Credit Institution.

9.3 Subject to Clause 9.5, entities within J.P. Morgan that are not J.P. Morgan Credit Institutions ("J.P. Morgan Investment Firms") will treat any money received from you (or, where applicable, your principal or principals) or held on your (or, where applicable, your principal's or principals') behalf in the course of carrying on designated investment business as client money in accordance with the Client Money Rules which, for the avoidance of doubt, may include holding client money with a third party bank or banks. A J.P. Morgan Investment Firm may also hold client money with a J.P. Morgan Credit Institution or other member of the group of companies of which J.P. Morgan forms part which is a bank authorised in a third country (as defined under the Client Money Rules). We may also allow another third party (for example an OTC counterparty, settlement agent, intermediate broker, Exchange or Clearing System) to hold or control client money in order to effect one or more transactions through or with that person or to satisfy your obligation to provide collateral in respect of a transaction. Client money may be held outside the United Kingdom. If client money is held with a party outside the United Kingdom the applicable legal and regulatory regime may be different from that of the United Kingdom and if the bank, intermediate broker, over-the-counter ("**OTC**") counterparty, Exchange, Clearing System or settlement agent fails, your (or, where applicable, your principal's or principals') money may be treated differently from the position that would apply if client money were held in the United Kingdom. You (and, where relevant, your principal or principals) should consider taking independent legal advice if you or they have any concerns.

9.4 J.P. Morgan Investment Firms will not place your (or, where applicable, your principal's or principals') money into a qualifying money market fund, as defined in the FCA Handbook, unless you explicitly agree to this. If you do provide such agreement, any money will not be held in accordance with the Client Money Rules and the units in any such fund will be held for you as custody assets in accordance with the provisions on custody assets set out in the FCA's Custody Rules as set out in CASS 6 of the FCA Handbook (the "**Custody Rules**"). If you want us to place client money we hold on your (or, where applicable, your principal's or principals') behalf into a qualifying money market fund, please advise us in writing.

The Client Money Rules and the Custody Rules will not apply in respect of any monies or assets where full ownership has been transferred by you (or, where applicable, your principal or principals) to J.P. Morgan for the purpose of securing or otherwise covering present or future, actual or contingent or prospective obligations (a "**Title Transfer Collateral Arrangement**") pursuant to a Product Contract. Where money or securities have been provided to J.P. Morgan under a Title Transfer Collateral Arrangement such money and securities may be

used in the course of J.P. Morgan's business and you (or where applicable, your principal or principals) will therefore rank only as a general creditor of such J.P. Morgan institution.

We refer you to the Schedule of Product and Service Risk Disclosures available at <http://www.jpmorgan.com/disclosures> which describes the effects of title transfer in more detail. Any notification that you would like to terminate a Title Transfer Collateral Arrangement should be made in accordance with the Product Contract and in writing.

9.5 In the event that a J.P. Morgan Credit Institution agrees separately with you to treat any money received from you or held on your behalf in the course of carrying on designated investment business as client money in accordance with the Client Money Rules, the provisions of Clauses 9.3 to 9.5 shall apply in respect of that J.P. Morgan Credit Institution as if it were a J.P. Morgan Investment Firm, save to the extent that such J.P. Morgan Credit Institution may otherwise agree in writing with you. If a J.P. Morgan Credit Institution fails, the Client Money Distribution and Transfer Rules will apply to any money held by a J.P. Morgan Credit Institution as client money.

9.6 You agree that J.P. Morgan may in its sole discretion decide to pay away any unclaimed money held on your (or, where applicable, your principal's or principals') behalf as client money in accordance with the Client Money Rules to a registered charity of our choice, provided that J.P. Morgan has held such unclaimed money for you for at least 6 years following the last movement on your account (disregarding any payment or receipt of interest, charges or similar items) and we have taken reasonable steps in accordance with the Client Money Rules to trace you and return the money, in which case we shall cease to treat such money as client money. In such circumstances, we (or an Affiliate) will unconditionally undertake to pay you a sum equal to the balance paid away in the event that you seek to claim such balance in the future.

9.7 You agree that J.P. Morgan may in its sole discretion decide to:

9.7.1 liquidate any unclaimed assets kept in safe custody by us for you (or where applicable your principal or principals) at market value and pay away the proceeds, or

9.7.2 pay away any such unclaimed assets,

in either case to a registered charity of our choice, provided that we have held the relevant assets in safe custody for you (or where applicable your principal or principals) for at least 12 years; we have in the 12 years preceding the divestment not received any instructions from you or on your behalf relating to any assets kept in safe custody for you (or where applicable your principal or principals); and we have taken reasonable steps in accordance with the Custody Rules to trace you and return the relevant assets, in which case we shall cease to treat such assets as custody assets held for you (or where applicable your principal or principals). In such circumstances, we (or an Affiliate) will unconditionally undertake to pay you a sum equal to the value of the relevant asset at the time it was liquidated or paid away in the event that you seek to claim the asset in the future.

9.8 J.P. Morgan reserves the right to charge an account maintenance fee in relation to inactive accounts in respect of which we have not received any instructions from you or on your behalf for at least 1 year. Such fee will be notified to you at your last known address. Pursuant to Clause 10.2, such maintenance fee may be deducted from any funds held by us on your (or where applicable your principal's or principals') behalf. In the event that insufficient funds are available in such accounts, you agree that we may in such manner and at such time or times as we in our sole discretion see fit, liquidate any investments or other assets, as we in our sole discretion may select, that we hold for you (or, where applicable your principal or principals) in safe custody in order to deduct the amount of the maintenance fee from the proceeds.

9.9 You may at any time make a request for information in respect of any client money or assets J.P. Morgan holds for you (or

where applicable your principal or principals) in safe custody or a copy of any statement previously provided to you, in respect of which we may charge you an amount which reasonably corresponds to our actual costs.

10 CHARGES AND INTEREST

10.1 We may charge you (or, where applicable, your principal or principals) interest in the following circumstances:

10.1.1 where you (or, where applicable, your principal or principals) are in default by virtue of late payment for or delivery of investments, traded products, collateral or cash, interest may be charged at a rate at our sole discretion; and

10.1.2 where there is an agreed debit balance on your (or, where applicable, your principal's or principals') account with us, interest may be charged at the rate agreed between us.

Interest will not normally be payable to you (or, where applicable, your principal or principals) in respect of any money we hold for you (or, where applicable, your principal or principals), unless specifically agreed between you and J.P. Morgan in writing.

10.2 Our charges will be subject to negotiation and agreement. For information on J.P. Morgan's standard aggregated costs and charges related to financial instruments and to investment and ancillary services we provide to clients, see the specific costs and charges disclosures we provide to you from time to time and the costs and charges disclosures provided on our webpage: <http://www.jpmmorgan.com/disclosures>, as may be updated from time to time. On your request, we will provide a further itemised breakdown of such costs and charges. In the absence of any agreement between us, we shall be entitled to charge and you (or, where applicable, your principal or principals) agree to pay our standard costs and charges, expenses, fines or penalties on a transaction entered into by you under these Terms, as well as any applicable value added tax. Any costs and charges due to us (or to our agents) plus any applicable value added tax, duties, taxes and levies may be deducted from any funds held by us on your (or, where applicable, your principal's or principals') behalf or any payments made by us to you (or, where applicable, your principal or principals) or to others on your behalf or, at our discretion, shall be paid by you (or, where applicable, your principal or principals) as we notify. Where value added tax is due on our charges (including any expenses) payable by you (or, where applicable, your principal or principals) to J.P. Morgan, you (or, where applicable, your principal or principals) shall be responsible for such value added tax and shall pay such value added tax to the relevant tax authorities or J.P. Morgan as required by Applicable Law. References to "value added tax" in this clause include value added tax, sales tax, services tax, goods and services tax and analogous taxes plus any interest or penalties if relevant. We will on an annual basis provide you with personalised costs and charges information based on costs incurred where we have had an ongoing relationship with you during the year. In your capacity as a Professional Client, you acknowledge that the costs and charges disclosures on our webpage and the specific costs and charges disclosures we provide to you from time to time may contain more limited information on costs and charges than would otherwise be required under Applicable Law and you agree that we may provide you with information on costs and charges in that form, including with any such limitations as may be further specified within those disclosures.

10.3 Where we effect any transaction as principal with you (or, where applicable, your principal or principals), the pricing of that transaction may incorporate a mark-up or mark-down, which may result in additional compensation to us. Please see the costs disclosures for further details of such mark-ups or mark-downs.

10.4 Where an investment service is offered to you together with another service or product as part of a package or as a condition for the same agreement or package, we will inform you whether it is possible to buy the different components separately and provide separate information on the costs and charges of each component. You should contact us if you want the components to be provided

separately. Where we are permitted under Applicable Law to combine payments for research and execution services, we may cease to provide you with research services where we, in our reasonable opinion, determine that the amount paid is insufficient to compensate us for the research services provided.

10.5 Where you are provided with "research" (as defined in the FCA Handbook) by J.P. Morgan or any Affiliate, this service is offered to you under these Terms, the J.P. Morgan Markets terms and any specific research agreement entered into with you from time to time. Where you are required under Applicable Law to pay for research on an unbundled basis, we will invoice you or arrange for you to make payment for our research services. We may cease to provide research to you at any time for whatever reason. You shall pay any invoices for research services, including any Taxes due and payable, within 30 calendar days of the date of the invoice. Any payment made for research shall be deemed to be exclusive of any value added tax or any other fees, taxes or other additional amounts.

10.6 You shall inform us in writing (by emailing MiFID_IL_RU_Client_Entitlements@jpmorgan.com) if you wish to stop receiving research from J.P. Morgan and its Affiliates. Unless otherwise agreed, 30 calendar days after receipt of your written notice we will cease to provide research to you (the "Research Termination Date"). You agree that you shall make payment for all research services received before the Research Termination Date.

10.7 The following terms shall apply in relation to all research:

10.7.1 no communication (written or oral) received from J.P. Morgan or any Affiliate will be deemed to be an assurance or guarantee as to the expected results of a product;

10.7.2 you agree that any research provided shall be used for internal purposes only and not for onward dissemination to any other party including any of your affiliates;

10.7.3 your access and/or use of the research shall not entail a transfer of any intellectual property rights to you;

10.7.4 you represent and warrant to J.P. Morgan that any payments you make for research provided by J.P. Morgan or its Affiliates will comply with all Applicable Law (including, but not limited to, any requirement to ensure that where payments for research are made from a research payment account, they are not linked to the volume or value of transactions executed on behalf of your underlying clients);

10.7.5 you acknowledge that neither J.P. Morgan nor its Affiliates make any representation, warranty or condition express or implied, that any materials or services provided would be eligible to be paid for from a research payment account or via direct payment from you under Applicable Law;

10.7.6 J.P. Morgan makes no representations, warranties, undertakings or conditions, express or implied, that the research is accurate, complete or current, and it should not be relied upon as such. You agree that you will rely on your own judgement for all trading decisions and investments or series of investments and that you are not in any way acting in reliance on J.P. Morgan or its Affiliates; and

10.7.7 you agree that where you ask for research consumption to be monitored at the group level, you shall monitor the consumption of research internally and the allocation of research payments to each relevant member of your group shall not violate:

- (i) any fiduciary, contractual or other obligations owed to any of your (or your affiliates') clients under any applicable law, rules or regulations;
- (ii) the provisions of any client agreement, trust deed or any other relevant contract; and (iii) any applicable legal, tax or regulatory requirement, including without limitation any corporate or tax law, reporting requirements and obligations, rules requiring disclosure to its

clients of the arrangements described herein or its constitutional documents.

10.8 We represent to you that we have the right to deliver research to you and that, to the best of our knowledge, provision of the research does not infringe any third party proprietary rights.

10.9 We and/or our Affiliates may receive other payments in connection with any transaction we execute with or for you (or, where applicable, your principal or principals), in addition to or in lieu of any fees, as described in Clause 8.5. Details of such payments will be made available in accordance with the Rules and other Applicable Law. We may share our charges with other persons and the amount or basis of any shared charges in relation to a specific transaction will be made available in accordance with the Rules and other

Applicable Law and with regard to the nature of the services provided to you. Further details will be available on request.

11 MATERIAL INTERESTS

11.1 When we deal or arrange deals with or for you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) or otherwise provide services to you, we, an Affiliate or some other person connected with us, may have an interest, relationship or arrangement that is material in relation to the transactions or investment concerned and you authorise us under these Terms to deal or arrange deals in such circumstances without further specific prior notification to you. For example, J.P. Morgan and its Affiliates may: (i) deal in investments as principal, or as agent for more than one party, or may make a recommendation to buy or sell an investment in which we have a long or short position or in which we have been given instructions by another customer to buy or sell; (ii) hold a long or short position or a derivative interest in, or act as a market maker in, the financial instruments of any issuer in which you (or, where applicable, your principal or principals) may hold a position or act as underwriter, distributor, adviser or lender to any such issuer; or (iii) conduct trading activities, including hedging, in connection with any transaction referenced herein, which may have an adverse impact on you (or, where applicable, your principal or principals). Information barriers may exist between the different parts of our organisation, which will mean that the person dealing with or for you (or, where applicable, your principal or principals) may be unaware of such a situation. However, even where this is not the case, we shall not, in providing services to you, be obligated to use or disclose information, whether or not unpublished and/or price sensitive, which is in possession of another of our business areas or any of our Affiliates.

11.2 We are required to treat you (or, where applicable, your principal or principals) fairly in relation to conflicts of interest or material interests. We maintain a conflicts of interest policy for identifying, preventing and managing conflicts of interest (i) between you and J.P. Morgan (including our managers and employees) or any person directly or indirectly linked to us by control, or (ii) between you and another client, that arise in the course of providing services, as required by the Rules. A summary of our policy is available on our webpage <http://www.jpmorgan.com/disclosures> and further details may be obtained on request from your usual J.P. Morgan representative. In the unlikely circumstance that the organisational or administrative arrangements that are in place in respect of conflicts of interest are not able to ensure, with reasonable confidence, that the risks of damage to you will be prevented, we will make you aware of the possibility of such conflict or material interest as well as the steps taken to mitigate those risks prior to providing services to you and may ask you to consent to us acting notwithstanding such conflict or material interest. We may also decline to act where we believe that there is no other practicable way of treating you (or, where applicable, your principal or principals) and our other clients fairly. If you object to us acting where we have disclosed that we have a conflict or material interest, you should notify your usual J.P. Morgan representative in writing. Unless so notified, we will assume that you do not object to our so acting.

11.3 Neither the relationship between you (or, where applicable, your principal or principals) and J.P. Morgan, nor the services to be provided by J.P. Morgan, nor any recommendation or advice tendered

to you (or, where applicable, your principal or principals), nor any other matter, will give rise to any fiduciary or equitable duties on the part of J.P. Morgan which would oblige either J.P. Morgan or an Affiliate to accept responsibilities more extensive than those set out in these Terms or which would prevent or hinder J.P. Morgan or an Affiliate from:

11.3.1 acting as principal or as agent for any Affiliate in respect of investments and/or traded products sold or purchased; or

11.3.2 advising on, managing, underwriting, or otherwise participating in any issue or proposed issue of securities or other corporate finance matter (whether for a corporation or otherwise); or

11.3.3 advising on or managing investments and/or traded products for any person.

Neither J.P. Morgan nor any Affiliate shall be liable to account to you (or, where applicable, your principal or principals) for any profit, commission or remuneration made or received from or by reason of transactions with our clients or any connected transaction nor will our fees, unless otherwise agreed in writing between us, be rebated. You acknowledge and agree that J.P. Morgan and its Affiliates may provide services and earn (and retain) all such profit, commission or remuneration notwithstanding the existence of material interests.

12 AFFILIATES

We may recommend the services of, or pass an order to, any Affiliate. We may introduce you to an Affiliate outside the United Kingdom which may not be an authorised person subject to regulation under the terms of the FSMA, and any money held by such an Affiliate on your (or, where applicable, your principal's or principals') behalf may be treated differently to how it would be treated if it were held by an authorised person who is subject to regulation under the terms of the FSMA.

13 EVENTS OF DEFAULT

13.1 On or at any time after the occurrence of any of the following events (each an "Event of Default"):

13.1.1 you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) fail to pay any amount due and owing, or fail to deliver when due any property in respect of any transaction with J.P. Morgan or any Affiliate; or

13.1.2 you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) otherwise default in the due performance and observance of any other provision of these Terms; or

13.1.3 any representation or warranty made by you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) being incorrect, untrue, or ceasing to be true in any material respect at any time, or you (or, where applicable, your principal or principals) fail to comply with any undertaking made by you (or, where applicable, your principal or principals) under these Terms; or

13.1.4 you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) fail to comply with the rules and/or regulations of any Exchange, OTC market, Clearing System, applicable regulation or law, or you (or, where applicable, your principal or principals) are suspended from membership of, or participating in, any Exchange, over-the-counter market or Clearing System; or

13.1.5 any material adverse change in your (or, where you are acting as agent on behalf of a principal or principals, your principal's or principals') financial condition or business occurs which, in our opinion, may jeopardise our position in relation to any transaction entered into with you (or, where applicable, your principal or principals); or

13.1.6 you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) become insolvent or unable to pay your (or, where applicable, your principal's or principals') debts as they become due, or make a general assignment, arrangement or composition with or for the benefit of creditors, or become the subject of insolvency, bankruptcy or similar proceedings, or a petition is presented for your (or, where applicable, your principal's or principals') winding up or liquidation or a trustee, receiver or manager is appointed over all or substantially all of your (or, where applicable, your principal's or principals') assets; or

13.1.7 you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) lose the regulatory authorisations and/or licences which are necessary for you (or, where applicable, your principal or principals) to lawfully perform your (or, where applicable, your principal's or principals') obligations under these Terms; or

13.1.8 where you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) are acting as a trustee, you (or, where applicable, your principal or principals) cease to act as trustee of the relevant trust or you (or, where applicable, your principal or principals) lose your (or, where applicable, your principal's or principals') trustee indemnity; or

13.1.9 where you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) are a natural person, you (or, where applicable, your principal or principals) die or become of unsound mind;

We may:

13.1.10 terminate these Terms, with immediate effect upon written notice to you, whereupon any amount or other obligations owed by you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) to J.P. Morgan and/or any Affiliate under these Terms shall become immediately due and payable and due for performance; and/or

13.1.11 terminate these Terms in relation to any J.P. Morgan entity or entities with immediate effect upon written notice to you, whereupon any amount or other obligations owed by you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) to that J.P. Morgan entity (or those J.P. Morgan entities), and/or an Affiliate in respect of services provided to you by that J.P. Morgan entity, under these Terms shall become immediately due and payable and due for performance but these Terms will remain in force between you (or, where applicable, your principal or principals) and each other J.P. Morgan entity and references in these Terms to "J.P. Morgan" and "we" shall be construed accordingly; and/or

13.1.12 terminate with immediate effect any outstanding transaction(s) entered into between J.P. Morgan and you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) under these Terms as we shall determine and notify you of such termination as soon as reasonably practicable, whereupon any amount or other obligations owed by you (or, where applicable, your principal or principals) to J.P. Morgan and/or any Affiliate in respect of that transaction or those transaction(s) shall become immediately due and payable and due for performance but these Terms will remain in force between us in respect of all other transactions; and/or

13.1.13 without prejudice to any of our other rights, exercise any of our powers pursuant to Clauses 15, 16 and/or 17 below.

13.2 Where you are subject to a system of law that does not permit termination to take place after the occurrence of an Event of Default, (a) we shall not be required to serve you with notice of termination; and (b) termination of these Terms shall be deemed to have occurred as of the time immediately preceding the Event of Default ("**Automatic Early Termination Event**").

13.3 Where in relation to any transaction carried out pursuant to these Terms you are acting as agent for any principal or principals, any Event of Default and/or an Automatic Early Termination Event in relation to you shall constitute an Event of Default in respect of that principal or principals on whose behalf you are acting as agent, unless otherwise determined by us.

13.4 If an Event of Default and/or an Automatic Early Termination Event occurs in relation to you (or, where relevant, your principal or principals), you shall immediately give written notice thereof to us, specifying the relevant Event of Default and/or Automatic Early Termination Event. Neither the existence nor non-existence of such notification by you shall prejudice the rights and remedies available to us under these Terms or Applicable Law.

13.5 Where an Event of Default and/or an Automatic Early Termination Event occurs in relation to a principal or principals on whose behalf you are acting as agent, these Terms can be terminated by us in relation to such principal(s) under Clause 13.1 without affecting the continuation of these Terms in relation to you and any other party on whose behalf you act.

13.6 If any person (a "**Guarantor**") has provided J.P. Morgan any form of financial or performance guarantee or surety or collateral in respect of your (or, where relevant, your principal's or principals') obligations under these Terms, then it shall also be an Event of Default if any of the events set out in Clause 13.1 occur in relation to the Guarantor, unless otherwise determined by us.

13.7 If a J.P. Morgan entity admits in writing that it is unable to pay its debts as they fall due, or a receiver, administrator (whether out of court or otherwise), administrative receiver, liquidator, trustee or analogous officer is appointed over it or over all or any material part of its property, or there is a declaration of a moratorium in respect of its indebtedness (other than where any of the foregoing events are pursuant to or in connection with a consolidation, reorganisation, amalgamation or merger or any analogous event to any of the foregoing events in this parenthesis), you shall be entitled upon written notice to such J.P. Morgan entity to terminate these Terms in relation to that J.P. Morgan entity with immediate effect upon written notice to that J.P. Morgan entity, whereupon you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) may treat the outstanding transactions between you (or, where applicable, your principal or principals) and that J.P. Morgan entity under these Terms (but, for the avoidance of doubt, not including any transactions between you and that J.P. Morgan entity under a Product Contract) as cancelled and terminated and/or set-off and/or net the positions and liabilities between you (or, where applicable, your principal or principals) and that J.P. Morgan entity in respect of such outstanding transactions, but these Terms will remain in force between you (or, where applicable, your principal or principals) and each other J.P. Morgan entity and references in these Terms to "J.P. Morgan" and "we" shall be construed accordingly. For the purposes of you exercising any set-off or netting right under this Clause 13.7, where you (or, where applicable, your principal or principals) or the relevant J.P. Morgan entity are under an obligation to deliver securities in respect of a transaction under these Terms, any such obligations shall constitute an amount equal to the purchase price of the relevant securities in the market as shall be reasonable in the circumstances.

13.8 Any termination under this Clause 13 will not affect any provision of these Terms intended to survive termination including, without limitation, Clauses 8.15, 10, this Clause 13, Clauses 15, 16, 17, 18, 19, 20.3, 20.7, 21, 24, 27, 28, 29, 30, 31, 32, 33, 34, 35 and 36.

14 TERMINATION ON NOTICE

14.1 J.P. Morgan may, by sending you a notice in writing under these Terms: (a) terminate these Terms; and/or (b) terminate these Terms in relation to any J.P. Morgan entity or entities, whereupon these Terms will remain in force between you (or, where applicable, your principal or principals) and each other J.P. Morgan entity and references in these Terms to "J.P. Morgan", "we", "us" and "our" shall be construed accordingly.

14.2 Any termination given by us may take effect immediately or on such later date as the notice may specify.

14.3 You may also terminate these Terms by giving notice in writing of termination, which will take effect 10 Business Days after the date on which we receive such notice.

14.4 Upon termination under either Clauses 14.1 or 14.3, both we and you (or, where applicable, your principal or principals) will honour and fulfil any transaction(s) entered into under these Terms that are agreed to but not settled before the date of any such termination.

14.5 Where under these Terms you are acting as agent on behalf of more than one other party, we may terminate these Terms in relation to any such other party pursuant to this Clause 14 without affecting the continuation of these Terms in relation to you and any other party on whose behalf you act.

14.6 Upon termination subject to final discharge of all obligations owed by you (or, where applicable, your principal or principals) to us, your account will be transferred or otherwise administered in accordance with your instructions.

14.7 Any termination effected by either party under this Clause 14 will not affect accrued rights under these Terms or in respect of any transaction(s) entered into under these Terms, or any provision of these Terms intended to survive termination, including, without limitation, Clauses 8.15, 10, 13, this Clause 14, Clauses 15, 16, 17, 18, 19, 20.3, 20.7, 21, 24, 27, 28, 29, 30, 31, 32, 33, 34, 35 and 36.

15 CLOSE OUT

15.1 If any of the Events of Default set out in Clause 13.1 occurs, we may, with immediate effect or as soon as practicable, in our sole discretion and without notice, and without prejudice to any of our rights, whether under these Terms or otherwise:

15.1.1 treat any or all outstanding transactions or matching transactions under these Terms as cancelled and terminated; and/or

15.1.2 cancel, close out, terminate and/or reverse all or any transaction(s) or open positions under these Terms, and, or alternatively, take any other action which we consider necessary or appropriate to cover (including to hedge, open new positions or otherwise risk manage our positions and/or cover our expenses), reduce or prevent our loss or otherwise recover any amount owed by you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) to J.P. Morgan or any Affiliate under these Terms; and/or

15.1.3 set-off and/or net any or all positions and liabilities between J.P. Morgan and you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) under these Terms, including the values upon close out, termination or reversing of transactions or open positions.

15.2 Where an Event of Default is an Automatic Early Termination Event under Clause 13.2, the close-out provisions under Clause 15.1 shall occur automatically.

15.3 For the purposes of valuing any positions or transactions in respect of our rights above and under Clause 13.1 we may, without limitation, take into account such factors as we deem relevant including, but without limitation, reasonable transaction costs, fees, commissions and expenses which would be incurred in connection with a purchase, sale or realisation of an investment and/or traded product.

15.4 For the purpose of selling or realising any investment and/or traded product which we are holding or are entitled to receive on your (or, where you are acting as agent on behalf of a principal or principals, your principal's or principals') behalf, if we so request at any time, you shall promptly execute and sign all such transfers, assignments, further assurances, powers of attorney or other

documents and do all such other acts and things (or, where you are acting as agent for any principal or principals, and have no authority to do so yourself, you shall use best endeavours to procure the same from that principal or principals) as may reasonably be required to sell, dispose of or realise the investment or for the exercise by us of all or any of the powers, authorities and discretions conferred on us by these Terms.

16 LIEN, CHARGE AND SET-OFF

16.1 Without prejudice and in addition to any general lien, right of set-off or other similar rights which we may have, by law or otherwise, over any of your (and, where you are acting as agent on behalf of a principal or principals, your principal's or principals') investments, monies or other property, your (or, where applicable, your principal's or principals') investments, monies or other property shall be subject to a general lien in favour of J.P. Morgan and its Affiliates, insofar as there remains any outstanding amount owed by you (or, where applicable, your principal or principals) to J.P. Morgan or any Affiliate under these Terms.

16.2 Your (or, where applicable, your principal's or principals') investments, monies or other property shall be subject to a charge in favour of J.P. Morgan and its Affiliates as continuing security for the payment and discharge of any obligation, whether present or future, actual or contingent owed by you (or, where applicable, your principal or principals) to J.P. Morgan or any Affiliate under these Terms. Where you are acting under these Terms as agent on behalf of a principal or principals, the charge over the investments, monies or other property of that principal or those principals shall act as continuing security only for the payment and discharge of any obligation, whether present or future, actual or contingent owed by that principal or those principals to J.P. Morgan or any Affiliate.

16.3 If at any time during the course of or following the termination of these Terms any amount or other obligation is owed by you (or, where applicable, your principal or principals) to us under these Terms, we may set-off any such amount or obligation against, or retain or make deductions from, any amount or other obligation which we, or any Affiliate, owe to you (or, where applicable, your principal or principals) or are holding including in any of the following ways under these Terms:

16.3.1 in accordance with the rules and/or regulations of any applicable Exchange or Clearing System;

16.3.2 by debiting any account or accounts of yours (or, where applicable, your principal or principals) with us and/or with any Affiliate;

16.3.3 in any other manner which we deem appropriate and in accordance with the law; and

16.3.4 in addition we shall have the right at any time without notice to combine and/or consolidate all or any of your (or, where applicable, your principal's or principals') accounts held by any Affiliate, any nominee or trustee for an Affiliate, and/or us.

16.4 Where you (or, where applicable, your principal or principals) or we or an Affiliate are under an obligation to deliver securities, for the purposes of J.P. Morgan exercising any termination, close out, netting or set-off rights under these Terms, any such obligations shall constitute an amount equal to the purchase price of the relevant securities in the market (as determined by us in our sole discretion).

16.5 J.P. Morgan will not be obliged to exercise any power of sale under these Terms in place of exercising any right of set-off.

16.6 Where we exercise any right of set-off against a principal on whose behalf you are acting as agent, we shall only exercise such right of set-off against the property of the relevant principal and, for the avoidance of doubt, we will not exercise any such rights against the property of any other principal on whose behalf you are acting as agent. In respect of a principal that is a trustee, corporation or other person or

group of persons formed as a collective investment scheme having an "umbrella" structure, we will only have recourse against those assets attributable to the relevant sub-fund of the umbrella in respect of which you have effected a transaction under these Terms and we will not have recourse against any other assets of that umbrella that have been allocated to any other sub-fund of such umbrella notwithstanding that it is at law a single legal entity.

17 POWER OF SALE

17.1 You (or, where applicable, any principal or principals on whose behalf you are acting) hereby irrevocably authorise us at any time after the occurrence of an Event of Default, if any amount or other obligation owed to us and/or any Affiliate(s) from you (or, where applicable, your principal or principals) under these Terms has not been paid or performed when due, to sell, dispose of or realise any investment, traded product or other property which we are holding or are entitled to receive on your (or, where applicable, your principal's or principals') behalf, without responsibility for any loss or diminution, in order to realise funds to satisfy any amount or obligation (including, without limitation, our expenses and/or any costs incurred as a result of any buy-in) owed by you (or, where applicable, your principal or principals) to J.P. Morgan or any Affiliate.

17.2 At any time after the occurrence of an Event of Default, we shall have the right to appropriate all or part of any investment, traded product or other property which we are holding or are entitled to receive on your (or, where applicable, your principal's or principals') behalf, without responsibility for any loss or diminution, towards satisfying any amount or obligation owed by you (or, where applicable, your principal or principals) to J.P. Morgan and/or any Affiliate(s).

18 EXCLUSION, RESTRICTION OF LIABILITY AND INDEMNITY

18.1 Subject to Clause 18.4 below, none of us nor any Affiliate, nor any of our or their respective directors, officers or employees shall be liable for any loss suffered by you (or, as applicable, your principal or principals) under or in connection with these Terms unless caused by its own gross negligence, wilful default or fraud.

18.2 Subject to Clause 18.4 below, you (or, where applicable, any principal or principals on whose behalf you are acting) will indemnify us and/or each Affiliate and each of our and/or its respective directors, officers or employees against any costs, loss, liability or expense whatsoever which may be suffered or incurred by us and/or any of them directly or indirectly in connection with or as a result of any service performed or action permitted under these Terms (including, for the avoidance of doubt, the occurrence of any of the events set out in Clause 13.1), unless caused by the gross negligence, wilful default or fraud of the person claiming indemnity under this Clause 18.2.

18.3 Subject to Clause 18.4 below, in no event shall we or any Affiliate, or any of our or their respective directors, officers or employees be liable to you (or, where applicable, any principal or principals on whose behalf you are acting) for any consequential, indirect, punitive, special or incidental damages, liabilities, claims, losses, expenses, awards, proceedings or costs howsoever caused.

18.4 Nothing in these Terms will exclude or restrict any liability for fraud or any duty or liability we may have to you under the Rules or Regulations which may not be excluded or restricted thereunder, or require you to indemnify or compensate us to any extent prohibited by the Rules or Regulations.

18.5 Although our conduct in the performance of our duties under these Terms is subject to Applicable Law, you agree that a breach of Applicable Law shall not of itself constitute a cause of action for you under these Terms, even where these Terms describe our obligations under Applicable Law.

20.4

19 PROVISION OF FINANCIAL AND OTHER INFORMATION

You also authorise us to disclose information to your investment manager, investment adviser, auditors, administrators, other advisers or agents as they may from time to time request, and to disclose such information to third parties (including but not limited to investors) at the direction of your investment manager, investment adviser, administrator and other advisers or agents. We shall not be liable to you for any costs, expenses, losses, damages, liabilities, demands, charges, actions and claims of any kind or nature whatsoever, howsoever caused, resulting from any such disclosure following the request of your investment manager, investment adviser, auditors, administrators, other advisers or agents.

20.3.1 all JPM Data provided to you directly or indirectly, and any Intellectual Property Rights in those JPM Data;

20.3.2 all data derived from JPM Data and any Intellectual Property Rights in those derived data, to the extent that any underlying JPM Data can reasonably be ascertained or re-compiled from those derived data;

20.3.3 all Intellectual Property Rights in each JPM Index; and

20.3.4 subject to Clause 20.3.2, any modifications you make to any JPM Data (except if you combine or aggregate that data with other data not provided to you by J.P. Morgan ("Third Party Data"),

This clause 20.3 shall not apply to any Third Party Data you provide to J.P. Morgan, unless you and J.P. Morgan agree otherwise in writing.

20.4 J.P. Morgan shall provide to you:

20.4.1 any JPM Data it is required to provide to you by Applicable Law; and

20.4.2 at J.P. Morgan's sole discretion, any JPM Data that you reasonably request, provided J.P. Morgan is not prevented from doing so by either: (i) Applicable Law; or (ii) by its licensors, solely for the purposes set out in Clause 20.6.

20.5 You shall not download, use, modify, license or transfer any JPM Data provided to you (or the Intellectual Property Rights in that JPM Data) to any other person or entity other than in accordance with the licence at Clause 20.6, without the prior written consent of J.P. Morgan.

20.6 J.P. Morgan hereby grants you a royalty free, non-exclusive, non-transferable, non-sub-licensable and revocable worldwide licence to download, use and modify any JPM Data provided under Clause 20.4 solely for the purpose of:

20.6.1 fulfilling your legal obligations in accordance with Applicable Law; and

20.6.2 your internal business purposes to the extent they relate to the services provided under Clause 3.1 of these Terms, but not for commercialisation or for provision to third parties (including, with respect to JPM Index Data, your affiliates) for any reason without J.P. Morgan's written consent except in accordance with Clause 20.6.1.

20.7 J.P. Morgan makes no representation, warranty or undertaking (express or implied), and accepts no responsibility or liability for the adequacy, accuracy or completeness of any JPM Data it provides to you. You agree that you use any JPM Data that J.P. Morgan provides at your own risk and acknowledge that it is your responsibility to carry out any checks or verification necessary to ensure the data meets your requirements.

20.8 You agree that you shall, upon J.P. Morgan's request, provide J.P. Morgan with all necessary data or information that it may require and consent to J.P. Morgan recording and retaining that data, solely for the purposes of J.P. Morgan fulfilling its obligations, or exercising its rights, under these Terms and complying with its obligations under Applicable Law.

21 DATA PRIVACY

21.1 For the purposes of this Clause 21, the terms "controller", "processor", "data subject", "personal data", "processing", and "supervisory authority" shall have the meaning given in the General Data Protection Regulation.

21.2 You and we agree that J.P. Morgan and you are each a data controller with respect to the personal data used in the course of providing the services contemplated by these Terms.

21.3 J.P. Morgan will use personal data for the following purposes and may share personal data for these purposes within J.P. Morgan's group of companies, with any of its Affiliates, service providers, attorneys, auditors, agents, insurers, brokers and any financial institution or intermediary with which we may have dealings, any party that may have an economic interest in any of J.P. Morgan's rights or obligations, any governmental or regulatory or similar authority or industry body, a court or tribunal of competent jurisdiction, and entities that are financial market infrastructure entities or Trading Venues, in all cases in any country in which any of the foregoing conduct business or otherwise reside or operate. This may include some countries which do not provide the same protections for personal data as apply in the country where it was collected:

21.3.5 compliance and assistance, as required, with regulatory, governmental and law enforcement investigations and examinations, handling complaints and managing legal matters and litigation and other legal processes;

21.3.6 assisting other financial institutions or financial intermediaries to conduct credit checks and collect debts;

21.3.7 assisting any actual or proposed assignee, transferee, participant or sub-participant of any of J.P. Morgan's rights or obligations (or of our participations or interests in any credit) to conduct due diligence or verification on you and any related third parties (including its guarantor(s), security provider(s) or obligor(s)), and/or any individuals connected to such parties;

21.3.8 providing you with information concerning products and services, by email, SMS and telephone, that may be of interest to you, in line with Clause 22, unless you have specifically instructed J.P. Morgan not to do so;

21.3.9 conducting analysis activities (including statistical and behavioural analysis) to enable J.P. Morgan to identify behavioral or market trends and to improve J.P. Morgan's product offerings and business operations; and

21.3.10 fulfilling J.P. Morgan's obligations or exercising J.P. Morgan's rights, under these Terms.

21.4 Further details of J.P. Morgan's processing activities are available at www.jpmorgan.com (as updated from time to time). You agree that you have the right to provide personal data to J.P. Morgan and that you will provide any requisite notice to individuals and ensure that there is a proper legal basis for J.P. Morgan to process the personal data as described in and for the purposes detailed in this Clause 21.4 and in the information located at www.jpmorgan.com.

21.5 Both you and J.P. Morgan will comply with our respective obligations under Applicable Privacy Laws.

22 MARKETING

J.P. Morgan may contact you, and your employees on your behalf, by mail, e-mail, SMS, telephone and any other electronic means to provide information on products and services that J.P. Morgan believes will be of interest to you, unless J.P. Morgan receives a written objection to receiving such information. Anyone who does not wish to receive such communications from J.P. Morgan should contact their usual J.P. Morgan representative.

23 ELECTRONIC SERVICES

J.P. Morgan may make available to you those electronic services which J.P. Morgan has agreed to provide to you from time to time, which may include the provision of direct electronic access to a Trading Venue. The provision of such electronic services shall be subject to these Terms, as well as the enclosed Electronic Services Terms.

24 THIRD PARTY DEPOSITORIES

24.1 Where J.P. Morgan places your (or, where you are acting as agent on behalf of a principal or principals, your principal's or principals') funds, financial instruments or traded products in accounts with third party depositories, such accounts will be subject to the laws of the jurisdiction of such accounts (which may be in a jurisdiction other than the UK), and such depositories may impose a security interest or lien over, or right of set-off in relation to those funds, financial instruments or traded products. Where funds, financial instruments or traded products are held overseas, there may be different legal and regulatory requirements from those applying in the UK and your rights to the funds, financial instruments or traded products may differ from those you would have in the UK. Your rights to your (or, where applicable, your principal's or principals' rights to their) funds, financial instruments or traded products in the event of an insolvency or default may be different (and may be reduced) in the event of an insolvency or default of a depository.

24.2 J.P. Morgan will direct that funds, financial instruments or traded products belonging to you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) that are deposited with a depository are identifiable separately from the assets belonging to J.P. Morgan and from the assets belonging to that depository, by means of differently titled accounts on the books of the depository or other equivalent measures that achieve the same level of protection. Such depository may hold your (or, where applicable, your principal's or principals') assets in an omnibus account. Omnibus accounts are a form of pooling and may contain assets belonging to other persons in addition to your (or, where you are acting as agent on behalf of a principal or principals, your principal's or principals') funds, financial instruments or traded products.

J.P. Morgan is required to complete due diligence with respect to a depository and the arrangements for the holding and safekeeping of funds, financial instruments or traded products by a depository pursuant to and in accordance with Applicable Law. There may nevertheless be a risk that in the event of an insolvency or default of such party, if there is a shortfall in the omnibus account or the assets available to settle all claims, you (or, where applicable, your principal or principals) may not recover all your assets. We refer you to the Schedule of Product and Service Risk Disclosures available at <http://www.jp.morgan.com/disclosures> which describes the effects of funds, financial instruments or traded products being held with third parties in more detail. You should determine whether you wish to access markets and hold assets in jurisdictions where such third parties are located. Details of our sub-custody network are available upon request.

24.3 Where your (or, where applicable, your principal's or principals') assets are held by a third party, J.P. Morgan will not be liable for the acts or omissions of that third party or for any loss or damage you (or, where applicable, your principal or principals) may incur other than as a direct result of gross negligence, wilful default or fraud on our part in the initial selection of the third party depository.

25 MONEY LAUNDERING PREVENTION

We are obliged to comply with Applicable Law, regulations and sanctions concerning money laundering and the financing of terrorism. These laws and regulations require us to deter money launderers from using us as a conduit for their illegal activities, to identify and report suspicious transactions and to keep an audit trail for use in any subsequent investigation into money laundering activities. Our obligations under these laws and regulations override any obligations of confidentiality which may otherwise be owed to you (and, where applicable, your principal or principals). We may be obliged to notify the relevant authorities (including in the United Kingdom, the United States of America and/or other jurisdictions) of any transactions which we may suspect involve the laundering of the proceeds of, or involve the financing of, any criminal activity, regardless of where that crime may have been committed. We shall therefore deal with you (and, where applicable, your principal or principals) on the understanding that you (or, where applicable, your principal or principals) are complying with and will continue to apply all applicable anti-money laundering legislation to which you (or, where applicable, your principal or

principals) may be subject. We may also from time to time seek your written assurance that you have records evidencing that you have identified your clients in accordance with applicable anti-money laundering legislation or request copies of such records from you, as applicable. If at such time you are unable to provide us with such assurance or records, we reserve the right to cease to deal with you without limiting any other rights under these Terms.

26 AMENDMENTS AND ASSIGNMENT

26.1 You agree that we have a right to amend these Terms at any time by sending you either a notice of amendment in writing or a revised Terms of Business. Any amendment will apply in respect of any commitment or transaction entered into by us after notice of the amendment is given, and may take effect either immediately or at such later date as the notice may specify.

26.2 You agree that we may at any time cause all or any part of our rights, benefits and/or obligations under or in connection with these Terms and/or any transaction(s) entered into under these Terms to be transferred to any Affiliate subject to giving you notice thereof.

26.3 Except in respect of de minimis sums transferred in accordance with the Client Money Rules (where your consent is not required), you agree that, we may transfer to another person, as part of a transfer of business to that person, client money balances, provided that:

26.3.1 the sums transferred will be held for you by the person to whom they are transferred in accordance with the Client Money Rules; or

26.3.2 if not held in accordance with Clause 26.3.1, J.P. Morgan will exercise all due skill, care and diligence in assessing whether the person to whom the client money is transferred will apply adequate measures to protect these sums.

For the purposes of this Clause, de minimis sums shall mean £100 or less.

26.4 You (or, as applicable, your principal or principals) may not assign any of your rights, benefits and/or obligations under these Terms or any transaction(s) entered into under these Terms without our prior written consent.

27 ENTIRE AGREEMENT

Subject to Clauses 1.6, 1.7, 8.24, 23 and 26 above, these Terms, and any other Product Contract or document issued by J.P. Morgan in relation to the relevant business or service, constitute the entire terms on which we will conduct the types of business set out in Clause 1.1 with you (or, as applicable, your principal or principals) and no amendment, addition, supplement or other terms of business will have effect unless issued or agreed by J.P. Morgan in writing.

28 INFORMATION SHARING AND CO-OPERATION

28.1 J.P. Morgan may, without notice to you, share information relating to you with any of its Affiliates and you consent to such sharing.

28.2 Without limiting J.P. Morgan's rights under Applicable Law, J.P. Morgan may and you agree that J.P. Morgan may, without notice to you, disclose information relating to you (i) if it considers such disclosure to be required by any court of competent jurisdiction or by Applicable Law, including as set out in Clauses 8.19 and 8.20, or (ii) to any governmental or regulatory or supervisory or self-regulatory body, or (iii) in defence of claims or enforcement of rights, or (iv) to any of J.P. Morgan's or any of its Affiliates' external lawyers, accountants, auditors, insurers and others providing advice and/or other services to J.P. Morgan or the relevant Affiliate, (v) to Data Information Services Providers, issuers, registrars, clearing agents, Exchanges, central counterparties, Clearing Systems, trade repositories, CSDs, depositories, custodians, other agents or service providers or other Trading Venues, execution venues or platforms where disclosure is

considered by J.P. Morgan as necessary or appropriate or (vi) on an anonymised basis, to other third parties.

28.3 You shall provide us with all reasonable assistance and co-operation in connection with any investigation, proceedings or request for information in relation to the provision of services or transactions entered into under these Terms by any relevant regulatory, supervisory, Exchange or self-regulatory body, including but not limited to, co-operating with any dispute resolution mechanisms of, or providing any information or records requested by, such a regulatory, supervisory, Exchange or self-regulatory body.

29 FORCE MAJEURE

It is hereby agreed that neither J.P. Morgan nor any Affiliate shall be liable to you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals), or have any responsibility of any kind for any loss thereby incurred or suffered by you (or, as relevant, your principal or principals), for the non-performance, partial performance or delay in performance of any of its obligations hereunder caused by a "Force Majeure Event", being any reason of any cause beyond the control of J.P. Morgan or any of its Affiliates, including: (a) fire, flood, storm, earthquake or other acts of God, war, hostilities, expropriation, strike, lockout, work to rule or other industrial dispute, terrorist or criminal action, civil unrest, lack of energy supply or embargoes; (b) any unavailability, impairment, breakdown or failure of transmission or communication, data processing or computer facilities, bank or electronic transfer systems, postal or other strikes or similar industrial action; (c) any failure or delay of any relevant Exchange, Clearing System, multilateral trading facility, organised trading facility or custodian through which your transaction is made; (d) the imposition, introduction, amendment or change (including a change in interpretation) of any legislation, regulation, directive, policy, tax treaty, foreign exchange control, limits on the repatriation of currency, rule, trade embargo or foreign investment or ownership rules by any governmental or supranational body, Exchange, regulatory or self-regulatory organisation, CSD or Clearing System or any failure or delay by any of the foregoing in publicising or enforcing or applying the same. Where a Force Majeure Event occurs that prevents or delays the performance by J.P. Morgan and/or any of its Affiliates of any of their obligations under these Terms or a transaction entered into under these Terms: (a) all such obligations shall be suspended for the duration of the Force Majeure Event; and (b) for the avoidance of doubt, any such obligation that would, but for the Force Majeure Event, have fallen due shall not fall due, or be deemed for any purpose to fall due, for the duration of the Force Majeure Event. In no event shall we or any Affiliate have any liability for any consequential, indirect, punitive, special or incidental damages, liabilities, claims, losses, expenses, awards, proceedings or costs howsoever caused.

30 COMMUNICATIONS AND COMPLAINTS

30.1 All communications by you to us will be to the address, fax number or email address, and to the J.P. Morgan entity and department, set out in any further agreement between us in respect of any relevant service or product or, if there is no such agreement or any such agreement is not applicable, to the relevant J.P. The provision of information by means of electronic communications will be considered to be appropriate to the context in which the business between us is conducted where you have regular access to the internet. The provision of an email address by you will be sufficient evidence of such access for these purposes.

30.2 Unless otherwise agreed, communications between us will be taken to be received:

30.2.1 if sent by post, courier or delivered by hand, upon receipt; and

30.2.2 if sent by fax, at the time shown in a transmission report that indicates that the whole fax was sent; and

30.4 We maintain complaints management policies and procedures for handling client complaints that we receive. Details of who to contact in the event of a complaint as well as the process we follow when handling a complaint can be found on our website: <http://www.jpmorgan.com/disclosures>.

31 LANGUAGE

These Terms are supplied to you in English, and we will continue to communicate with you, and you shall communicate with us, in English.

32 GOVERNING LAW AND DISPUTE RESOLUTION

32.1 Application of English law: Subject to Clauses 1.3 and 1.4, these Terms, any agreement to which these Terms relate, any agreement or transaction executed in connection with any services provided to you (or, where you are acting as agent on behalf of a principal or principals, your principal or principals) under these Terms by J.P. Morgan or any Affiliate and the whole of our relationship (including, without limitation, (1) any contractual, pre-contractual or non-contractual rights, obligations or liabilities arising in any way out of, in relation to or in connection with our relationship, and (2) any issue as to the existence, validity or termination of these Terms or any related or connected agreement) will be governed solely by, and construed solely in accordance with, English law.

in connection with our relationship, and (2) any issue as to the existence, validity or termination of these Terms or any related or connected agreement) (a "Dispute") shall be referred to and finally resolved by arbitration under the Arbitration Rules (the "LCIA Rules") of the London Court of International Arbitration ("LCIA"), which are deemed to be incorporated by reference into this Clause 32.2. The arbitral tribunal shall consist of three arbitrators. The seat of arbitration shall be London, England. The language of the arbitration shall be English. In this connection, we and you (and, where applicable, your principal or principals) waive any right of application to determine a preliminary point of law under Section 45 of the Arbitration Act 1996.

32.3 You represent and warrant to J.P. Morgan that, if J.P. Morgan becomes a third-country firm providing services in accordance with Article 46 of MiFIR and you are established in the European Union, you shall treat the offer and any election in the letter countersigned by you in respect of Article 46 of MiFIR (the "MiFIR Election Letter") as valid and binding on you, and you will not contend in any court or other tribunal in any jurisdiction that you have a right to have disputes determined other than in accordance with this Clause 32.

32.4 Service of process: You (and, where applicable, your principal or principals) agree that, without prejudice to any mode of service allowed under any relevant law, any document relating to any arbitration or court proceedings may be served on you (and/or, where applicable, your principal or principals) by any of the methods of communication set out at Clause 30. You (and, where applicable, your principal or principals) further agree that we may serve any documents required to be served on you (or, where applicable, your principal or principals) in relation to any Dispute at any address in England where you (or, where applicable, your principal or principals) or any company within the same group of companies of which you (or, where applicable, your principal or principals) are a member have a place of business and that this will constitute effective service. 33 WAIVER OF IMMUNITY

You (and, where applicable, your principal or principals) irrevocably waive, to the fullest extent permitted by any law, with respect to you (and, where applicable, any principal or principals on whose behalf you are acting) and your (and/or, where applicable, your principal's or principals') revenues and assets (irrespective of their use or intended use), all sovereign or other immunities and privileges to which you (and/or, where applicable, your principal or principals) or your (and/or, where applicable, your principal's or principals') revenues or assets might otherwise be entitled in the courts of any jurisdiction in any suit, action or proceeding relating to any Dispute (including, without limitation, immunity from (i) suit and legal process, (ii) jurisdiction of any court, (iii) relief by way of injunction or order for specific performance or recovery of property, (iv) attachment or seizure of your (and/or, where applicable, your principal's or principals') assets whether before or after judgement, and (v) execution or enforcement of any judgment or award by any means). You (and, where applicable, your principal or principals) consent to the grant of such relief in any form and irrevocably agree that you (and/or, where applicable, any of your principal or principals) will not claim any such immunity or privilege in any suit, action or proceeding relating to any Dispute.

34 NO FIDUCIARY DUTY

Neither the relationship between J.P. Morgan and you (or, where applicable, any principal or principals on whose behalf you are acting), nor the services to be provided by J.P. Morgan to you (or, where applicable, your principal or principals) under these Terms, nor any other matter, shall give rise to any fiduciary or equitable duties on J.P. Morgan's part which would oblige it to accept responsibilities more extensive than expressly stated in these Terms.

35 RIGHTS OF THIRD PARTIES

35.1 Any Affiliate may enforce and rely on any provision of these Terms conferring a benefit on it to the same extent as if it were a party to these Terms or any transactions hereunder.

35.2 Save as aforesaid, a person who is not a party to these Terms has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any provision of these Terms.

36 NO WAIVER

Failure to exercise or a delay in exercising a right or remedy under these Terms or by law, by us, does not constitute a waiver of the right or remedy or a waiver of other rights or remedies. Morgan thereto (collectively, the “**Terms**”) which govern all designated investment business (as defined under the FCA Handbook and PRA Rulebook, as applicable) and business in relation to other traded products (excluding deposits) which is transacted with or for you by J.P. Morgan. Unless otherwise stated, the following additional provisions shall also govern all Asian Transactions. In the event of any inconsistency between the Terms and this Asian Addition, this Asian Addition shall prevail with respect to the Asian Transactions.

1. DEFINITIONS

Capitalised terms used in this Asian Addition shall have the same meanings as defined in the Terms, unless indicated otherwise.

2. AMENDMENT OF TERMS

2.1 Clause 8.7 of the Terms shall be deleted and replaced in its entirety with the following:

“8.7 Short Positions

Unless you inform us otherwise, all instructions to sell investments are accepted by J.P. Morgan on the understanding that you (or, where applicable, your principal or principals) own the relevant investments. At the time of providing an instruction to J.P. Morgan to enter into transactions on your (or, where applicable, your principal's or principals') behalf, you must inform J.P. Morgan if the instruction requires J.P. Morgan to sell on your (or, where applicable, your principal's or principals') behalf investments which you do not own at the time, and (without prejudice to Clause 7.3) J.P. Morgan shall have the right in its sole discretion to refuse to accept any such instruction.

You (or, where applicable, your principal or principals) must not instruct J.P. Morgan to sell shares on The Stock Exchange of Hong Kong Limited (the “Hong Kong Stock Exchange”) unless at the time of the order, you (or, where applicable, your principal or principal) either (i) own the shares that are the subject of the sell order, or (ii) have already exercised an American Depositary Receipt (“ADR”), Tracker Fund of Hong Kong (“TraHK”) unit, physically-settled share call option or other similar instrument convertible into the shares to be delivered to the purchaser. To notify J.P. Morgan of the contrary, you (or, where applicable, your principal or principals) must in respect of any short selling order confirm in writing to J.P. Morgan at the time of placing the order that the sale is a “covered short sale” or “short sale” which means in respect of the relevant order that:

- (i) the order is a short sale order;
- (ii) you (or, where applicable, your principal or principals) have a presently exercisable and unconditional right to vest the securities to which the order relates in the purchaser of such securities; and
- (iii) to the extent that you (or, where applicable, your principal or principals) have borrowed the securities or obtained a confirmation from the lender that it has the securities available to lend, the lender has the securities available to lend to J.P. Morgan.

Further detail on short sales on the Hong Kong Stock Exchange is available at <http://www.jpmorgan.com/disclosures> (which is relevant when you trade the Hong Kong market electronically).

We may establish short positions on your (or, where applicable, your principal's or principals') behalf, that is to say sell on your (or, where applicable, your principal's or principals') behalf investments which you (or, where applicable, your principal or principals) do not own at the time, leaving you (or, where applicable, your principal or principals) with an open exposure related to any increase in the price of those

investments before settlement. We may cover your (or, where applicable, your principal's or principals') settlement obligations by borrowing for you (or, where applicable, your principal or principals) the relevant investments. We may require you to sign appropriate documentation covering such borrowing.

You (or, where applicable, your principal or principals) acknowledge that restrictions or disclosure obligations may exist or be imposed

from time to time under Applicable Law in relation to transactions in investments that J.P. Morgan enters into on your (or, where applicable, your principal's or principals') behalf. J.P. Morgan (without prejudice to Clause 7.3) reserves the right to refuse to accept any instruction where it considers in its sole discretion that accepting such instruction may cause it to breach Applicable Law (whether or not you have informed us as to whether or not you (or, where applicable, your principal or principals) own the investments in question).”

2.2 Clause 8.9 of the Terms shall be deleted and replaced in its entirety with the following:

“8.9 Programme Trading

All expenses (including but not limited to levies, fees, duties and taxes) arising out of or in performance of any of J.P. Morgan's duties under these Terms, shall be reimbursed by you (or, where applicable, your principal or principals) to J.P. Morgan. Where value added tax, services tax, goods and services tax or any analogous tax (each “VAT”) is due on our charges (including any expenses) payable by you (or, where applicable, your principal or principals) to J.P. Morgan, you (or, where applicable, your principal or principals) shall be responsible for such VAT and shall pay such VAT to the relevant tax authorities or

J.P. Morgan as required by Applicable Law. J.P. (i) Clause 1.1 of the Terms shall be deleted and replaced in its entirety as follows:

"1.1 These Terms of Business and any supplements or notices issued by J.P. Morgan (as defined below) thereto (collectively, the "Terms") govern all dealings in financial products and the provision of all financial services (as defined by the Corporations Act 2001 (Cth) ("Corporations Act")) which are dealt with or for you by J.P. Morgan, being dealings in financial products or financial services for which J.P. Morgan is or becomes authorised. References to "we/us/our" or "J.P. Morgan" are to J.P. Morgan Securities Australia Ltd. "Affiliates" means, whether in Australia or otherwise, direct or indirect subsidiaries of J.P. Morgan and the direct or indirect subsidiaries of J.P. Morgan's direct or indirect holding companies from time to time, any entity directly or indirectly controlled by J.P. Morgan and any entity directly or indirectly under common control with J.P. Morgan and any other connected or associated person, whether or not any such subsidiary, holding company, entity or person exists as at the date at which you accept these Terms or is established or acquired after such date. References to "you" and "your" under these Terms are to you alone except as expressly provided otherwise in a specific context."

"1.3 These Terms supersede any terms of business for trading with J.P. Morgan that may have been previously sent to you by J.P. Morgan (or its Affiliates) (as they may have been amended from time to time by any one or more of such J.P. Morgan entities) or received from you. Transactions entered into under any terms of business which are superseded by these Terms shall be deemed, with effect from your acceptance of these Terms, as transactions entered into under these Terms. Without limiting the application of these Terms to transactions entered into, or deemed to be entered into, under these Terms, these Terms are without prejudice to and shall not supersede or amend any other contract(s) entered into by you and J.P. Morgan (whether prior to or after our dispatch of these Terms to you) (each a "Product Contract") including, without limitation, any contract(s) relating to specific, or specific types of, products, services or transactions. In the event of any conflict between any Product Contract(s) and these Terms, the provisions of the Product Contract(s) shall prevail."

(iii) The definition of Applicable Law under clause 1.4 of the Terms shall be amended to read as follows:

"**Applicable Law** means (a) any applicable law contained in or made under the Corporations Act or any other statutes and regulations of Australia; (b) any laws and regulations of any other jurisdiction applicable to the provision of services to you by J.P. Morgan under, or in connection with, these Terms; and (c) any other applicable principle, rule, guidance, decision, determination, ruling, article, by-law, procedure, usage and custom of ASIC, the Australian Securities Exchange or other relevant regulatory body, Exchange, Clearing System, CSD or organised market applicable to the provision of services to you by J.P. Morgan under, or in connection with, these Terms, (as amended from time to time)."

(iv) Clause 1.5 of the Terms shall be deleted and replaced in its entirety as follows:

"1.5 Any capitalised terms which are not defined herein shall be deemed to be defined in accordance with Applicable Law. Clause headings shall be disregarded in the interpretation of these Terms. "Clearing System" means any person (or any system or platform operated by such person) providing settlement, clearing or similar services, whether or not as part of an Exchange including, without limitation, any central counterparty; "CSD" means any trans-national or local securities depository, book entry system or other person that provides handling, clearing, settlement or safekeeping services in which J.P. Morgan participates as a customer or member, including Austraclear; "Exchange" means any exchange, multilateral trading facility, market, automated trading system, organised trading facility or platform or association of dealers in any part of the world on or through which securities, commodities or currencies or assets underlying, derived from or otherwise related directly or indirectly to the same are bought and sold; and "Intellectual Property Rights" means all patents, copyright and related rights, trade secrets, trademarks, trade names, domain names, design rights, database rights, applications, rights in get-up, topography rights and all other intellectual property or proprietary rights of a similar nature and having a similar effect in each case whether or not registered or capable of registration and subsisting in any part of the world."

(v) Clause 1.6 and 1.7 of the Terms shall be deleted in their entirety.

(c) Clause 2 of the Terms shall be amended as follows:

(i) Clause 2.1 of the Terms shall be deleted and replaced in its entirety as follows:

"2.1 You represent and warrant to J.P. Morgan that you are, and J.P. Morgan shall be entitled to treat you as, a "wholesale client" within the meaning of Section 761G of the Corporations Act 2001 (the "Corporations Act"). J.P. Morgan is providing financial services to you on the basis that you are a wholesale client. You are responsible for notifying J.P. Morgan immediately if, at any point of time, you consider you would no longer fall within the definition of this term. You undertake to provide to J.P. Morgan any information, documents or certificates

requested by J.P. Morgan for the purposes of confirming the accuracy of your representation contained in this Clause 2.

Where you act as agent, you shall be taken to give the representations, warranties and undertakings (as applicable) in:

- (a) the preceding paragraph both in your own right and as agent for the relevant principal(s); and
- (b) the remainder of Clause 4.2 of the Terms, in your own right."

(ii) Clause 2.2 of the Terms shall be deleted and replaced in their entirety as follows:

"2.2 We would also advise you that, to the extent you request re-categorisation so that you are given retail client status or if we are required to reclassify you as a retail client due to a change in your status, we regret that we will not be able to continue to provide you with services hereunder, but, if appropriate, we may refer you to our private banking Affiliate(s) for further assistance."

(e) Clause 4.1 of the Terms shall be amended as follows:

(i) Clause 4.1.2 of the Terms shall be deleted in its entirety.

(ii) Clause 4.1.7 of the Terms shall be deleted and replaced in its entirety as follows:

"4.1.7 You have obtained and are in compliance with the terms of all authorisations, consents and approvals of any government or other regulatory body necessary to enable you to conduct all transactions under these Terms, and you shall provide us with copies of such consents or approvals as we may reasonably require and promptly notify us of any change in your regulatory status, licences, authorisations or consents;

(iii) Clause 4.1.8 of the Terms shall be deleted in its entirety.

(iv) Clauses 4.1.17, 4.1.18, 4.1.19, 4.1.20 and 4.1.21 of the Terms shall be deleted in their entirety.

(v) adding a new Clause 4.1.17 as follows

"4.1.17 On those occasions where you place instructions with J.P. Morgan to buy and sell the same financial product, the execution of those instructions will result in there being a change in the beneficial ownership of the financial product and you will promptly provide written confirmation to J.P. Morgan of a change in beneficial ownership in respect of the relevant financial product when requested to do so by J.P. Morgan."

(f) Clause 5 of the Terms shall be amended as follows:

(i) Clause 5.1 of the Terms shall be deleted and replaced in its entirety as follows:

"5.1 Please be aware that there are certain risks involved in entering into transactions in financial instruments. You should not deal in these products unless you understand

their nature and the extent of exposure to risk that you will incur."

(ii) Clause 5.2 and 5.3 of the Terms shall be deleted in their entirety.

(g) Clause 6 of the Terms shall be amended as follows:

(i) Clause 6.2 of the Terms shall be deleted and replaced in its entirety with the following:

"6.2 J.P. Morgan may retain such records for whatever period may be required as a matter of its internal policies and/or Applicable Law."

(ii) Clause 6.3 of the Terms shall be deleted in its entirety;

(h) Clause 7.3 of the Terms shall be deleted and replaced in its entirety as follows:

"7.3 We shall not be under any obligation to enter into any particular dealing in financial products, or to accept and act in accordance with any instruction. We may, in our absolute discretion and (if this is a "consumer contract or small business contract" for the purposes of Subdivision BA of Division 2 of Part 2 of the Australian Securities and Investments Commission Act 2001 (Cth) ("**Unfair Contracts Provisions**") provided the exercise of such discretion is not "unfair" as defined in the Unfair Contracts Provisions), refuse to accept or execute any instruction from you. You acknowledge that we are not required under the Applicable Laws to act on any instruction, where to do so would constitute a breach of the Applicable Laws. We will give notice of any refusal to act as soon as practicable but we shall not be liable for any loss whatsoever arising out of or in connection with our refusal.

You acknowledge that, in accordance with the Applicable Laws, notwithstanding that J.P. Morgan may act in accordance with any instruction received from you (or on your behalf), any Options Market Transaction (as defined in the ASIC Market Integrity Rules (ASX Market) 2010) arising from any order submitted to the relevant financial market by J.P. Morgan or registered with the relevant clearing facility (in its capacity as either trading participant or clearing participant) is entered into or registered by J.P. Morgan as principal.

You acknowledge that J.P. Morgan (in its capacity as clearing participant of a financial market) may obtain benefits, rights or other legal results upon registration of an Options Market Transaction (as defined in the ASIC Market Integrity Rules (ASX Market) 2010) with the clearing facility of the financial market and that those benefits, rights and other legal results may not pass to you."

(i) Clause 8 of the Terms shall be amended as follows:

(i) Clause 8.1 of the Terms shall be deleted and replaced in its entirety as follows:

"8.1 Execution

J.P. Morgan is required to handle and execute client orders in accordance with the best execution obligation in the ASIC Market Integrity Rules (Competition in Exchange Markets) 3.1.1. That Rule requires J.P. Morgan to take reasonable steps to obtain the best outcome for you when handling and executing your orders.

In assessing the best outcome for you, J.P. Morgan will have regard to those factors described in detail in its Best Execution Policy. A copy of the Best Execution Policy is available on request.

Where you provide J.P. Morgan with instructions that are inconsistent with J.P. Morgan obtaining the best outcome for you under its Best Execution Policy, J.P. Morgan will take reasonable steps to handle and execute the orders in a way which satisfies your instructions, even if

the result will not be to obtain the best outcome provided the instructions are:

- (a) clear and unambiguous;
- (b) in writing, or if provided to J.P. Morgan verbally, recorded by J.P. Morgan and retained by J.P. Morgan for a period of seven years; and
- (c) not contained within the standard terms and conditions of a client agreement provided by J.P. Morgan to you, but which may be a standing instruction or a specific order by order instruction.

Where you choose to execute an order pursuant to a Direct Market Access ("**DMA**") Client Agreement, Electronic Order Routing Terms or Electronic Services Terms (as applicable), you acknowledge that you will select the parameters of the order (such as the price, the counterparty, the execution venue, the timing, the size and the nature of the interaction with your selected execution venue). In such a case, you will be treated as having given specific instructions for the entirety of your order by means of the DMA/electronic service and J.P. Morgan will be treated as having satisfied its best execution obligation. In cases where you do not select any or all of the necessary parameters, then J.P. Morgan will select execution parameters in accordance with its Best Execution Policy.

Upon receipt of a written request from you J.P. Morgan will within a reasonable period provide you with details of the execution of your orders to demonstrate that your orders were executed in accordance with J.P. Morgan's Best Execution Policy."

- (ii) Clause 8.2 of the Terms shall be deleted and replaced in its entirety with the following:

"8.2 Aggregation and Priority of Orders

- (a) J.P. Morgan handles customer and own account orders fairly and in due turn, in accordance with the ASIC Market Integrity rules for the relevant financial market. J.P. Morgan may aggregate your order with (i) its own orders, (ii) orders of "prescribed persons" (as defined by the ASIC Market Integrity Rules for the relevant financial market), or (iii) orders of other persons.
- (b) Orders will be executed and the resulting sales and purchases allocated to the persons participating in accordance with our policy regarding client order precedence and allocation of sales and purchases (as in force at that time). You acknowledge that a copy of our Allocations Policy may be obtained upon request and that we reserve the right to change that policy at any time without notice (provided that, if this agreement is a "consumer contract or small business contract" for the purposes of the Unfair Contracts Provisions, that change is not "unfair" as defined in the Unfair Contracts Provisions) and to allocate sales and purchases between orders in a manner other than as set out in that policy with the consent of the clients affected.
- (c) Market conditions may not permit your aggregated order to be executed at once or in a single dealing. We may therefore execute it over such period as we deem appropriate and we may report to you a volume weighted average price for a series of dealings so executed instead of the actual price of each dealing (provided that, if this agreement is a "consumer contract or small business contract" for the purposes of the Unfair Contract Provisions, that such period is not "unfair" as defined in the Unfair Contracts Provisions).
- (iii) Clause 8.4 of the Terms shall be deleted in its entirety;

- (iv) Clause 8.5 of the Terms shall be deleted and replaced in its entirety with the following:

"8.5 Inducements

In the course of providing services to our clients, we may pay or receive fees, commissions, rebates or non-monetary benefits to or from third parties (including any Affiliate(s))."

- (v) Clause 8.7 of the Terms shall be deleted and replaced in its entirety with the following:

"8.7 Short Selling

In accordance with Applicable Laws, you may only place a short sell order in respect of securities, managed investment products and debentures, stocks and bonds issued or proposed to be issued by a government (and such other financial products as may be specified by J.P. Morgan from time to time) if it is a 'covered short sale' (that is, one in respect of which you have a presently exercisable and unconditional right to vest the relevant financial products in the buyer at the time of sale as a result of a securities lending arrangement).

At the time of providing a sale instruction to J.P. Morgan to deal on your behalf, and at all other times as requested by J.P. Morgan, you must:

- (a) inform J.P. Morgan if the execution of that instruction would constitute a covered short sale; and
- (b) if the sale is a covered short sale, provide to J.P. Morgan such other information as it may request (from time to time) for the purpose of fulfilling its reporting obligations in relation to covered short sales under the Applicable Law and otherwise ensuring its compliance with all Applicable Laws.

You agree that each time you place a short sell order with J.P. Morgan, you represent and warrant to J.P. Morgan that the sale order meets all requirements of Applicable Laws and ASIC policy related to that sale order.

In the event that you fail to deliver to J.P. Morgan the financial products required to settle a dealing entered into on your behalf by the settlement date, J.P. Morgan may cancel, close out or terminate (at J.P. Morgan's discretion) the dealing entered into on your behalf and will do so at your cost."

- (vi) Clause 8.10 of the Terms shall be deleted and replaced in its entirety with the following:

"8.10 Contract notes, Confirmations and Statements

You agree that contract notes or confirmations of the essential details of dealings executed with or for you and statements of your account may be provided on our behalf by one or more of our Affiliates and you agree to accept such contract notes, confirmations and statements as if they had been sent by J.P. Morgan. You consent to any contract note, confirmation, statement or other notices being sent to you electronically. You acknowledge that each transaction effected for you and each contract note, confirmation and statement is subject:

- (a) if and to the extent that it relates to financial products traded on a financial market, to (i) the directions, decisions and requirements of the relevant financial market, (ii) the Applicable Laws relevant to that financial market; and (iii) the customs and usages of the relevant financial market;
- (b) if and to the extent that it relates to a clearing and settlement facility, to the Applicable Laws relevant to that clearing and settlement facility;
- (c) to the Corporations Act; and

(d) to the correction of errors and omissions.

You must immediately notify us if you believe there are any errors contained in that contract note, confirmation or statement.

On the basis that you are a wholesale client (as defined in the Corporations Act), you authorise us to accumulate purchases and sales of securities (as defined in the ASIC Market Integrity Rules for the relevant financial market) (for the purposes of this clause, "securities") that comprise only part of an order for securities of the same class placed by you and to issue a single contract note or confirmation specifying the average price of the securities of that class bought or sold pursuant to the order.

All contract or confirmation notes issued by J.P. Morgan (as principal or as agent for an Affiliate) shall bind you unless a detailed objection is received by your usual J.P. Morgan representative within one business day of despatch by SWIFT, facsimile, or in electronic form (including notice via a website) or, if sent by post only, within two business days of despatch. In this context, "business day" means a day other than a Saturday or Sunday and upon which banks are open for business in the State of New South Wales, Australia."

(vii) Clause 8.11 of the Terms shall be amended by deleting the following sentence from the first paragraph:

"In addition, we may hold collateral in connection with financial instruments (as defined under MiFID II), which may also be subject to a Product Contract."

(viii) Clause 8.14 of the Terms shall be deleted in its entirety.

(ix) Clause 8.17 of the Terms shall be deleted and replaced in its entirety as follows:

"8.17 Execution and cancellation of orders

(a) Subject to clause 7.3, J.P. Morgan will use all reasonable endeavours to execute or arrange the execution of your orders, but shall not be responsible for any delays or errors in the transmission or execution of your orders, other than delays or errors resulting from our gross negligence, wilful default or fraud.

(b) You acknowledge that J.P. Morgan may execute your order using algorithms or other automated trading programs prepared by J.P. Morgan.

(c) In respect of dealings entered into by J.P. Morgan with you or on your behalf under these Terms, you authorise J.P. Morgan to cancel or amend, without requiring your consent, any of those dealings:

(i) where J.P. Morgan is requested to do so by the operator of any relevant financial market or clearing and settlement facility;

(ii) otherwise pursuant to or as contemplated by the Applicable Laws or the practices and procedures of the relevant financial market and any relevant clearing and settlement facility; or

(iii) where these Terms confer a discretion on J.P. Morgan to cancel or amend dealings in certain circumstances and those circumstances occur,

to the full extent permitted by law, J.P. Morgan shall not be liable for any loss suffered by you in these circumstances.

(d) You acknowledge that, subject to Applicable Laws, J.P. Morgan may instruct third persons to deal on your behalf on a financial market and that, if we do so, we may receive

remuneration from or share commission with those persons. Information concerning such instructions, remuneration or commission will be made available to you on request.

(e) Any order placed by you shall be subject to J.P. Morgan's (or any relevant Affiliates') pre-trade and post-trade controls in addition to your trading controls all of which may be set or modified in J.P. Morgan's (or the relevant Affiliate's) sole discretion. Any controls imposed by J.P. Morgan (or any relevant Affiliates) may result from factors including J.P. Morgan's (or any relevant Affiliates') internal policies, guidelines, procedures and/or regulatory requirements or restrictions to which it is subject, or be provided by a third party or as part of the controls required by an Exchange. Neither J.P. Morgan nor any Affiliate shall be responsible for any losses which may arise under the circumstances described in this Clause 8.17."

(xi) Clauses 8.18, 8.19, 8.20, 8.22, 8.25 and 8.26 of the Terms shall be deleted in their entirety.

(xii) adding a new Clause 8.27 to the Terms as follows: "8.27 Foreign Exchange

Unless otherwise agreed, if any dealing entered into by J.P. Morgan with you or on your behalf requires you to make a payment in a currency other than Australian dollars, you authorise us to arrange for the requisite spot or forward foreign exchange transaction to effect the currency conversion to be entered into between you and JPMorgan Chase Bank, National Association ("JPMCB") or to refer you for such transactions to JPMCB. When we arrange or refer such foreign exchange transactions for you, the transaction will not be governed by these Terms but instead by the standard terms and conditions for foreign exchange transactions of JPMCB at the relevant time."

(xiii) adding a new Clause 8.28 as follows:

"8.28 Give-up Transactions

We note that, from time to time, you may wish to give-up certain equities transactions executed by J.P. Morgan for booking and settlement with your nominated third party broker (each a "Broker") in respect of the Australian market (the "Give-up Transaction"). Where J.P. Morgan as executing broker accepts a Give-up Transaction from you for booking and settlement with your Broker, you will be deemed to be acting for your own account unless (i) you have notified J.P. Morgan in writing that you are acting on behalf of a principal(s); (ii) you have disclosed the identity of the principal(s) for whom you act; and (iii) J.P. Morgan has agreed to treat you as agent, in which case these Terms shall be deemed to operate as a separate agreement between J.P. Morgan, you and each principal for whom you enter into a dealing and the provisions of clause 2.3 will apply to you as an agent acting on behalf of one or more principals."

(j) Clause 9 of the Terms shall be deleted and replaced in its entirety as follows:

"9 Client Money

(a) J.P. Morgan will treat any money received from you or held on your behalf under these Terms in accordance with Applicable Laws, including the requirement that any money or property received from you will be segregated. (It should be noted, however, that since most Australian business undertaken between you and J.P. Morgan is subject to settlement on a delivery versus payment basis, J.P. Morgan rarely will hold your money).

(b) J.P. Morgan will not pay interest on any client money that it holds unless otherwise specifically agreed.

(c) You acknowledge that J.P. Morgan may combine and deposit your monies and the monies of other clients in a client's segregated account and may use such monies to meet the default of any of its clients."

(k) Clause 10 shall be amended as follows:

(i) Clause 10.1.1 shall be deleted and replaced in its entirety

"10.1.1 Where you are in default by virtue of late payment for or delivery of financial products, interest may be charged at a rate at our discretion (provided that, if this agreement is a "consumer contract or small business contract" for the purposes of the Unfair Contract Provisions, that rate is not "unfair" as defined in the Unfair Contracts Provisions); and"

(ii) Clause 10.2 of the Terms shall be deleted and replaced in its entirety as follows:

"10.2 Our charges will be subject to negotiation and agreement. In the absence of any agreement between us, we shall be entitled to charge and you (or, where applicable, your principal or principals) agree to pay our standard costs and charges, expenses, fines or penalties on a transaction entered into by you under these Terms, as well as any applicable value added tax. Any costs and charges due to us (or to our agents) plus any applicable value added tax, duties, taxes and levies may be deducted from any funds held by us on your (or, where applicable, your principal's or principals') behalf or any payments made by us to you (or, where applicable, your principal or principals) or to others on your behalf or, at our discretion, shall be paid by you (or, where applicable, your principal or principals) as we notify. Where value added tax is due on our charges (including any expenses) payable by you (or, where applicable, your principal or principals) to J.P. Morgan, you (or, where applicable, your principal or principals) shall be responsible for such value added tax and shall pay such value added tax to the relevant tax authorities or J.P. Morgan as required by Applicable Law. References to "value added tax" in this paragraph include value added tax, sales tax, services tax, goods and services tax and analogous taxes plus any interest or penalties if relevant." (ii)

(iii) Clause 10.3 of the Terms shall be deleted and replaced in its entirety as follows:

"10.3 Where we effect any transaction as principal with you (or, where applicable, your principal or principals), the pricing of that transaction may incorporate a mark up or mark down, which may result in additional compensation to us."

(iv) Clauses 10.4, 10.5, 10.6, 10.7 and 10.8 of the Terms shall be deleted in their entirety.

(v) adding new clauses 10.10 and 10.11 which read:

"10.10 You authorise us to deduct any amounts payable to you, or from a bank account nominated by you, all brokerage, commissions, fees, taxes and interest payable under these Terms.

10.11 On the basis that you are a wholesale client (as defined in the Corporations Act), you consent (and acknowledge that such consent is deemed to have not been withdrawn) to us charging fees, commissions and other charges in respect of dealings which we enter into with you."

(l) Clause 11 of the Terms shall be amended as follows:

(i) Clause 11.2 of the Terms shall be deleted and replaced in its entirety as follows:

"11.2 We are required to treat you (or, where applicable, your principal or principals) fairly in relation to conflicts of interest or material interests. You acknowledge that J.P. Morgan and its Affiliates ("J.P. Morgan Group") comprises a full service securities firm and commercial bank engaged in various activities, including those activities outlined in

clause 11.1, for a wide range of companies and individuals, and you hereby consent to the J.P. Morgan Group (including employees and officers of the J.P. Morgan Group) undertaking such activities without regard to the relationship with you established by these Terms, and regardless of any conflict of interest (whether actual, perceived or potential) that may arise as a result of such activity."

(ii) adding in an additional Clause 11.4 as follows:

"11.4 In relation to crossings made during the normal course of trading whether using automated order processing or otherwise:

(a) your orders may match opposite orders placed by us, effectively crossing the financial products and entitling us to commission from both sides of the dealing; and

(b) if we deal as principal, your orders may match opposite orders placed by us as principal."

(m) Clause 12 of the Terms shall be deleted and replaced in its entirety as follows:

"12 Recommending Affiliates

We may recommend the services of, or pass an order to, any of our Affiliates. We may introduce you to an Affiliate outside Australia which may not be a person subject to regulation under the Applicable Laws in Australia, and any money held by such an Affiliate on your behalf may be treated differently as to how it would be if held by a person regulated by Applicable Laws in Australia.

Business transacted with or for you by such an Affiliate will not be subject to these Terms but will be conducted instead in accordance with that Affiliate's conditions or terms of business."

(n) Clause 20.1 of the Terms shall be deleted and replaced in its entirety as follows:

"20.1 If any data you provide under these Terms, contains any personal information, then clause 21 shall apply to that personal information."

(o) Clause 21 of the Terms shall be deleted and replaced in its entirety with the following:

"21 Data Privacy

You acknowledge that the following consent is made in accordance with the Australian Privacy Principles (the "APPs") under the Privacy Act 1988 (Cth) as amended from time to time ("Privacy Act"). This consent is intended to, among other things, notify you why personal information (as that term is defined in the Privacy Act) is collected, how it will be used, to whom it may be disclosed and to whom requests are to be addressed.

J.P. Morgan (or any of its Affiliates) may have provided, and may from time to time provide (or cause to be provided), personal information to J.P. Morgan, (including any of its branches, subsidiaries and related bodies corporate) in connection with any agreement entered into between you and J.P. Morgan (or any of its Affiliates) ("Agreement") or the performance by J.P. Morgan (or any of its Affiliates) of its Services. "Services" means any or all of the services provided by J.P. Morgan pursuant to the Agreement or any other services agreed from time to time between you and J.P. Morgan (or any of its Affiliates). You are required to provide (or cause to be provided) to J.P. Morgan (or any of its Affiliates) personal information for the purposes of performing and administering the Services (including enabling J.P. Morgan (or any of its Affiliates) to establish the true and full identity of you and to comply with the requirements of the Anti-Money Laundering and Counter Terrorist Financing Act 2006). Failure to supply personal information may prevent or hinder

J.P. Morgan's (or any of its Affiliates') performance under the Agreement or provision of a Service. It is also the case that personal information is collected from you in the ordinary course of the continuation of the banking, business or management relationship, for example, when you write cheques or deposit money or provide personal information in connection with their investments or investment accounts.

- (1) You confirm that you have complied with, and before providing any further personal information to J.P. Morgan (or any of its Affiliates) in connection with the Agreement will comply with, the collection notice requirements stipulated in the Privacy Act.
- (2) You confirm that you have obtained, and before providing any further personal information to J.P. Morgan (or any of its Affiliates) in connection with the Agreement will obtain, the necessary form of consent of each individual the subject of the personal information, for the purpose of enabling J.P. Morgan (or any of its Affiliates) to collect, use and disclose such personal information as contemplated under the Agreement or Services.
- (3) You confirm that prior to obtaining the consent specified in (2) that the relevant individual will be informed that:

- a. they may complain about a breach of the APPs in the manner set out in J.P. Morgan's Australian Privacy Policy; and
- b. J.P. Morgan's Australian Privacy Policy lists the countries where recipients to which J.P. Morgan (or any of its Affiliates) is likely to disclose their personal information may be located, and (i) by providing consent to the disclosure of their personal information outside Australia, the individual acknowledges that J.P. Morgan (or any of its Affiliates) is not required to ensure that overseas recipients handle their personal information in compliance with Australian privacy law (but that where practicable in the circumstances, J.P. Morgan (or any of its Affiliates) will take reasonable steps to ensure that overseas recipients use and disclose such personal information in a manner consistent with J.P. Morgan's Privacy Policy) and (ii) such overseas recipients are subject to a foreign law that could, in certain circumstances, compel the disclosure of their personal information to a third party such as an overseas authority.

"23 Electronic Services

J.P. Morgan may make available to you those electronic services which J.P. Morgan has agreed to provide to you from time to time. The provision of such electronic services shall be subject to these Terms, as well as additional terms contained in any separate agreement.

If you are dealing in financial products pursuant to any Direct Market Access Client Agreement, Electronic Order Routing Terms or Electronic Services Terms (as applicable), you acknowledge that:

(a) if you require a trade to be split across multiple funds or accounts, you must notify J.P. Morgan electronically of these splits in an electronic format agreed between you and J.P. Morgan; and

(b) You must be or must appoint a clearing participant (as defined in, or for the purposes of, the operating rules of the relevant financial market) to settle all trades in Australian dollars."

- (q) Clause 24 shall be deleted and replaced in its entirety:

"24 Third Party Depositories

Where J.P. Morgan places your (or, where you are acting as agent on behalf of a principal or principals, your principal's or principals') funds, financial instruments or traded products in accounts with third party depositories, such accounts will be subject to the laws of the jurisdiction of such accounts, and such depositories may impose a security interest or lien over, or right of set-off in relation to those funds, financial instruments or traded products. Your rights to your (or, where applicable, your principal's or principals' rights to their) funds, financial instruments or traded products in the event of an insolvency or default may be different (and may be reduced) in the event of an insolvency or default of a depository. Such depository may hold your (or, where applicable, your principal's or principals') assets in an omnibus account. In the event of an insolvency or default of such party, if there is a shortfall in the omnibus account or the assets available to settle all claims, you (or, where applicable, your principal or principals) may not recover all your assets. It also may not be possible under the relevant national law of a third party for assets held on your (or, where applicable, your principal's or principals') behalf to be separately identifiable from the assets belonging to that third party or to us. Where your (or, where applicable, your principal's or principals') assets are held by a third party, J.P. Morgan will not be liable for the acts or omissions of that third party or for any loss or damage you (or, where applicable, your principal or principals) may incur other than as a direct result of gross negligence, wilful default or fraud on our part in the initial selection of the third party depository."

- (r) Clause 25 of the Terms shall be deleted and replaced in its entirety as follows;

"25 Anti-money laundering and counter-terrorism financing requirements

Under the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (Cth) and the Anti-Money Laundering and Counter-Terrorism Financing Rules made under that Act (together, the "AML/CTF Act"), J.P. Morgan must collect information about you and/or your principal and verify information about you and your principal before providing a service to you. If you do not provide us with the information we request, we will not be able to provide any service to you. J.P. Morgan may also be required under the AML/CTF Act to conduct dealing monitoring and ongoing customer due diligence which may require the collection of additional information.

J.P. Morgan is obliged under the AML/CTF Act to take and maintain records of any information collected from you. J.P. Morgan may be required to share collected information with the Australian Transaction Reports and Analysis Centre ("AUSTRAC") and may be prohibited from informing you of such disclosure. J.P. Morgan may also share information with related entities.

Under the AML/CTF Act, J.P. Morgan has an obligation to report suspicious matters to AUSTRAC which may require the collection of further information from you. J.P. Morgan may be prohibited from informing you that any report has taken place. J.P. Morgan also has obligations pursuant to applicable ASIC Market Integrity Rules to report "suspicious" transactions to ASIC.

You acknowledge that J.P. Morgan may, in its reasonable endeavours, not provide services to you, cancel any transactions or orders or delay, block or freeze any transactions if it believes it necessary to comply with the AML/CTF Act and in accordance with its own internal policies and procedures and you agree to provide all requested information and documentation to J.P. Morgan for this purpose."

(s) Clause 26 of the Terms shall be amended as follows:

(i) Clause 26.1 of the Terms shall be deleted and replaced in its entirety with the following:

"26.1 You agree that we have a right to amend these Terms at any time by sending you either a notice of amendment in writing or a revised Terms of Business (provided that, if this agreement is a "consumer contract or small business contract" for the purposes of the Unfair Contracts Provisions, that amendment is not "unfair" as defined in the Unfair Contracts Provisions). Any amendment will apply in respect of any commitment or dealing entered into by us after notice of the amendment is given, and may take effect either immediately or at such later date as the notice may specify."

(ii) Clause 26.3 of the Terms shall be deleted in its entirety.

(t) Clause 28.2 of the Terms shall be deleted and replaced in its entirety as follows:

"28.2 Without limiting J.P. Morgan's rights under Applicable Law, subject to clause 21 J.P. Morgan may and you agree that J.P. Morgan may, without notice to you, disclose information relating to you (i) if it considers such disclosure to be required by any court of competent jurisdiction or by Applicable Law, or (ii) to any governmental or regulatory or supervisory or self-regulatory body, or (iii) in defence of claims or enforcement of rights, or (iv) to any of J.P. Morgan's or any of its Affiliates' external lawyers, accountants, auditors, insurers and others providing advice and/or other services to J.P. Morgan or the relevant Affiliate, or (v) to issuers, registrars, clearing agents, Exchanges, central counterparties, clearing organisations, CSDs, depositaries, custodians, other agents or service providers or other Trading Venues where disclosure is considered by J.P. 7. ADDITIONAL PROVISIONS FOR CHINA CONNECT TERMS – CLIENTS OF J.P. MORGAN SECURITIES PLC

7.1 Application

7.1.1 Notwithstanding any provision in any General Terms and Conditions, these China Connect Terms constitute a legally binding contract which you accept and which shall apply where you inform or indicate to J.P. Morgan that you wish to trade China Connect Securities through China Connect.

7.1.2 These China Connect Terms are supplemental to, and without prejudice to, any applicable General Terms and Conditions.

7.1.3 Capitalised terms used in these China Connect Terms (including in the Risk Disclosures Statement) will have the meanings given to such terms in the Schedule hereto. In the event of any

inconsistency with respect to transactions in China Connect Securities between these China Connect Terms and the General Terms and Conditions, these China Connect Terms shall prevail.

7.1.4 The HK Dealer will only accept delivery of your China Connect Securities via the Exchange Participant in anticipation of settlement of an associated sale by you of those China Connect Securities.

7.2 Compliance with Trading Restrictions and Applicable China Connect Laws

7.2.1 Any trading in China Connect Securities will be subject to the China Connect Rules and all Applicable China Connect Laws, including, without limitation, any applicable requirements and/or restrictions pursuant to China Connect as may be amended from time to time, certain of which are referred to in the Risk Disclosures Statement. You shall be fully responsible for understanding and complying with all Applicable China Connect Laws as amended from time to time and for any consequences of Northbound trading. Neither J.P. Morgan nor any Related Person will, or intends to, advise you on any of the Applicable China Connect Laws. For further information, please refer to the web pages on the HKEX website and the SFC website relating to China Connect from time to time and other relevant sources.

7.2.2 J.P. Morgan shall have the right to apply any procedures or requirements in respect of any trading of China Connect Securities through China Connect which it determines in its absolute discretion to be necessary or desirable for the purpose of complying with any Applicable China Connect Laws or market practice. Neither J.P. Morgan nor any Related Person shall have any liability for any losses or risks which may result directly or indirectly from such procedures or requirements.

7.2.3 J.P. Morgan may refuse to execute any instruction given by you, if (for example, and without limitation):

7.2.3.1 such instruction is not compliant with any Applicable China Connect Laws or if J.P. Morgan reasonably believes that such instruction may not be compliant with any Applicable China Connect Laws or if J.P. Morgan is required by the SEHK not to accept such instruction;

7.2.3.2 in respect of any instruction to make a Northbound sell order, J.P. Morgan determines in its absolute discretion that you do not have sufficient China Connect Securities at the time of such instruction to settle the delivery obligation; and

7.2.3.3 in respect of any instruction to make a Northbound buy order, J.P. Morgan determines in its absolute discretion that you do not have sufficient funds to settle the payment obligation in respect of such order on the settlement day.

Neither J.P. Morgan nor any Related Person shall have any liability for any losses or risks which may result directly or indirectly from such refusal.

7.2.4 In the event that SEHK, the SEHK Subsidiary or HKSCC is notified by SSE, SZSE, CSDCC or any other relevant exchange, clearing house or governmental or regulatory body that there is reasonable cause to believe that you have failed to comply with or have breached any Applicable China Connect Laws, you shall, upon the request of J.P. Morgan provide such information (including translations into Chinese if requested by J.P. Morgan) as J.P. Morgan may reasonably request to enable it to assist the relevant exchange, clearing house or governmental or regulatory body including, without limitation, SSE, SZSE, CSDCC or any PRC governmental or regulatory authorities or agencies to assess or investigate whether there is any non-compliance or breach of the Applicable China Connect Laws and/or the extent of any non-compliance or breach, and, by providing such information, you are deemed to waive the benefit of any bank secrecy laws and data protection laws which may be applicable.

7.3 Free of Payment Pre-delivery of China Connect Securities by you

7.3.1 This Clause 7.3 is applicable if your order is not a Master SPSA Order or an SPSA Order and J.P. Morgan Chase Bank N.A. is not your custodian, or if it is your custodian but does not, on T-1 day, hold China Connect Securities which you intend to sell on T day.

7.3.2 You may, if agreed with J.P. Morgan, pre-deliver sufficient China Connect Securities to fulfil your anticipated and associated sell order to the Account (defined below) on T-1 day or within applicable times on T day in accordance with CCASS operational procedures, in which case the primary or only reason that the HK Dealer will accept delivery of such China Connect Securities is in anticipation of settlement of an associated sale by you of those China Connect Securities and to facilitate the pre-trade checking requirements under the China Connect Rules (see Risk Disclosures Statement). If you pre-deliver your China Connect Securities on T day, you acknowledge the greater risk that such China Connect Securities may not actually be recognised by SEHK as being available for sale on T day and therefore your sell order will be rejected by J.P. Morgan.

7.3.3 Your China Connect Securities delivered in accordance with these provisions will be held by the HK Dealer in a designated client securities account (the "Account") at CCASS. The HK Dealer will determine in its reasonable discretion whether to accept in the Account any proposed delivery of China Connect Securities.

7.3.4 Your China Connect Securities will be held by HKSCC on the HK Dealer's behalf. You should note that because of the law and market practice in the PRC, your China Connect Securities will be registered in the name of HKSCC.

Neither J.P. Morgan nor any Related Person shall be liable for any act or omission by, or the insolvency of, HKSCC. In the event you incur a loss due to the negligence, wilful default, or insolvency of HKSCC, J.P. Morgan will make reasonable endeavours, in its discretion, to seek recovery from HKSCC, but it will not be under any obligation to institute legal proceedings, file any proof of claim in any insolvency proceeding, or take any similar action. In the event of the insolvency of HKSCC you may not have any proprietary interest in the China Connect Securities and may be an unsecured general creditor in respect of any claim you may have in respect of them whether against us or against, HKSCC.

7.3.5 Your China Connect Securities may be held in an omnibus account by HKSCC. As a result there is a risk that your China Connect Securities will not be separately distinguishable from the China Connect Securities held for any other person in that omnibus account (whether or not other clients of J.P. Morgan) and, in the event of a shortfall in the number of China Connect Securities held by HKSCC you may be required to share in that shortfall. A further effect of holding in an omnibus account can be that following a corporate action that favours the small investor, your rights in respect of that corporate action may be less than they otherwise would have been, had your China Connect Securities investments been held in your own name.

7.3.6 Accounts that contain your China Connect Securities are or will be subject to the law of a jurisdiction other than that of England and Wales, such as Hong Kong and/or PRC law. Your rights relating to those China Connect Securities may differ accordingly.

7.3.7 No interest will be payable on the Account unless otherwise agreed in writing.

7.3.8 A depositary may have a security interest or lien over, or right of set-off in relation to your China Connect Securities.

7.3.9 Unless J.P. Morgan shall have received and accepted a contrary instruction, J.P. Morgan may in your name or on your behalf sign any document relating to China Connect Securities which may be required (i) to obtain receipt of any China Connect Securities or funds or (ii) by any tax or regulatory authority.

7.3.10 You acknowledge that J.P. Morgan intends to re-deliver to you or to your usual custodian or bank any China Connect Securities which have not been sold on T day.

7.3.11 You acknowledge that J.P. Morgan conducts business in China Connect Securities for other clients and for the accounts of its Affiliates. J.P. Morgan may pool your China Connect Securities received hereunder and treat them as fungible with the same China Connect Securities of other clients. J.P. Morgan may at any time allocate equivalent China Connect Securities to you and shall not be bound to return to you the original China Connect Securities delivered to the HK Dealer. You acknowledge that J.P. Morgan intends, within one Trading Day of receipt, to deliver or pay to you or your usual custodian (net of any fees or other expense payable by you to J.P. Morgan) any distribution or payment received by J.P. Morgan in respect of China Connect Securities for your account.

7.3.12 You undertake to give such instructions promptly on J.P. Morgan's request (to J.P. Morgan and/or your usual custodian or bank and/or any other person) as J.P. Morgan may require to pre-authorise any such delivery or payment in connection with this Clause 7.3

7.3.13 J.P. Morgan shall have no obligation whatsoever to collect or receive or take any other action (including attending any general meeting and/or exercising any voting right) in relation to any payment or distribution or voting in respect of China Connect Securities for your account or to notify you of the existence of or the terms of any notice, circular, report, announcement or similar corporate action in respect of China Connect Securities. You acknowledge that in certain circumstances, including, without limitation, as a result of any Applicable China Connect Laws, it may be difficult, impracticable or not permissible for HKSCC or its nominee (and for J.P. Morgan or you) to exercise any rights or entitlements or to participate in any actions, transactions or other matters in respect of any China Connect Securities. If J.P. Morgan shall make any such collection or receipt, take any such action or give you any such notification or shall take any action pursuant to any such notification, J.P. Morgan shall not have (a) any liability in respect any inaccuracies or delays; and (b) any obligation to continue or repeat any such action.

7.4 Enhanced Pre-Trade Checking

7.4.1 To the extent you instruct J.P. Morgan to execute an SPSA Order or a Master SPSA Order on your behalf, the provisions set out in this Clause 7.4 apply.

7.4.2 Prior to instructing J.P. Morgan to execute any SPSA Order, you will provide to J.P. Morgan the following in any form and within any timeframe as required by J.P. Morgan to its satisfaction from time to time:

7.4.2.1 confirmation that you have been designated a Special Segregated Account by CCASS with respect to any such SPSA Order and that you unconditionally authorise J.P. Morgan to execute SPSA Orders in respect of that Special Segregated Account on your behalf from time to time;

7.4.2.2 the specific investor identification number in relation to any Special Segregated Account from which you will be instructing J.P. Morgan to execute an SPSA Order; and

7.4.2.3 any other information and/or documentation as may be required by J.P. Morgan from time to time in order for J.P. Morgan to execute an SPSA Order on your behalf.

7.4.3 Prior to instructing J.P. Morgan to execute any Master SPSA Order, you will provide to J.P. Morgan the following in any form and within any timeframe as required by J.P. Morgan to its satisfaction from time to time:

7.4.3.1 confirmation that you (as a Master SPSA Holder) have been designated a Master SPSA ID by CCASS with respect to any such Master SPSA Order and that you unconditionally authorise J.P. Morgan to execute Master SPSA Orders in respect of the relevant Mapped SPSA Accounts on your behalf from time to time;

7.4.3.2 the specific Master SPSA ID in relation to any Mapped SPSA Account from which you will be instructing J.P. Morgan to execute a Master SPSA Order; and

7.4.3.3 any other information and/or documentation as may be required by J.P. Morgan from time to time in order for J.P. Morgan to execute a Master SPSA Order on your behalf; and

7.4.3.4 pre-allocation instructions to J.P. Morgan in respect of the relevant China Connect Securities and other information to process the instruction.

7.4.4 At the time you instruct J.P. Morgan to execute an SPSA Order or a Master SPSA Order, you will provide the following in writing to J.P. Morgan:

7.4.4.1 for an SPSA Order, the relevant investor identification number for that SPSA Order;

7.4.4.2 for a Master SPSA Order, the relevant Master SPSA ID for that Master SPSA Order; and

7.4.4.3 any other information that may be required by J.P. Morgan, SEHK and/or any other China Connect Authority from time to time when placing that SPSA Order or Master SPSA Order on your behalf.

7.4.5 You authorise, and you have appropriate arrangements in place to authorise, the reproduction, replication and transmission of the securities holding records of the Special Segregated Account or the Mapped SPSA Account at any time for the purpose of enabling SEHK and SEHK Subsidiary to carry out their pre-trade checking procedures.

7.4.6 In the event that:

(a) you instruct J.P. Morgan to execute an SPSA Order on your behalf and an investor identification number other than your investor identification number is used to execute such order, you acknowledge and confirm that J.P. Morgan may settle such SPSA Order using China Connect Securities from your Special Segregated Account pursuant to your original instructions; or

(b) your investor identification number is used by J.P. Morgan to execute an SPSA Order on behalf of another client of J.P. Morgan, you acknowledge and confirm that J.P. Morgan may settle such SPSA Order using China Connect Securities from the Special Segregated Account of such client pursuant to the client's original instructions.

7.4.7 If:

7.4.7.1 you instruct J.P. Morgan to execute a Master SPSA Order on your behalf and a Master SPSA ID other than your Master SPSA ID is used to execute such order, you acknowledge and confirm that J.P. Morgan may settle such Master SPSA Order using China Connect Securities from any of your Mapped SPSA Accounts mapped to the relevant Master SPSA ID pursuant to your original instructions; or

7.4.7.2 your Master SPSA ID is used by J.P. Morgan to execute a Master SPSA Order on behalf of another client of J.P. Morgan, you acknowledge and confirm that J.P. Morgan may settle such Master SPSA Order using China Connect Securities from any Mapped SPSA Account mapped to the relevant Master SPSA ID of such client pursuant to the client's original instructions.

7.4.8 You represent and undertake on a continuing basis, including without limitation on the first date that these China Connect Terms are effective and at each time that you place an SPSA Order, or otherwise give an instruction, in respect of the China Connect Securities held in a Special Segregated Account, that in respect of any SPSA Order which you instruct J.P. Morgan to execute, at all relevant times:

7.4.8.1 you have been designated such Special Segregated Account and CCASS has assigned the investor identification number to such Special Segregated Account that you have provided to J.P. Morgan in respect of such SPSA Order, in each case in accordance with the CCASS China Connect Rules and any applicable China Connect Rules;

7.4.8.2 you unconditionally authorise J.P. Morgan to execute the sale of the relevant China Connect Securities in the specified Special Segregated Account on your behalf;

7.4.8.3 unless you notify J.P. Morgan in writing otherwise, your applicable custodian which holds the Special Segregated Account associated with an SPSA Order is authorised by you to act on settlement instructions from J.P. Morgan with respect to that SPSA Order. In the event that you revoke such authorisation, you hereby acknowledge that settlement of the SPSA Order may be delayed or may fail;

7.4.8.4 (A) there are, and will be, sufficient China Connect Securities in the Special Segregated Account for you to settle the delivery obligations in respect of such SPSA Order on the settlement day as required under the China Connect Rules and (B) you will ensure that the China Connect Securities that are the subject of the SPSA Order will be delivered to J.P. Morgan or to J.P. Morgan's order and to the account specified by J.P. Morgan no later than the cut-off time for delivery as may be specified by J.P. Morgan from time to time or, if earlier, as may be specified by any relevant China Connect Authority, on the settlement day specified by J.P. Morgan and in compliance with any other requirements for settlement which may be specified by J.P. Morgan to you or your agent for settlement from time to time;

7.4.8.5 the total number of China Connect Securities subject to an SPSA Order or SPSA Orders, as appropriate, in respect of China Connect Securities in that Special Segregated Account on any relevant Trading Day will not exceed the total securities holding position in respect of the same China Connect Security as shown against the investor identification number for the relevant Special Segregated Account (A) immediately before the commencement of operation of China Connect on that Trading Day or (B) as at such other time as may be specified by J.P. Morgan, SEHK, CCASS or any other relevant China Connect Authority from time to time;

7.4.8.6 the relevant number of China Connect Securities recorded in the relevant Special Segregated Account will be used by you for securities settlement of such SPSA Order in accordance with the Applicable China Connect Rules Laws;

7.4.8.7 to the extent that an SPSA Order is a Short Selling order, the borrowed Short Selling Securities are held in the relevant Special Segregated Account and the order is in compliance with (i) the China Connect Rules applicable to any SPSA Order and (ii) the obligations set out herein. For the avoidance of doubt, you must not place any Short Selling order with J.P. Morgan unless J.P. Morgan has agreed in writing to provide services to you in relation to Short Selling, including the execution of Short Selling orders;

7.4.8.8 to the extent that you (i) are a fund manager; and (ii) aggregate SPSA Orders across more than one Special Segregated Account (whether they are maintained with one or more Custodian Participant): (A) you have the authority from all relevant parties (including relevant funds or sub-funds) to aggregate such SPSA Orders and allocate China Connect Securities across such Special Segregated Accounts at your discretion; (B) any such actions taken or to be taken comply with Applicable China Connect Laws including, without limitation, any laws, rules and regulations relating to client assets, the Code of Conduct and the SFC Fund Manager Code of Conduct and further, any such action is consistent with the general principle of misappropriation of client assets and you are acting fairly in the interests of all relevant Special Segregated Accounts; and (C) where you amend trading instructions already executed by J.P. Morgan, you agree that you will not instruct J.P. Morgan to allocate a trade to a Special Segregated Account that was not included in the original instruction, or allocate a number of shares to a Special Segregated Account greater than the original number of shares allocated thereto, unless the original instruction contained a mistake and the amendment instruction is made solely to correct such mistake; furthermore, you shall use best endeavours to ensure that your trading and allocation instructions will not cause trading errors or settlement failures; and

7.4.8.9 if J.P. Morgan commits an error in inputting your SPSA Order and discovers the error prior to settlement of securities on T day,

you unconditionally authorise J.P. Morgan to take any remedial actions permitted by Applicable China Connect Laws and consistent with your original order instructions to rectify the error, including but not limited to carrying out a non-trade transfer by instructing your custodian (who is authorised by you to act on such instructions from J.P. Morgan) to transfer the correct number of securities from the appropriate Special Segregated Account in to the relevant CCASS account for settlement of securities.

You must immediately inform J.P. Morgan if any of the representations set out above are no longer correct or have become misleading or you have not complied, or will not comply, with any of your obligations under the China Connect Terms or under the China Connect Rules, in each case, in a way which may affect the ability of J.P. Morgan or any Related Person to execute an SPSA Order in compliance with the Applicable China Connect Laws.

7.4.9 You represent and undertake on a continuing basis, including without limitation on the first date that these China Connect Terms are effective and at each time that you place a Master SPSA Order, or otherwise give an instruction, in respect of the China Connect Securities held in the specified Mapped SPSA Accounts, that in respect of any Master SPSA Order which you instruct J.P. Morgan to execute, at all relevant times:

7.4.9.1 you (as a Master SPSA Holder) have been designated such Master SPSA ID and CCASS has assigned the Master SPSA ID to all relevant Mapped SPSA Accounts that you have provided to J.P. Morgan in respect of such Master SPSA Order, in each case in accordance with the CCASS Rules and any Applicable China Connect Laws;

7.4.9.2 you unconditionally authorise J.P. Morgan to execute a sale of the relevant China Connect Securities in the specified Mapped SPSA Accounts on your behalf;

7.4.9.3 you will designate any Master SPSA Order as such when providing an instruction to us and providing J.P. Morgan with the relevant details required by J.P. Morgan, including the Master SPSA ID;

7.4.9.4 unless you notify J.P. Morgan in writing otherwise, your applicable custodian which holds the relevant Mapped SPSA Accounts associated with a Master SPSA Order is authorised by you to act on settlement instructions from J.P. Morgan with respect to such Master SPSA Order. In the event that you revoke the authorisation (which would only be effective by notifying J.P. Morgan in writing), you hereby agree to notify J.P. Morgan immediately of such revocation of authorisation and acknowledge that settlement of the Master SPSA Order may be delayed or may fail;

7.4.9.5 (A) there are, and will be, sufficient China Connect Securities in the specified Mapped SPSA Accounts for you to settle the delivery obligations in respect of such Master SPSA Order on the settlement day as required under the China Connect Rules; and (B) you will ensure that the China Connect Securities that are the subject of the Master SPSA Order will be delivered to J.P. Morgan or to J.P. Morgan's order and to the account specified by J.P. Morgan no later than the cut-off time for delivery on a settlement day as may be specified by J.P. Morgan from time to time or, if earlier, as may be specified by any relevant China Connect Authority, and in compliance with any other requirements for settlement which may be specified by J.P. Morgan to you or your agent for settlement from time to time;

7.4.9.6 the total number of China Connect Securities subject to such Master SPSA Order on any relevant Trading Day will not exceed the total securities holding position in respect of the same China Connect Security as shown against the Master SPSA ID (A) immediately before the commencement of operation of China Connect on that Trading Day or (B) as at such other time as may be specified by J.P. Morgan, SEHK, CCASS or any other relevant China Connect Authority from time to time;

7.4.9.7 the relevant number of China Connect Securities recorded in the relevant Mapped SPSA Accounts will be used by you for settlement of securities of such Master SPSA Order in accordance with the Applicable China Connect Laws;

7.4.9.8 to the extent that a Master SPSA Order is a Short Selling order, the borrowed Short Selling Securities are held in the relevant Mapped SPSA Accounts and such Master SPSA Order is in compliance with (i) the China Connect Rules applicable to any Master SPSA Order and (ii) the obligations set out herein. For the avoidance of doubt, you must not place any Short Selling order with J.P. Morgan unless J.P. Morgan has agreed in writing to provide services to you in relation to Short Selling, including the execution of Short Selling orders;

7.4.9.9 if J.P. Morgan commits an error in inputting your Master SPSA Order and discovers the error prior to settlement of securities on T day, you unconditionally authorise J.P. Morgan to take any remedial actions permitted by Applicable China Connect Laws and consistent with your original order instructions to rectify the error, including but not limited to carrying out a non-trade transfer by instructing your custodian (who is authorised by you to act on such instructions from J.P. CHINA CONNECT RISK DISCLOSURES STATEMENT

This Risk Disclosures Statement describes some of the key risk disclosures and other rules, requirements and features of China Connect and Applicable China Connect Laws. This Risk Disclosures Statement does not disclose all the risks and other significant aspects of Northbound trading through China Connect. You should ensure that you understand the nature and risks of China Connect and Northbound trading and you should consider carefully (and consult your own advisers where necessary) whether trading in China Connect Securities is suitable for you in light of your circumstances. The decision to trade in China Connect Securities is yours, but you should not trade in China Connect Securities unless you fully understand and are willing to assume the risks associated with China Connect. You acknowledge the risks, and agree to the terms, set out in this Risk Disclosures Statement.

Neither J.P. Morgan nor any Related Person represents that the information set out in this Risk Disclosures Statement is up to date or comprehensive, and does not undertake to update the information set out in this Risk Disclosures Statement. Neither J.P. Morgan nor any Related Person is liable for any inaccuracies or misstatements in the information set out in this Risk Disclosures Statement.

Unless otherwise defined herein, capitalised terms used in this Risk Disclosures Statement will have the meanings given to such terms in the China Connect Terms applicable to you and available at: www.jpmmorgan.com/disclosures/ChinaConnect

1. Pre-Trade Checking and Enhanced Pre-Trade Checking

Under PRC law, SSE and/or SZSE (as relevant) may reject a sell order if an investor does not have sufficient available China Connect Securities in its account. In respect of a sell order of China Connect Securities that is not a Master SPSA or SPSA Order, the SEHK will apply similar

checking on all Northbound sell orders at the Exchange Participant level to ensure there is no overselling by any individual Exchange Participant (**"Pre-Trade Checking"**). Enhanced Pre-Trade Checking applies in respect of a Master SPSA or SPSA order. You will comply with any requirements relating to Pre-Trade Checking or Enhanced Pre-Trade Checking, as applicable, as mandated by the China Connect Authorities and/or as notified to you by J.P. Morgan from time to time. In particular:

(a) in relation to Pre-Trade Checking, you will ensure there are sufficient available China Connect Securities in your account to cover any proposed sell order; and

(b) in relation to Enhanced Pre-Trade Checking, you will in addition ensure that you have been designated a Special Segregated Account with a corresponding investor identification number, there are sufficient available China Connect Securities in such Special Segregated Account to cover any proposed Master SPSA or SPSA Order and that the China Connect Securities applicable to an Master SPSA or SPSA Order will be delivered within the timeframe and in the manner as required by J.P. Morgan on the relevant settlement day to fulfil such SPSA order.

(A) In respect of any sell order that is not a Master SPSA or SPSA Order, if J.P. Morgan considers that you do not have sufficient available China Connect Securities held with the Exchange Participant to settle a sell order by the applicable cut-off time (as notified to you by J.P. Morgan from time to time); or

(B) In respect of any sell order that is a Master SPSA or SPSA Order, if J.P. Morgan considers that:

(a) you do not by the applicable cut-off time (as notified to you by J.P. Morgan from time to time) hold sufficient available China Connect Securities in a relevant Special Segregated Account to cover a proposed Master SPSA or SPSA Order; and/or

(b) the required number of China Connect Securities will not be delivered from the Special Segregated Account as required by J.P. Morgan on a settlement day to fulfil a Master SPSA or SPSA Order,

J.P. Morgan may, as applicable, (but shall not be obliged to) in its absolute discretion: (i) reject your sell order (in whole or in part); (ii) where appropriate arrangements are in place and as permitted by Applicable China Connect Laws, use any China Connect Securities in the Exchange Participant's (or any other exchange participant's) designated CCASS stock account(s) which J.P. Morgan holds for itself or on behalf of its other customers to fulfil the Pre-Trade Checking requirement in respect of your sell order, in which case you shall reimburse J.P. Morgan for any costs, losses or expenses which J.P. Morgan incurs as a result of buying in or otherwise sourcing the amount of China Connect Securities which you have failed to deliver in respect of your sell order, on such terms and at such price (including any associated fees and expenses) and at such time as J.P. Morgan shall determine in its absolute discretion; and/or (iii) perform any other act which J.P. Morgan considers necessary or desirable to comply with Pre-Trade Checking or Enhanced Pre-Trade Checking, as applicable, and/or any relevant Applicable China Connect Laws and/or to cover your shortfall (including but not limited to applying any other China Connect Securities available to J.P. Morgan) from any stock borrowing arrangements (to the extent permitted by Applicable China Connect Laws and available to J.P. Morgan or other sources).

In addition, J.P. Morgan may in its absolute discretion reject your sell order, whether it be a Master SPSA or SPSA Order or otherwise, (in whole or in part) if for any other reason J.P. Morgan considers that there is or may be non-compliance with any Applicable China Connect Laws, and/or that the execution of such order may result in J.P. Morgan or any Related Person failing to comply with its obligations to any party or under the China Connect Rules. Any risk, liability, loss or cost resulting from non-compliance or potential non-compliance with Pre-Trade Checking and/or Enhanced Pre-Trade Checking and the related order requirements and/or any relevant Applicable China Connect Laws by you or, to the extent you have caused the Dealer's or any Related Person's non-compliance, J.P. Morgan or such Related Person, shall be borne by you.

2. Settlement

J.P. Morgan has established cut-off times. If you do not provide your trade allocations by J.P. Morgan's applicable cut-off time as notified to you from time to time then your trade may fail. Where you are an agent and you have not, in relation to your transactions in China Connect Securities accepted by J.P. Morgan, provided J.P. Morgan with your trade allocations to your applicable principals by J.P. Morgan's applicable cut-off time, J.P.

Morgan will, unless expressly agreed otherwise, allocate such transactions on a pro-rata basis amongst your applicable principals. Where such pro-rata allocation results in odd lots, J.P. Morgan shall allocate such odd lots to the principal(s) with the largest allocation(s).

Settlement Arrangements

Northbound trades will follow the A Share settlement cycle. For settlement of China Connect Securities trades, CSDCC will debit or credit the securities accounts of its participants (including HKSCC as clearing participant) on T day free of payment. J.P. Morgan may have settlement arrangements in place different from the CSDCC settlement arrangements. Unless J.P. Morgan agrees to prefund, settlement of funds relating to such trading will be effected on T+1 day. In the event J.P. Morgan agrees to prefund the settlement of China Connect Securities trades, (a) J.P. Morgan shall retain the funds received from the HKSCC on T+1 day; and (b) you shall reimburse J.P. Morgan with respect to any pre-funding provided by J.P. Morgan.

Although the transfer of the China Connect Securities precedes the transfer of cash, under the China Connect Service, the title to China Connect Securities will not be released until the receipt of confirmation of payment. Accordingly, for purposes of contract notes, the settlement date would be T+1 day when both the securities and the cash are settled or where the purchase was prefunded, the settlement date would be the date on which the China Connect Securities are released from hold.

Master SPSA or SPSA Orders – Delivery versus Payment

Notwithstanding that a delivery versus payment mechanism may be offered by SEHK or CCASS for Master SPSA or SPSA Orders, unless J.P. Morgan agrees to pre-fund, freely transferable funds may only be credited by the relevant clearing bank to your account with the custodian or settlement agent, as applicable, in accordance with the CCASS operations and procedures after the settlement day upon which the delivery obligations in respect of such Master SPSA or SPSA Orders are required to be settled. Any risk, liability, loss, cost or expense resulting from this delay shall be borne by you.

3. Quota Restrictions

Purchases of China Connect Securities through China Connect are subject to certain quota controls. As a result, there is no assurance that a buy order can be successfully placed through China Connect. There are daily quotas limiting the maximum value of all Northbound buy trades that can be executed by exchange participants on each Trading Day ("**Daily Quotas**"). The Daily Quotas may change from time to time without prior notice and investors are advised to refer to the HKEX website and other information published by the HKEX for up-to-date information.

Under the China Connect Rules, investors may sell their China Connect Securities regardless of whether there is a breach of the provisions relating to Daily Quotas. If there is a restriction, rejection or suspension of Northbound buying as a result of the Daily Quotas being fully utilised, no further buy orders can be carried out.

4. Restriction on Day Trading

Day (turnaround) trading is not permitted on the PRC A Share market. If you buy China Connect Securities on T day, you may be able to sell the shares only on or after T+1 day. Due to Pre-Trade Checking requirements, sell orders in relation to China Connect Securities bought on T day may only be accepted on or after the applicable cut-off time (as notified to you by the J.P. Morgan from time to time) on T+1 day.

5. Circuit Breaker

The China Connect Rules provide for "circuit breaker mechanisms" for the trading of China Connect Securities on SSE and SZSE. Under the Mainland Exchange Rules, the circuit breaker mechanisms will be triggered when a relevant index rises or falls by a certain percentage from its previous close for the first time during a trading day. Depending on when the circuit breaker mechanism is triggered, trading will either be suspended for a set amount of time or for the rest of the trading day.

SSE and SZSE will release announcements on their websites to inform the market of the time of a trading suspension and/or resumption when a circuit breaker mechanism is imposed or activated. You should pay attention to the relevant SSE and/or SZSE announcements to ensure you

are aware of the circuit breaker mechanism being triggered. Neither J.P. Morgan nor any Related Person shall be under any obligation to inform you of a circuit breaker mechanism being triggered.

Please note that, as of the date of this Risk Disclosure Statement, the operation of the circuit breaker mechanisms has been suspended by CSRC.

Neither J.P. Morgan nor the any Related Person shall be under any obligation to inform you of any changes relating to circuit breaker mechanisms.

6. Disclosure of Interests

Under PRC laws, rules and regulations, if you hold or control shares (on an aggregate basis, i.e., including both domestically and overseas issued shares of the same PRC Listco (as defined below), whether the relevant holdings are through Northbound trading, QFII/RQFII regime or other investment channels) in a company which is listed on a PRC stock exchange (a "**PRC Listco**") up to a certain threshold as may be specified from time to time by the relevant China Connect Authorities, you must disclose such interest within the period specified by the relevant China Connect Authority, and you must not buy or sell any such shares within the period specified by the relevant China Connect Authority. You must also disclose any substantial change in your holding as required by the relevant China Connect Authority.

Under Hong Kong law, where a company has both H Shares listed on the SEHK and A Shares listed on the SSE or SZSE, if the interest of an investor in any class of voting shares (including A Shares purchased through China Connect) of such company is equal to or greater than a certain threshold (as may be specified from time to time), the investor is under a duty of disclosure pursuant to Part XV of the SFO. Part XV of the SFO does not apply where the PRC Listco has not listed any securities on the SEHK.

It shall be your responsibility to comply with any disclosure of interest rules from time to time imposed by the relevant China Connect Authorities and to arrange for any relevant filings.

7. Short Swing Profit Rule

Under PRC laws, rules and regulations, the "short swing profit rule" requires you to give up or return any profits made from purchases and sales in respect of China Connect Securities of a particular PRC Listco if (a) your shareholding in such PRC Listco exceeds the threshold prescribed by the relevant China Connect Authority from time to time and (b) the corresponding sale transaction occurs within the six months after a purchase transaction, or vice versa. You (and you alone) must comply with the "short swing profit rule".

8. Foreign Ownership Limits

Under PRC laws, rules and regulations, there is a limit to how many shares a single foreign investor is permitted to hold in a single PRC Listco, and also a limit to the maximum combined holdings of all foreign investors in a single PRC Listco. Such foreign ownership limits may be applied on an aggregate basis (i.e. across both domestically and overseas issued shares of the same issuer, whether the relevant holdings are through Northbound trading, QFII/RQFII regime or other investment channels). It shall be your responsibility to comply with all foreign ownership limits from time to time imposed by Applicable China Connect Laws. Such legal and regulatory restrictions or limitations may have an adverse effect on the liquidity and performance of an investment in China Connect Securities due to factors such as limitations on fund repatriation, dealing restrictions, adverse tax treatments, higher commission costs, regulatory reporting requirements and reliance on services of local custodians and service providers. As a result, you may suffer losses through your trading or investments in China Connect Securities.

If J.P. Morgan and/or any Related Person becomes aware that you have breached (or reasonably believes that you may breach upon execution of further Northbound buy orders) any foreign ownership limits, or if J.P. Morgan and/or any Related Person is so required by any China Connect Authority, including without limitation, as a result of any Forced-sale Notice issued by the SSE or the SZSE, J.P. Morgan will sell any China Connect Securities pursuant to the China Connect Terms in order to ensure compliance with all Applicable China Connect Laws. In such case, no China Connect Securities buy orders for the relevant China Connect Securities will be accepted until SSE or SZSE (as relevant) informs the SEHK Subsidiary or the SEHK that the aggregate foreign shareholding has fallen below a certain percentage. The SEHK may determine in its absolute discretion which exchange participants and what quantity of China Connect Securities should be subject to a Forced-sale Notice (this is

generally likely to be on a "last-in, first-out" basis), and the SEHK's (or the SEHK Subsidiary's) own records shall be final and conclusive.

Moreover, under PRC laws, where the aggregate holding of foreign investors exceeds a specified percentage (the "**Cautionary Level**") of the issued shares of a single PRC Listco, upon notification by the SSE or SZSE to the SEHK Subsidiary, the SEHK and the SEHK Subsidiary are required as soon as practicable thereafter to suspend accepting China Connect Securities buy orders in respect of the relevant China Connect Securities. In such circumstances, your buy orders may be rejected until the aggregate shareholding of foreign investors has fallen below a specified percentage (the "**Permitted Level**") as advised by SSE or SZSE from time to time.

Currently, the single foreign investor limit is set at 10% of the total issued shares of a PRC Listco and the aggregate foreign investor limit is set at 30% of the total issued shares of a PRC Listco (while the Cautionary Level and the Permitted Level are set at 28% and 26% respectively of the total issued shares of a PRC Listco). Such limits and levels are subject to change from time to time. Neither J.P. Morgan nor any Related Person shall be under any obligation to inform you of any such changes relating to foreign ownership limits.

9. China Connect Market-listed Shares Eligible for Northbound Trading

The SEHK will include and exclude securities as China Connect Securities based on the prescribed criteria under the China Connect Rules, any adjustments made to the SSE 180 Index and SSE 380 Index, any adjustments made to the SZSE Component Index and SZSE Small/Mid Cap Innovation Index, any relevant A Shares and H Shares being listed on or delisted from SSE, SZSE and/or the SEHK, and any relevant A Shares being placed under or released from risk alert. You should refer to the HKEX website and other information published by the HKEX for up-to-date information. Neither J.P. Morgan nor any Related Person shall be under any obligation to inform you of any changes to the eligibility of share for Northbound trading.

According to the Mainland Exchange Listing Rules, if any China Connect Market-listed company is in the delisting process, or its operation is unstable due to financial or other reasons such that there is a risk of being delisted or exposing investors' interest to undue damage, the China Connect Market-listed company will be earmarked and traded on the relevant risk alert board. Any change to the relevant risk alert board may occur without prior notice. If a China Connect Security which is eligible for China Connect trading at launch of the programme is subsequently moved to a relevant risk alert board, investors under China Connect will be allowed only to sell the relevant China Connect Security and are prohibited from further buying. For details concerning the risk alert board, please refer to the Mainland Exchange Listing Rules and SSE Risk Alert Board Provisional Trading Arrangement and any other relevant sources from time to time.

Additionally, a China Connect Security which is eligible for China Connect trading at launch of the programme subsequently (i) ceases to be a constituent stock of a the relevant indices, and/or (ii) in the case of a China Connect Security listed on the SZSE, is determined to have a market capitalisation of less than RMB 6 billion or such other threshold as the SZSE may prescribe from time to time, investors under China Connect will be allowed only to sell the relevant China Connect Security and are prohibited from further buying.

10. Special China Connect Securities

The SEHK will accept or designate securities which cease to meet the eligibility criteria for China Connect Securities as Special China Connect Securities (provided that they remain listed on SSE and/or SZSE). In addition, any securities or options (which are not eligible for China Connect trading) received by you as a result of any distribution of rights or entitlements, conversion, takeover, other corporate actions or abnormal trading activities will be accepted or designated by the SEHK as Special China Connect Securities. You will be able only to sell, but not to buy, any Special China Connect Securities.

11. No Off-exchange Trading and Transfers

You, J.P. Morgan and any Related Person shall not trade or provide services to facilitate trading of any China Connect Securities otherwise than through the China Connect Market System, and J.P. Morgan shall not match, execute or arrange the execution of any sale and purchase instructions or any transfer instructions from you or effect any Non-trade

Transfer (as defined below in paragraph 26) or settlement of instructions in respect of any China Connect Securities in any manner other than through China Connect in accordance with the China Connect Rules, except in the following circumstances or as otherwise provided by a relevant China Connect Authority:

- (a) stock borrowing and lending of China Connect Securities which are eligible for covered short selling under the Mainland Exchange Rules and with a tenor of no more than one month;
- (b) stock borrowing and lending of China Connect Securities which are eligible for satisfying the Pre-trade Checking requirement, with a tenor of one day (and which is not renewable);
- (c) post-trade allocation of China Connect Securities by a fund manager or an asset manager across the funds and/or sub-funds or clients it manages; and
- (d) any other situations specified by SSE, SZSE and CSDCC, including but not limited to any Non-trade Transfer as a result or for the purpose of (i) succession, (ii) divorce, (iii) dissolution, liquidation or winding-up of any company or corporation, (iv) donation to a charitable foundation; and (v) assisting in any enforcement action or proceedings of any court, prosecutor or law enforcement agency.

12. Placing Orders

Only limit orders with a specified price are allowed pursuant to Applicable China Connect Laws, whereby buy orders may be executed at or lower than the specified price and sell orders may be executed at or higher than the specified price. Market orders will not be accepted.

13. Price Limits

China Connect Securities are subject to a general price limit of $\pm 10\%$ based on the previous Trading Day's closing price (and a price limit of $\pm 5\%$ where the China Connect Securities are on risk alert). The price limit may be changed from time to time. All orders in respect of China Connect Securities must be within the price limit. Any orders with a price beyond the price limit will be rejected by SSE and/or SZSE. Additionally, the SEHK has put in place a dynamic price checking for buy orders. Buy orders with input prices lower than the current best bid (or last traded price in the absence of current best bid, or previous closing price in the absence of both current best bid and last traded price) beyond a prescribed percentage will be rejected by China Connect Market System. The price checking percentage, which is currently set at 3%, may be adjusted by the SEHK from time to time.

14. Taxation

China Connect Securities traded under China Connect currently enjoy a temporary exemption from PRC "income" tax and PRC business tax. It is uncertain when such exemptions will expire and whether other PRC taxes will be applicable to trading of China Connect Securities under China Connect. Dividends derived from China Connect Securities are subject to PRC withholding tax. PRC stamp duty is also payable for transactions in China Connect Securities under China Connect. You will be fully responsible for any Taxes in respect of China Connect Securities. Neither J.P. Morgan nor any Related Person assumes any responsibility for advising on or handling any tax issues, liabilities and/or obligations in connection with China Connect, nor will any of them provide any service or assistance in this regard. Prior to investing in China Connect Securities, you are strongly urged to consult your own tax advisers and counsel with respect to the possible tax consequences to you of such investment since such tax consequences may differ in respect of different investors.

In addition and without prejudice to any other right or remedy which J.P. Morgan may have, J.P. Morgan shall be entitled in its absolute discretion, without further notice or demand, forthwith, to satisfy any obligation or potential obligation of J.P. Morgan or any Related Person or you to pay or account for any amounts in respect of any Taxes by selling, realising or otherwise dealing with, in such manner as J.P. Morgan in its absolute discretion may determine, all or part of any property held by J.P. Morgan or any Related Person for any purpose in any of your accounts held with J.P. Morgan or any Related Person, and to apply the proceeds in reduction of all or part of your liability to J.P. Morgan or any Related Person. Neither J.P. Morgan nor any Related Person shall have any liability for any losses or risks which may result directly or indirectly from any actions taken by J.P. Morgan or any Related Person in respect of the foregoing.

15. Client Securities Rules

By way of brief background, the Client Securities Rules prescribe how client assets are to be dealt with by all intermediaries and their associated entities. However, as the China Connect Securities traded through China Connect are not listed or traded on the SEHK, you will not have protection under the Client Securities Rules, unless otherwise specified by the SFC or any other relevant China Connect Authority.

16. Investor Compensation Fund

Trading in China Connect Securities does not enjoy the protection afforded by the Investor Compensation Fund established under the Securities and Futures Ordinance. Accordingly, unlike the trading of SEHK-listed securities, you will not be covered by the Investor Compensation Fund in respect of any loss you may sustain by reason of a default by any SFC licensed or registered intermediaries.

17. Ownership of China Connect Securities

China Connect Securities are held in CSDCC. HKSCC will become a direct participant in CSDCC and China Connect Securities acquired by investors through Northbound trading will be:

(a) recorded in the name of HKSCC in the nominee securities account opened by HKSCC with CSDCC and HKSCC will be nominee holder of such China Connect Securities; and

(b) held in custody under the depository of CSDCC and registered in the shareholders' register of the relevant PRC Listco.

HKSCC will record interests in such China Connect Securities in the CCASS stock account of the relevant HKSCC Clearing Participant.

Under Hong Kong law, HKSCC will be regarded as the legal owner of such China Connect Securities and will be regarded as holding the beneficial entitlement to the China Connect Securities on behalf of the relevant Clearing Participant(s). Depending on the custody arrangements between a Clearing Participant and its Hong Kong or overseas clients, such Clearing Participant will in turn generally be regarded as holding the beneficial entitlement for such Hong Kong or overseas clients.

Under current PRC regulations, China Connect Securities will be recorded in a nominee account opened by HKSCC with CSDCC and Northbound investors have rights and interests in China Connect Securities acquired through China Connect according to the applicable laws. The CSRC Securities Registration and Settlement Measures, CSDCC Securities Registration Rules and Administrative Rules on Securities Accounts, the CSDCC China Connect Rules and Mainland Exchange Rules generally provide for the concept of a "nominee holder" and recognise the Northbound investors as the "ultimate owners" of China Connect Securities. The nature and rights of a Northbound investor as the beneficial owner of China Connect Securities through HKSCC as nominee has been clarified by the CSRC which has set out that Northbound investors, as the "ultimate owners", shall hold China Connect Securities through HKSCC and are entitled to proprietary interest in such securities as shareholders.

Northbound investors shall exercise their rights in relation to China Connect Securities through HKSCC as the nominee holder. As Northbound investors will have actual control over voting rights in respect of such China Connect Securities (either individually or acting in concert with others), Northbound investors are responsible for complying with disclosure obligations under PRC laws and regulations in relation to China Connect Securities acquired through Northbound trading. You should note that, under the CCASS China Connect Rules, HKSCC as nominee holder shall have no obligation to take any legal action or court proceeding to enforce any rights on behalf of the investors in respect of China Connect Securities in the PRC or elsewhere.

18. No Manual Trade or Block Trade

There will be no manual trade facility or block trade facility for Northbound trading under China Connect.

19. Amendment of Orders and Loss of Priority

Consistent with the current practice in the PRC, if an investor engaged in Northbound trading wishes to amend an order, the investor must first cancel the original order and then input a new one. Accordingly, order priority will be lost and, subject to the Daily Quota restrictions (see

paragraph 3 above), the subsequent order may not be filled on the same Trading Day.

20. Risk of CSDCC Default

CSDCC has established a risk management framework and measures that are approved and supervised by the CSRC. If CSDCC (as the host central counterparty) defaults, HKSCC may (but shall have no obligation) to take any legal action or court proceeding to seek recovery of the outstanding China Connect Securities and monies from CSDCC through available legal channels and through CSDCC's liquidation process, if applicable. As CSDCC does not contribute to the HKSCC guarantee fund, HKSCC will not use the HKSCC guarantee fund to cover any residual loss as a result of closing out any of CSDCC's positions. HKSCC will in turn distribute China Connect Securities and/or monies recovered to clearing participants on a pro-rata basis as prescribed by the relevant China Connect Authorities. J.P. Morgan in turn will be distributing China Connect Securities and/or monies only to the extent recovered directly or indirectly from HKSCC. Although the likelihood of a default by CSDCC is considered to be remote, investors should be aware of this arrangement and of this potential exposure before engaging in Northbound trading.

21. Risk of HKSCC Default

The provision of services pursuant to the China Connect Terms also depends upon the performance by HKSCC of its obligations. Any action or inaction of the HKSCC or a failure or delay by the HKSCC in the performance of its obligations may result in a failure of settlement, or the loss, of China Connect Securities and/or monies in connection with them and you may suffer losses as a result. Neither J.P. Morgan nor any Related Person shall have any responsibility or liability for any such losses.

22. Scripless Securities

China Connect Securities are traded in scripless form and accordingly, China Connect Securities may not be physically deposited into and/or withdrawn from CCASS.

23. Company Announcements on Corporate Actions

Neither J.P. Morgan nor any Related Person shall be responsible for any corporate actions. Any corporate action in respect of China Connect Securities will be announced by the relevant issuer through the SSE and/or SZSE website and certain officially appointed newspapers. HKSCC will also record all corporate actions relating to China Connect Securities in CCASS and inform its clearing participants of the details via the CCASS terminals as soon as practicable on the announcement date. Investors engaged in Northbound trading may refer to the SSE and/or SZSE website and the relevant newspapers for the latest listed company announcements or, alternatively, the HKEX website's China Stock Markets Web (or such other replacement or successor web-page from time to time) for corporate actions in respect of China Connect Securities issued on the previous trading day. Investors should note that China Connect Market-listed issuers publish corporate documents in Chinese and English translations may not be available.

In addition, HKSCC will endeavour to collect and distribute cash dividends relating to China Connect Securities to clearing participants in a timely manner. Upon receipt of the dividend amount, HKSCC will to the extent practicable arrange to distribute to relevant clearing participants on the same day.

Following existing market practice in the PRC, investors engaged in Northbound trading will not be able to attend shareholder meetings by proxy or in person, unlike the current practice in Hong Kong in respect of SEHK-listed shares.

Neither J.P. Morgan nor any Related Person can ensure the accuracy, reliability or timeliness of any company announcements of corporate actions and they accept no liability (whether in tort or contract or otherwise) for any loss or damage arising from any errors, inaccuracies, delays or omissions or any actions taken in reliance thereon. J.P. Morgan and Related Persons expressly disclaims all warranties, expressed or implied, as to the accuracy of any company announcement or as to the fitness of the information for any purpose.

24. Average Pricing across Funds for Fund Managers

Where Average Pricing applies, you will be allocated China Connect Securities (or their proceeds) at the same averaged price across your

orders, which may be higher or lower than the price which you would have paid or received had the orders been processed individually and in the order submitted. Neither J.P. Morgan nor any Related Person will be responsible for any such difference in pricing or any loss or risk arising from the application of Average Pricing.

25. Disclosure of Information and Publication of Trade Information

The SEHK may require J.P. Morgan to provide information on your profile, and the type and value of your orders in relation to Northbound trading of China Connect Securities and the trades which J.P. Morgan handled for you at such intervals and in such form as the SEHK may specify from time to time for purposes of the publication, dissemination or public distribution of aggregated information in respect of China Connect Securities trades under China Connect, trading volumes, investor profiles and other related data.

26. Retention of Information

You acknowledge and accept that J.P. Morgan and any Related Person may in accordance with the China Connect Rules keep records for a period of not less than 20 years of (a) all orders and trades executed on your behalf; (b) any instructions received from you; (c) your account information in relation to Northbound trading; and (d) all relevant information concerning margin trading and stock borrowing and lending of any China Connect Securities (including, without limitation, in respect of any such margin trading, the relevant securities margin trading arrangement and the funds provided).

27. Client Error

Neither J.P. Morgan nor any Related Person shall be liable for any loss, damage or expense or consequential loss, damage or expense suffered by you as a result of any trading based on your instructions. J.P. Morgan will not be able to unwind any trade, and investors should take note of the settlement arrangements in respect of China Connect Securities under China Connect, including but not limited to quota restrictions which may affect the ability to mitigate the consequences of any error trades.

The China Connect Rules generally prohibit any off-exchange trading or transfers. However, transfers may be permitted between exchange participants and their clients to rectify an error trade in limited circumstances, although there is a lack of clarity as to the circumstances in which such transfers may be permitted. Exchange participants who perform a transfer of beneficial ownership of China Connect Securities which is not conducted through the China Connect Service and executed on the China Connect Market (a "Non-trade Transfer") to rectify an error trade will be required to submit to the SEHK an error trade report together with supporting documents explaining how the error was made and providing details of the Non-trade Transfer. The SEHK has the power to disallow a particular exchange participant to conduct Non-trade Transfers for error trade rectification if the SEHK has reasonable cause to suspect or to believe that the exchange participant may abuse or may have abused such rectification arrangements or may have used such rectification arrangements to circumvent the prohibition against off-exchange trades or transfers. The SEHK may provide error trade reports and related information to the SFC, SSE and SZSE. Exchange participants are warned by the SEHK not to misuse this arrangement to effect off-exchange trades or transfers which are otherwise disallowed under the relevant China Connect Rules. J.P. Morgan shall have absolute discretion to determine whether to conduct any transfer to rectify any error trade and shall have no obligation to do so. Neither J.P. Morgan nor any Related Person shall have any liability for any losses which may result directly or indirectly from any error trade or any refusal to conduct a transfer to correct an error trade.

28. Operation of China Connect Service

The SEHK or the SEHK Subsidiary (after consulting with the SEHK) may, under certain circumstances as specified in the SEHK rules and/or whenever the SEHK determines that it is appropriate and in the interest of a fair and orderly market to protect investors, temporarily suspend or restrict all or part of the order-routing and related supporting services with regard to all or any Northbound trading of China Connect Securities, and for such duration and frequency as the SEHK may consider appropriate. You will not be able to buy or sell China Connect Securities on the SEHK through China Connect during any period in which trading of China Connect Securities is suspended. In particular, you should note that while trading of China Connect Securities is suspended by the SEHK, trading of such China Connect Securities may continue on SSE and/or SZSE. You may remain exposed to fluctuations in the price of China Connect

Securities caused by trading on SSE and/or SZSE during the period when trading of such China Connect Securities is suspended by the SEHK.

The SEHK has absolute discretion to change the operational hours and arrangements of the China Connect Service at any time and without advance notice, whether on a temporary basis, due to operational needs, inclement weather, under emergency situations or otherwise. Moreover, the SEHK or the SEHK Subsidiary (with the agreement of the SEHK) may cease the provision of the China Connect Northbound trading service permanently.

Such suspension, restriction or cessation will affect J.P. Morgan's ability to accept and process your orders and you are advised to refer to the HKEX website and other information published by the HKEX for up-to-date information. There can be no assurance that your orders will be accepted or processed, notwithstanding that China Connect Securities may be traded through other channels including, without limitation, by PRC investors on SSE and/or SZSE.

Further, the SEHK China Connect Rules state that where any H Shares with corresponding A Shares eligible as China Connect Securities are suspended from trading on the SEHK, but the corresponding A Shares are not suspended from trading on SSE or SZSE, the service for routing the China Connect sell orders and China Connect buy orders for such A Shares to SSE or SZSE for execution will normally remain available. However, the SEHK may, in its discretion, restrict or suspend such service without prior notice and your ability to place sell orders and buy orders may be affected.

Neither J.P. Morgan nor any Related Person is responsible for any delay or failure caused by the China Connect Market System and investors accept all risks arising from trading China Connect Securities through the China Connect Market System. Neither J.P. Morgan nor any Related Person shall be responsible or held liable for any loss or damage directly or indirectly suffered by you arising from or in connection with the China Connect Service or the CSC through Northbound trading including, without limitation, the following:

- (a) a suspension, restriction or cessation of the China Connect Service or the CSC, or any inability to access or use the CSC or the China Connect Service;
- (b) any special arrangement put in place or any action, step or measure taken or not taken to deal with an emergency, including but not limited to the cancellation of any or all China Connect orders inputted;
- (c) any suspension, delay, interruption or cessation of trading of any China Connect Securities on SSE and/or SZSE or through the SEHK;
- (d) any delay, suspension, interruption or order cancellation of any China Connect Securities as a result of the hoisting of a Typhoon Signal No. 8 or above or the issuance of the Black Rainstorm Warning in Hong Kong;
- (e) any delay or failure to route any China Connect orders, or any delay or failure to send any order cancellation requests or to provide the China Connect Service, due to any system, communication or connection failure, power outage, software or hardware malfunction or other event beyond the control of the SEHK, J.P. Morgan or any Related Person;
- (f) any circumstance that a cancellation of a China Connect order which the Exchange Participant has requested to be cancelled is not cancelled for any reason whatsoever;
- (g) any delay, failure or error of any China Connect Market System or any system upon which the SEHK Subsidiary, J.P. Morgan or any Related Person is reliant in providing the China Connect Service; and
- (h) any delay or failure to execute, or any error in matching or executing any, China Connect order due to any reason beyond the control of the SEHK, HKEX or the SEHK Subsidiary or J.P. Morgan or any Related Person (including, without limitation, any action or decision taken or made, or not taken or made, by SSE, SZSE, any China Connect Authority or any other relevant governmental or regulatory body).

If there is any delay or failure to send any order cancellation request any circumstance described in paragraph (e) above, you shall, in the event such order is matched and executed, remain responsible to fulfil any settlement obligations in respect of such transaction.

29. Operational Hours

The SEHK has absolute discretion to determine from time to time the operational hours of the China Connect Service, and will have absolute discretion to change the operational hours and arrangements of the China Connect Service at any time and without advance notice whether on a temporary basis or otherwise. Neither J.P. Morgan nor any Related Person shall be under any obligation to inform you of any such determinations by the SEHK as to the operational hours of the China Connect Service.

Where, for example, there is any price sensitive information relating to a PRC Listco during a time when the China Connect Service is not in operation, the A Shares of the PRC Listco may continue to trade on SSE and/or SZSE and the price of such A Shares may move significantly. In such case, Northbound investors will not be able to trade in such shares until the next available Trading Day under China Connect.

30. Margin Trading

Subject to certain conditions prescribed by the China Connect Authorities, Hong Kong and overseas investors may conduct margin trading in China Connect Securities determined by the relevant China Connect Authorities to be eligible for margin trading ("**Eligible Margin Trading Securities**"). The HKEX will from time to time publish a list of Eligible Margin Trading Securities. The SSE and/or SZSE may suspend margin trading activities in any specific A Share if the volume of margin trading activities in such A Share exceeds a threshold determined by SSE or SZSE (as relevant) and resume margin trading activities when the volume of margin trading activities drops below a prescribed threshold. Where the SEHK is notified by SSE or SZSE that a suspension or resumption involves a security on the list of Eligible Margin Trading Securities, the HKEX will disclose such information on its website. In such circumstances, any margin trading (except for margin trading in respect of China Connect Securities buy orders) in the relevant China Connect Security shall be suspended and/or resumed accordingly. SSE and SZSE have reserved the right to require at some point in time, margin trading orders to be flagged as margin trading orders when routed to China Connect. Neither J.P. Morgan nor any Related Person shall have any obligation to update you in respect of the list of Eligible Margin Trading Securities or any restrictions or suspensions in respect of margin trading from time to time.

31. Rights Issuances

Where a Hong Kong or overseas investor receives any form of entitlement security from the issuer of a China Connect Security, if such entitlement security:

- (a) is a China Connect Security, Hong Kong and overseas investors will be allowed to buy and sell the entitlement security through China Connect;
- (b) is not a China Connect Security but is a RMB-denominated security listed on the SSE or SZSE, Hong Kong and overseas investors may be permitted to sell the entitlement security through China Connect but will not be permitted to buy such entitlement security;
- (c) is a China Connect Market-listed security but is not traded in RMB, Hong Kong and overseas investors will not be allowed to buy or sell the entitlement security through China Connect. HKEX has stated that SSE, SZSE and the SEHK will consult each other to agree on the appropriate treatment of the entitlement security; and
- (d) is not listed on SSE or SZSE, Hong Kong and overseas investors will not be allowed to buy or sell the entitlement security on China Connect unless and until appropriate arrangements (if any) have been provided by HKSCC. It is possible that no such arrangements will be provided.

32. Odd Lot Trading and Order Restrictions

Odd lot trading in China Connect Securities is available only for sell orders and all odd lots must be sold in one single order. A board lot order may be matched with different odd lot sell orders, resulting in odd lot trades. Board lot and odd lot orders are matched on the same platform on China Connect and subject to the same share price. The maximum order size is 1 million shares or units (300,000 shares for stocks on SZSE ChiNext and 100,000 shares for stocks on SSE STAR) and the tick size is uniformly set at RMB0.01 for A shares and RMB0.001 for ETFs.

33. Short Selling

Naked short selling is prohibited for Northbound trading. Covered short selling of China Connect Securities is permitted subject to certain requirements in the China Connect Rules. However, J.P. Morgan will not facilitate covered Short Selling of China Connect Securities and/or any Uptick Long Sale.

You have confirmed that you will not instruct J.P. Morgan to undertake Short Selling or any Uptick Long Sale on your behalf. To the extent that you do instruct J.P. Morgan to undertake Short Selling or any Uptick Long Sale on your behalf you shall be responsible to J.P. Morgan and any Related Person for any risk, liability, loss, expense or cost resulting from such instruction.

34. Stock Borrowing and Lending

Stock borrowing and lending are permitted for eligible China Connect Securities as specified by SSE and SZSE for the purpose of (a) covered short selling and (b) satisfying the Pre-Trade Checking requirement. Special China Connect Securities are not eligible for stock borrowing and lending for the purpose of covered short selling (but are eligible for the purpose of satisfying the Pre-Trade Checking requirement). SSE and/or SZSE (as relevant) will determine a list of eligible China Connect Securities for stock borrowing and lending for the purposes of the Mainland Exchange Rules. Stock borrowing and lending of eligible China Connect Securities will be subject to restrictions set by the SEHK, SSE and SZSE, including but not limited to the following:

- (a) stock borrowing and lending agreements made in accordance with the Mainland Exchange Rules for the purpose of covered short selling shall have a duration of not more than one month;
- (b) stock borrowing and lending agreements for the purpose of satisfying the Pre-Trade Checking requirement shall have a duration of not more than one day (and roll-over is not permitted);
- (c) stock lending will be restricted to certain types of persons to be determined by SSE and SZSE; and
- (d) stock borrowing and lending activities will be required to be reported to the SEHK.

Only certain persons are eligible to lend China Connect Securities in stock borrowing and lending arrangements concerning China Connect Securities.

J.P. Morgan will be required to file a monthly report to the SEHK providing details of its stock borrowing and lending activities with respect to China Connect Securities. This may include (amongst others) details of the borrower, lender, amount of shares borrowed/lent, amount of shares outstanding and date of borrowing/returning.

Where the prescribed proportion of stock borrowing and lending of any China Connect Security exceeds the limit prescribed by SSE and/or SZSE, SSE and/or SZSE may suspend stock borrowing and lending of such China Connect Security and require the SEHK Subsidiary to suspend placement of covered short selling orders relating to such China Connect Security. If and when the prescribed proportion of stock borrowing and lending falls below the prescribed limit, SSE and/or SZSE may resume stock borrowing and lending of such China Connect Security and notify the SEHK Subsidiary that it may resume acceptance of covered short selling orders relating to such China Connect Security.

You are advised to refer to the relevant provisions from time to time governing stock borrowing and lending of China Connect Securities under the SEHK China Connect Rules and the Applicable China Connect Laws. Neither J.P. Morgan nor any Related Person shall have any obligation to update you in respect of any suspension of stock borrowing and lending or any change to the relevant SEHK China Connect Rules or Applicable China Connect Laws.

35. Risks associated with investing in China Connect Securities

PRC-related risks

Investing in the PRC, an emerging market, involves special considerations and risks, including without limitation greater price volatility, less developed

regulatory and legal framework, economic, and social and political instability.

Market risk

The market value of China Connect Securities and the income from them may go down as well as up. There can be no assurance that you will achieve profits or avoid losses from trading China Connect Securities, significant or otherwise. The return you receive from the China Connect Securities (if any) will fluctuate in response to changes in capital appreciation and/or income relating to such China Connect Securities. Furthermore, China Connect Securities may experience volatility and decline depending on market conditions. Through trading China Connect Securities, you are exposed to various forms of risk, including (for example), interest rate risks (risks of falling China Connect Securities values in a rising interest rate market), income risks (risks of falling incomes from China Connect Securities in a falling interest rate market) and credit risk (risk of a default by an issuer of China Connect Securities).

Possible business failure risk

In the current economic environment, global markets are experiencing very high level of volatility and an increased risk of corporate failures. The insolvency or other corporate failures of any one or more underlying issuer of China Connect Securities may have an adverse effect on your investment. You may lose money by investing in China Connect Securities.

Equity risk

Investing in China Connect Securities may offer a higher rate of return than investing in short term and longer term debt securities. However, the risks associated with investments in China Connect Securities may also be higher, because the investment performance of China Connect Securities depends upon factors which are difficult to predict. Such factors include the possibility of sudden or prolonged market declines and risks associated with individual companies. The fundamental risk associated with any equity portfolio is the risk that the value of the investments it holds might suddenly and substantially decrease in value.

Dividend risk

Whether an issuer of China Connect Securities will pay distributions is subject to such underlying issuer's dividend policy. Dividend payment rates in respect of China Connect Securities may depend on factors including general economic conditions and the financial positions of the relevant issuers. There can be no assurance that any dividends or distributions in respect of China Connect Securities will be declared or paid.

Liquidity risks

Although China Connect Securities are listed for trading on SSE and SZSE and are available for trading through the SEHK by China Connect, there can be no assurance that an active trading market for China Connect Securities will develop or be maintained. If spreads on China Connect Securities are wide, this may adversely affect your ability to dispose of China Connect Securities at the desired price. If you need to sell China Connect Securities at a time when no active market for them exists, the price you receive for your China Connect Securities — assuming you are able to sell them — is likely to be lower than the price received if an active market did exist.

General legal and regulatory risk

You must comply with all Applicable China Connect Laws. Furthermore, any change in any Applicable China Connect Laws may have an impact on the market sentiment which may in turn affect the performance of China Connect Securities. It is impossible to predict whether such an impact caused by any such change will be positive or negative for China Connect Securities. In the worst case scenario, you may lose a material part of your investments in China Connect Securities.

Currency risk

RMB is not yet freely convertible in Hong Kong, and is subject to foreign exchange controls and restrictions. Particularly, conversion of RMB through banks in Hong Kong is subject to certain restrictions. It may be difficult for investors to convert RMB into Hong Kong dollars or other

currencies or vice versa at any specific time, and conversion will be subject to conversion costs and such costs and timings for conversion may not be of your preference.

In addition, the value of RMB against Hong Kong dollars or other foreign currencies may be affected by a wide range of factors. There is no guarantee that RMB will not depreciate. A depreciation of RMB may result in a decrease in the market value of RMB denominated securities and the realisation price of the RMB denominated securities. Investors who are trading in RMB denominated securities may also sustain loss in the event that they subsequently convert any RMB proceeds back to Hong Kong dollars or other base currencies.

There are also significant restrictions on the remittance of RMB into and out of the PRC. If the issuer of RMB denominated securities is not able to remit RMB to Hong Kong or make distributions in RMB due to exchange controls or other restrictions, the issuer may make distributions (including dividends and other payments) in other currencies. Investors may therefore be exposed to additional foreign exchange risk and liquidity exposures.

The liquidity and trading price of China Connect Securities may be adversely affected by the limited availability of RMB outside the PRC and restrictions on the conversion of RMB. These factors may affect the liquidity of RMB for investors and accordingly adversely affect the market demand for China Connect Securities.

36. Risks associated with the ChiNext market

Regulatory Risks

The rules and guidance on listing, trading, disclosure and other matters of SZSE ChiNext vary much from those of the SZSE main board and SME board. For example, on the listing requirements, a shorter track record period and lower net profit, revenue and operating cash flow requirements will apply for company seeking IPO and listing on the ChiNext market. ChiNext companies may also have a lower post-IPO total share capital than main board and SME board companies. For details of the listing requirements on the ChiNext market, the SZSE main board and SME board, please visit SZSE website.

Besides, ChiNext market adopts disclosure rules that substantially vary from those of the main board and SME board. For example, ad hoc reports of ChiNext companies are only required to be published on a CSRC designated website and on the issuers' websites. If you continue to check information through the usual disclosure channels for main board and SME boards, you may miss out some important information disclosed by ChiNext companies. Therefore, you are advised to closely monitor announcements and risk alerts of ChiNext companies, be aware of market risks, and comply with relevant rules and regulations while trading in the ChiNext market.

Delisting risks

The delisting standards of the ChiNext market are different from those of the SZSE main board and SME board. There are more situations that will lead to the delisting of ChiNext companies. ChiNext companies have greater exposure to the risk of being delisted, and such delisting process may be speeded up.

In addition, the shares of ChiNext companies may be delisted immediately after SZSE determines its delisting. You will not be able to trade in delisted shares, and may lose all the invested capital in this case.

Operating risks

ChiNext companies are generally in an early stage of development and have a shorter history. They are usually smaller in scale, have less stable operations, and are less resilient against market risks and industry risks. Although they may have higher growth potential and leverage more on technical innovations, their future performance particularly those without a profit track record is susceptible to great uncertainty.

High Share Price Volatility

The share prices of ChiNext companies may fluctuate largely and frequently due to changing market conditions, investor speculations, inconsistent financial results, etc. ChiNext companies with low public float

may be vulnerable to manipulations by major shareholders. The unstable financial result also adds the difficulty to the company valuations.

Technical Risks

It is uncertain whether a ChiNext company is able to convert its technical innovations into physical products or services. When the industry is experiencing rapid technological development and replacement, its product may be obsolete and may not survive in the market.

Risk Disclosure Statement

You should also refer to the standard Risk Disclosure Statement in the Investor Eligibility Implementing Measure of ChiNext Market (in Chinese only) which Mainland investors are required to acknowledge before trading in SZSE ChiNext market. The risk disclosure statements may be updated by HKEX or SZSE from time to time. You are advised to refer to the HKEX and SZSE websites for the latest update.

37. Risks associated with the SSE STAR market

Regulatory Risks

The rules and guidance on listing, trading, disclosure and other matters of SSE STAR vary much from those of the SSE main board. For example, on the listing requirements, lower net profit and revenue requirements will apply for company seeking IPO and listing on the STAR market. Different trading arrangements will apply for the trading of STAR companies, such as daily price limit, minimum order size and maximum order size. For details of the listing requirements and the trading arrangements of the STAR market and the SSE main board, please visit SSE website.

Delisting risks

The delisting standards of the STAR market are different from those of the SSE main board. There are more situations that will lead to the delisting of STAR companies. STAR companies have greater exposure to the risk of being delisted, and such delisting process may be speeded up.

Operating risks

STAR companies are generally in an early stage of development and have a shorter history. They are usually smaller in scale, have less stable operations, and are less resilient against market risks and industry risks. Although they may have higher growth potential and leverage more on technical innovations, their future performance particularly those without a profit track record is susceptible to great uncertainty.

High Share Price Volatility

The share prices of STAR companies may fluctuate largely and frequently due to changing market conditions, investor speculations, inconsistent financial results, etc. The unstable financial result also adds the difficulty to the company valuations.

Technical Risks

There is higher degree of uncertainty whether a STAR company is able to convert its technical innovations into physical products or services. When the industry is experiencing rapid technological development and replacement, its product may be obsolete and may not survive in the market.

Risk Disclosure Statement

Risks set out in this page are for reference only and not exhaustive. You are advised to refer to the standard Risk Disclosure Statement in the Investor Eligibility Implementing Measure of STAR Market (in Chinese only) which Mainland investors are required to acknowledge before trading in SSE STAR market. The risk disclosure statements may be updated by HKEX or SSE from time to time. You are advised to refer to the HKEX and SSE websites for the latest update.

1.6 In order to be able to carry out the Brazil Transactions on B3, you shall maintain an account with the Brazil Broker (if applicable, on behalf of any principal or principal for whom you are acting as agent), and shall observe the terms established by the Brazil Broker in connection therewith, so as to comply with all of your obligations in connection with the Brazil Transactions and the terms hereof.

1.7 You hereby appoint the applicable Brazil Broker as your agent and representative to B3, with power on your behalf to: take all necessary steps to carry out Brazil Transactions; receive and deliver cash or securities; enter into agreements; to settle the Brazil Transactions; and assume all obligations and exercise all rights arising under the standards and regulations of B3.

1.8.1 execute, retain and/or transfer any funds or assets which are held for the Customer's benefit or account and/or held under some form of guarantee; and

1.10 You and, if applicable, your principals shall be deemed compliant with your payment obligations relating to the Brazil Transactions executed on B3's markets only upon confirmation of receipt of funds by (a) the Brazil Broker; (b) the Brazil Broker's clearing member; and (c) the B3. Notwithstanding paragraph 1.9 above, any collateral posted by you or/and on your behalf in connection with Brazil Transactions may be executed: (a) by the Brazil Broker's clearing member if the Brazil Broker fails to transfer the settlement funds corresponding to the Brazil Transactions executed to its clearing member; and (b) by B3 if the Brazil Broker's clearing member fails to transfer the settlement funds corresponding to the Brazil Transactions executed by you and, if applicable your principals, to B3.

1.11 You confirm that the representations, warranties and undertakings made by you under the Brazil Addition are made to J.P. Morgan and its Affiliates. You further represent and warrant that you are not a Bound Person as defined by CVM Resolution 35, as amended from time to time.

In addition, you and, if applicable, your principals, agree to (a) promptly respond and provide such information as may be requested by J.P. Morgan, its Affiliates or the Brazil Broker to comply with any request of any Brazilian regulatory authority; and (b) upon request, provide accurate and current information concerning the identity, address, occupation, contact details, income, net worth and financial situation of you and/or your principal or principals, and any person having ultimate beneficial interest in the Brazil Transaction.

Morgan acting on your behalf and the Brazil Broker, shall be recorded by the Brazil Broker and maintained in its files (the "Recordings") for five (5) years or in the case of regulatory proceedings for such longer period as determined by the CVM or applicable law or regulation, by B3 or by BSM. The Recordings may be used as evidence for clarification of questions arising in connection with your account and/or the Brazil Transactions.

1.14 Brokerage fees on Brazil Transactions may take into account a variety of factors, possibly including: volume of trades; growth and volume expectations; characteristics of the transactions; and client profile and relationship.

1.15 With respect to Brazil Transactions in derivatives on B3, you and, if applicable your principals, expressly acknowledge and agree that:

1.15.1 the value of your open positions is adjusted daily to reflect the market price fluctuations in accordance with B3 rules. Acting as a buyer in the futures market, you and, if applicable your principals, bear the risk of having a negative impact in the value of your adjusted position if market prices go down. Acting as a seller in the futures market, you and, if applicable your principals, bear the risk of having a negative impact in the value of your adjusted position if market prices go up. In either case, you and, if applicable your principals, will be required to pay daily adjustments in cash related to the market value adjustment on the positions related to such Brazil Transactions and, at the discretion of B3 and/or the Brazil Broker, comply with margining requirements;

1.15.2 the Brazil Broker may at its own discretion (i) limit the amount of open positions held on your behalf or, if applicable, on behalf of your principals, as well as close them out in case the limit is exceeded; (ii) close out, totally or partially, your positions or, if applicable, the positions you hold on behalf of your principals; (iii) proceed with the enforcement of the collateral held on your behalf or, if applicable, on behalf of your principals; (iv) sell or buy the securities necessary for the settlement of open positions held on your behalf or on behalf of your principals; and (v) request the increase of collateral, including for existing positions held on your behalf or, if applicable, on behalf of your principals, anticipation of payment of daily adjustments, additional collateral as the Brazil Broker deems appropriate, as well as the replacement of deposited collateral, including, without limitation, for existing positions for which collateral has been already posted;

1.15.3 you shall post additional collateral and/or replace posted collateral as required and subject to the terms and conditions established by the Brazil Broker;

1.15.4 the risk of carry trade is not eliminated by holding covered or off setting positions, either on the futures or options markets;

1.15.5 Brazil Transactions involving options bear certain risks, including: (i) as buyer of a call option you and, if applicable your principals, may have a loss on the premium paid, or part thereof, in case the intrinsic value of the option (i.e. the difference between the price of the underlying asset and the strike price, if positive) is lower than the amount of the premium paid for such option; (ii) as buyer of a put option you and, if applicable your principals, may have a loss on the premium paid, or part thereof, in case the intrinsic value of the option (i.e. the difference between the strike price and the price of the underlying asset, if positive) is lower than the amount of the premium

paid for such option; (iii) as seller of a call option you and, if applicable your principals, may suffer losses directly related to the increase of price of the underlying asset well in excess of the premium received; and (iv) as seller of a put option you and, if applicable your principals, may suffer losses directly related to the decrease of price of the underlying asset well in excess of the premium received;

1.15.6 despite the fact that open positions in the futures and options market may be offset by entering into an opposite transactions (buy or sell) to realise a profit, stop a loss or avoid the exercise of an option, under certain market liquidity conditions it may be difficult or impossible to liquidate or acquire a position or, in case the position is linked to a stop-loss order, to execute such an order at the stipulated price; and

1.15.7 in case of unforeseen situations related to derivatives traded by you and, if applicable your principals, or of governmental measures or any other extraordinary factors that impact the pricing, its calculation or disclosure, or its discontinuity, B3 shall take the measures it deems necessary, at its own discretion, to settle your position or your principals' position or to maintain such position opened on an equivalent basis.

1.16 Customer acknowledges and agrees that in the event it has not, in its sole discretion, hired a third-party custodian to provide custody services for securities and assets, or even in the case it has engaged a third-party custodian yet it prefers to engage the Broker for the provision of such services with respect to the Trades specified in this Disclosure, it undertakes to, assuming full responsibility for its decision, execute with the Broker a separate SECURITIES AND ASSETS CUSTODY AGREEMENT ("Custody Agreement") in order to govern the provision of custody services by the Broker, and, in such case, the terms of the Custody Agreement as well as the conditions set out above and in Section 11 of the Rules and Parameters shall apply to the relationship between them. In case of any conflicts between the provisions of the Custody Agreement and the provisions of this Disclosure, the Custody Agreement provisions shall prevail for all purposes. Regardless of whether the Customer has hired a third-party custodian for the provision of securities custody services and does not intend to hire the Brazil Broker for such purpose, the terms of this Clause and those set forth in Section 11 of the Rules and Parameters shall remain applicable, as appropriate, on the occasions that the Brazil Broker provides custody services (i) as required by B3, in cases which the broker and the custodian acting in a particular transaction must be the same institution, such as custody services of shares used as collateral in the B3's markets (Listed options or BTB Securities Lending) or (ii) when there is a failure in the settlement of any transaction, or operational error which results in the Brazil Broker rendering such services to the Customer. Specifically with respect to item (i) of the above provision, in case B3 at any time permits that the custodian and the Brazil Broker of the reference transactions be distinct institutions, unless otherwise agreed between the Brazil Broker and the Customer, the Brazil Broker shall cease to provide services of securities and assets custody under such transactions. The Brazil Broker, in the capacity of Customer's custodian whenever applicable shall perform the Customer registration in B3's system, through the register of required information to Customer's identification, pursuant to applicable legislation in force. During the provision of securities custody services by the Brazil Broker, in the individual account opened by the Brazil Broker in the Customer's name at B3, it shall register ("Custody Account"): (i) all the deposits, withdrawals and assets transfers; (ii) debts and credits of assets related to the Custody Events. Under the terms of this disclosure, "Custody Event" comprises all the obligations from the security issuer related to the redemption of the principal and accessories of the asset held in custody by a central securities depository; (iii) the financial resources provisions from the asset's issuer, which refers to Custody Events; (iv) the financial resources due by the Custody Agent and the Customer; (v) the requests for exercise of any rights; (vi) debts and credits of assets related to the settlement of transactions; (vii) the creation of liens or encumbrances on assets held under custody; (viii) the blocks on movement of assets deposited under B3's custody by virtue of a judicial order. The Customer authorizes the Brazil Broker to implement, whenever requested, the Sale Locking Mechanism, pursuant to B3 rulebooks. Under the terms of this disclosure, "Sale Locking Mechanism" means the mechanism whereby the Custody Agent

indicates that the relevant assets, subject to a particular sale Trade, are committed to guarantee the fulfilment of the obligation of delivering the assets from or to the settlement account, for the purpose of settlement of the obligations related to such Trade. When acting in the capacity of custodian, the Brazil Broker shall: (i) ensure the integrity of the assets held in custody and maintain confidentiality about its characteristics and quantities, as well as perform the control and preservation of such assets, the respective management and financial settlement, including within the systems of clearinghouses and central securities depositories; (ii) perform the daily reconciliation of Customer's positions, ensuring that the assets and respective rights are duly registered in the name of Customer within such custody systems, when applicable; (iii) maintain the assets owned by the Customer deposited in individual Custody Accounts, under its name; (iv) make deposits, withdrawals and transfer of assets held in custody exclusively based on Customer's instructions, provided that these movements are in accordance with the legislation in force, except for the cases of judicial orders or arising from regulatory bodies; (v) process corporate events associated with the assets ("Custody Events"), performing the continuous monitoring of such events as per deliberated by respective issuers and forwarding the financial resources or assets related to the Custody Events and, when applicable, collect the taxes due; (vi) provide periodic information on the assets and the Custody Account to the Customer, pursuant to the terms established herein and the applicable legislation; (vii) formally request to B3 the necessary information in order that the Customer be represented towards the issuer of the assets of its ownership; (viii) create liens and encumbrances on the assets and securities, including those subject to centralized deposit within the custody systems, upon receiving instructions by the Customer and subject to the conditions to be established by the Brazil Broker in each specific case, as well as in accordance with applicable regulations and internal rules issued by the central securities depositories; (ix) give notice to the Customer, as provided in the B3's Operational Procedures, whenever it intends to cease the custody activities or cease providing the services to the Customer, as set forth in this Disclosure and; (x) the Brazil Broker and B3 may extend to the Customer the sanctions and measures imposed by B3 to the Brazil Broker as a consequence of Customer's acts. Notwithstanding the other statements provided by the Customer under this disclosure, the Customer acknowledges to know entirely the risks associated with the rendering of the custody services, especially the following: (i) **Systemic and Operational Risks.** Notwithstanding the procedures adopted by the Brazil Broker to maintain computerized processes and systems in operation, safe and suitable for the provision of the services hereunder, given the complexity of such systems and their interaction with other systems necessary to enable the provision of the services, including but not limited to the central depository systems, there is a risk of systemic or operational failures which may impact the services rendered by the Brazil Broker; and (ii) **Risks of Intervention and Liquidation of the Brazil Broker.** By its nature, deposit of cash becomes a credit against the Brazil Broker and is not subject to centralized deposit regime. In this sense, in the event of intervention or extrajudicial liquidation of the Brazil Broker, there is a possibility that all cash deposited be blocked, which would then create the need for administrative and judicial measures for the recovery of such resources, with no guarantee of success. During the provision of custody services by the Brazil Broker, the instructions related to the transfer/movement of assets under Brazil Broker's custody sent by the Customer shall be sent in accordance with the provisions set forth in this Disclosure applicable to the sending of orders to the Broker, as well as in accordance with the criteria established in the Rules and Parameters of the Brazil Broker. The Customer hereby agrees that the Brazil Broker may, in its sole discretion, hire third-parties to provide the custody services contemplated in this clause; however, pursuant to the applicable legislation in force, the Brazil Broker shall remain responsible for the obligations undertaken towards the Customer, regulatory bodies and central securities depositories.

1.17 Failure to comply with any of the terms of this Brazil Addition may result in J.P. Morgan and/or JPMCCVM being unable to execute your orders relating to Brazil Transactions.

Wrapper Exemption

The J.P. Morgan Entity is delivering this notice to inform you that we are relying on the exemption in section 3A.3 or 3A.4, as applicable, of National Instrument 33-105 Underwriting Conflicts (NI 33-105) from the underwriter conflicts of interest disclosure requirements of NI 33-105 for any distribution to you in the future of an eligible foreign security, as defined in NI 33-105. Eligible foreign securities may only be sold to purchasers purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 Prospectus Exemptions or subsection 73.3(1) of the Securities Act (Ontario), and are permitted clients, as defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations. Any resale of the eligible foreign security must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.

If, in connection with a distribution of an eligible foreign security, as defined in Ontario Securities Commission Rule 45-501 Ontario Prospectus and Registration Exemptions or Multilateral Instrument 45-107 Listing Representation and Statutory Rights of Action Disclosure Exemptions, we deliver to you an offering document that constitutes an offering memorandum under applicable securities laws in Canada, you may have, depending on the province or territory of Canada in which the trade was made to you, remedies for rescission or damages if the offering memorandum (including any amendment thereto) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by you within the time limit prescribed by the securities legislation of your province or territory. You should refer to any applicable provisions of the securities legislation of your province or territory for the particulars of these rights or consult with a legal advisor.

Canada's Anti-Spam Legislation ("CASL")

(applicable to all communications with Canadian clients across all products)

CASL sets forth the requirements for sending any commercial electronic message ("CEMs") to the electronic address of a person within Canada. Pursuant to CASL, any CEMs sent to you by a J.P. Morgan Entity are exempt from CASL under the exemption provided for inter-business CEMs.

11. MANDATORY SYSTEMS CONTROLS

11.1. Before you or any of your Representatives use the Services to direct any order or Instruction to any Trading System, Services or Market you shall implement internal control and supervisory procedures with regard to such Trading System, Services and/or Market, as the case may be. Such procedures shall at a minimum incorporate the following features: (a) controls that limit use of the system to authorised persons; (b) checks for validation of order accuracy; (c) established limits and/or order prohibitors, to prevent orders exceeding preset credit and order size parameters from being transmitted for execution; and (d) controls that monitor for duplication/retransmission of orders, previously transmitted for execution.

11.2. Where you use the Services, you will define and or input appropriate trading limits, authorised products and types, access levels and order types ("**Parameters**"). In addition, J.P. Morgan may establish trading limits including credit limits, profit and loss limits, product limits and position limits that may or may not be aggregated for a particular time frame. Where Exchange rules do not permit J.P. Morgan to prevent you from trading over limits established by J.P. Morgan you agree to establish and maintain Parameters commensurate with your trading requirements and imposed by or agreed with J.P. Morgan. Where J.P. Morgan accepts, inputs or updates Parameters for a particular Service, J.P. Morgan is not responsible for establishing such Parameters or monitoring your activity against the Parameters or for any failure of the Service to enforce the Parameters. Any request to establish or amend Parameters shall be granted at J.P. Morgan's sole discretion. For the avoidance of any doubt, J.P. Morgan shall not be responsible for the rejection of any order by a Market because it has exceeded such Market's position limits.

12. MONITORING

You acknowledge that you are subject to potential prosecution or regulatory censure under Applicable Law for any illegal securities activity conducted by you and that a Market, regulatory authority or J.P. Morgan may monitor your trading activity so as to detect any such improper activity. You further acknowledge that if such monitoring party detects improper trading activity through your use of Services or if activity by you harmful to the integrity of a Market or its system is detected, our link to such Market may be terminated.
