

JPMCCI: Addition of Heating Oil and removal of Orange Juice during January 2013 rebalance

- **Heating Oil will be added** during the Jan'13 Roll, to the JPMCCI Aggregate Index Series, JPMCCI Energy Light Index Series, JPMCCI ex-Front Month Index Series and the JPMCCI Sector Indices.
- **Orange Juice will be removed** during the Jan'13 Roll, from the JPMCCI Aggregate Index Series, JPMCCI Energy Light Index Series, JPMCCI ex-Front Month Index Series and the JPMCCI Sector Indices.
- The weight of Orange Juice within the affected indices will decline to zero at the end of the roll period.
- Any reports provided by J.P. Morgan Index Research will continue to feature Orange Juice during the roll showing the declining weight. Orange Juice will be removed from any reports following the roll. Heating Oil will be included in any reports from the first index day in January.
