

## Global Equities Market Charges Guide

J.P. Morgan Equities' brokerage charges, are inclusive of, but not limited to, brokerage commission charges, taxes, levies, fees or any other charges imposed by exchanges, clearing organizations, governmental agencies or self-regulatory organizations. The brokerage commission charges will be disclosed separately by a client specific execution only fee schedule. This Global Equities Markets Charges Guide contains equities markets specific charges e.g. levies, taxes and fees. In the event that we become aware of fees or other charges imposed by exchanges, clearing organizations, governmental agencies, self-regulatory organizations, or other external parties, we will update the Global Markets Charges Guide. The guide is available online at <https://www.jpmorgan.com/disclosures>. Other payment obligations you may have to J.P. Morgan in relation to other financial instruments are not reflected herein. Where the charges are provided in basis points (bps), they will apply to the executed notional based on the comments provided unless otherwise specified. In the case of flat charges, the entire charge will be applied at the level provided in comments box. For accurate estimates of charges, please check with your custodian. Any conversions between currencies will be at the exchange rates agreed with you. If you would like to execute a trade in a jurisdiction that is not listed on the Global Equities Markets Charges Guide, please contact us to discuss its availability and establish a rate.
